Next Monday is Plattsmouth Night at Den

Usual Large Crowd Expected at Ak-Sar-Ben 'White Spot' Show— Tickets at Book Store.

Elmer Webb, local Ak-Sar-Ben ambassador, has been advised that Monday night, June 6, is Southeastern Nebraska (and Plattsmouth) night at the annual den show. It will be the opening performance of a series of shows that will continue each Monday night through June and July with the exception of the Fourth of July. Members of the Nebraska Masonic Grand Lodge, headed by Grand Master Wm. A. Robertson of this city, will also be special guests at this premier performance.

This year's show, titled "The White Spot," in song and story, is said to be replete with laughs and thrills.

Although the date of this year's show falls on the night of holding the Arbor Lodge district camporee here, a large number of local people are expected to attend. Tickets for the den show will be available, beginning Wednesday, and as usual are issued without charge to residents of this vicinity who may desire to attend the show. They may be obtained at the Bates Book Store, or direct from the local ambassador.

In view of the fact that there will be no races on the four Mondays in June, tickets this year will not carry the additional complimentary admission ticket to the races. However, a special Plattsmouth day at the races is to be arranged, the exact date of which will be announced later. On that day, race fans of the community will be issued complimentary tickets, entitling them to attend on payment of only the state and federal tax. It is probable southeastern Nebraska residents will all attend on the same day. In leaving the matter of suggesting dates up to local ambassadors, the announcement says:

"Ak-Sar-Ben will be glad to offer you a fine opportunity to 'plug' your own community when you attend the races. Bring your bands, both to the Den shows and the races. Three radio stations will be glad to boost your county fair or whatever celebration you may be planning. We are at your service. Let us know how we can help you."

Announcement of Plattsmouth's day at the races is expected to be made within the next ten days or two weeks.

Although not definitely certain, it is probable either the Recreation Center band or the far-famed Little German Band will accompany the Plattsmouth delegation to the den show next Monday night.

WILL GIVE LECTURE

The junior boy's Sunday school class of the Presbyterian church at Murray, will sponsor a lecture by W. G. Lewis of the Lincoln Hatchery. He will present pictures of Africa where he served several years, as well as interesting curios, Sunday evening, June 5th at 8 p. m.
