Obituary of Mrs. Klemme
Marie Blombery was born in Linderhote, Lippi, Germany, December 14, 1892, and died at her home near Murdock, Nebraska, May 16, 1938, at the age of forty-five years, five months and two days. She came to this country in October, 1913. In 1914, at Hubbard, Iowa, she was married to Fred Klemme, and to this union six children were born, Otto, Alvin and Lillie. Three preceded her in death.

She is also survived by her mother, three brothers and one sister. The mother and brother Fred reside in Germany, Gustav in New York, Henry in Syracuse, and the sister, Anna Ahrensmaier, at Willow Lake, South Dakota.

She joined the Callahan church in 1917 and remained a faithful

member to the end. She suffered much in her last years, but always carried her cross with a smile, and proved to be a source of blessing to all who came to see her.

What a joy it is as we lay our loved ones away that we know of a city whose builder is God, where we shall see our loved ones again.

Funeral services were held Wednesday afternoon at the Callahan church in charge of Rev. F. C. Weber and interment was made in the cemetery near the church.

The Meals that mother used to make were very fine, but the "manufacturing process" was tough on mother. These photos are used by Consumers Information to show the contrast between the old-fashioned kitchen with its coal stove and the modern one, with gas or electric range and refrigeration, which has been developed by American manufacturers through years of research.
