## 'It's Got More Ump-ff!' Says Standard Ads

Nebraska Newspapers to Feature Popular Slogan for Standard Red Crown Gasoline.

"Everybody likes zip and pep with plenty of get-up-and-go energy," says Standard. They like it in people—they like it in music—they like it in games—and they certainly like it in their cars. And, according to 1938 way and one good word that describes it all . . . "UMP-FF!"

That's what it takes and that's what Standard believes motorists will find in the Special Summer Red Crown gasoline, now on sale. They have, therefore, released to Nebraska newspapers a series of "More Ump-ff" advertisements, each and every one fairly bubbling with personality, humor, human interest, fact moving copy and convincing facts.

Be sure to watch this newspaper for future ads. According to our advance information, you are doubtlessly going to enjoy them.

In line with Standard's rigid advertising policy, there will be no false claims or exaggerated copy used. All advertisements are amusing, interesting yet forceful in their sincerity. The entire campaign will invite motorists to drive into Standard Oil Dealer's stations and try a tankful of this Special Summer Red Crown gasoline. Then, motorists are to judge for themselves, the longer mileage and added power it gives their cars.
