

Mrs. Thilda Johnson Pioneer Lady, Passes On

Dies at Home of Daughter, Mrs. Omer Schlichtemeier on June 20th, at Age of 83 Years.

Thilda Johnson, eldest child of Mr. and Mrs. Swan Johnson, was born at Wilby, Sweden, August 26, 1854 and passed away at the home of her daughter, Mrs. Omer Schlichtemeier at Nehawka, Nebraska, June 20, 1938, at the age of 83 years, 9 months and 24 days.

She came with her parents to America in 1868 locating at Chicago for the first two years where Thilda learned the tailoring trade. The family then moved to Bement, Platte county, Ill., where they lived for eight years. In these pioneer days in Illinois the clothing for the entire family was made in the home and the Johnson family brought the first sewing machine to this county. The family then moved to Genoa, Nebr., in 1878, making the journey in four covered wagons, crossing the Missouri river at Plattsmouth.

A sewing machine went with her as she helped all neighbors and friends for miles, as it was the only one for many years. She was a woman who enjoyed seeing the good in the modern improvements.

She was joined in marriage to Hans Johnson at St. Edward, Nebr., April 1, 1882 and continued to live in this vicinity on the Looking Glass for the next ten years. Her husband passed away during this period in the spring of 1889. Mrs. Johnson managed the farm for three years after her husband's death, after which she moved to Genoa with her family of four small children. She built a house here which was her home during the greater part of her life. Here in addition to her own family she cared for an invalid brother and her aged mother for many years.

Two daughters have preceded her in death: one in early infancy and Lily who died at Caspar, Wyoming in 1920. In 1902 she added to her family by taking the year-old baby son, Norman Johnson, of her deceased sister and caring for him until he completed his college education in dentistry who is now practicing his profession as surgical dentist at Rutland, Vermont.

She leaves to mourn her going two sons, Elmer and Will, of Casper; one daughter, Lena of Nehawka; a foster son, Norman Johnson of Rutland, Vt.; two brothers, Nels of Ord, Nebr., who was at her bedside when she passed away, and William of Eugene, Ore.; two sisters, Minnie of Seattle, Wash., and Ellen of Los Angeles, Calif.; twelve grandchildren and a number of nephews and nieces together with an exceptionally wide circle of friends.

She united with the church in her early life and was for about forty years a steward of the Methodist church of Genoa. Rev. C. E. Ruch, a former pastor, paid this tribute to her memory: "Mrs. Thilda Johnson was a fine Christian woman, caring well for her own household. She gave also of time and strength to others. In every emergency of birth, death or needed entered many, many homes in Genoa. She was a kind helpful neighbor. She gave years of care to a crippled brother and to her aged mother. As a steward to the Methodist church she was faithful through many years."

She lived so much for others she lived in hope. To live in Christ To die is gain.

Funeral services were held Wednesday afternoon, June 22, from the Nehawka Methodist church with the pastor, Rev. W. D. Lenker officiating; burial being made in the Mount Pleasant cemetery at Nehawka.

Report of Annual Red Cross Meeting

Large Attendance at Murdock Last Monday—Committees Active During the Past Year.

The Cass County Chapter of the American Red Cross held its annual meeting at Murdock last Monday. A large number of delegates were present from the different chapters over the county. Mrs. Henry A. Tool, as secretary-treasurer of the county organization had charge of the arrangements preparatory to holding the convention here. Miss Augusta Robb, of Union, the county president, was here to assist Mrs. Tool with the lining up of the program and presided over the business session.

One of the interesting reports was that of Mrs. Ray Norris, of Weeping Water, who had attended the national meeting of the Red Cross held at San Francisco in May.

The Louisville fire department was present and conducted a demonstration of life saving, using the new inhalator which they recently purchased for use when the lungs become filled with gas, smoke or water (in the case of drowning). It was a most interesting demonstration.

The financial report of the county chapter showed:

Bal. June 30, 1937	\$ 722.00
Receipts for Year	934.37
Disbursements	1,108.63

Bal. on hand this date \$ 547.74

Balance of Branch Units	
Alvo	\$ 634.76
Louisville	84.86
Manley	679.52
Murray	414.27
Mynard	243.64
Nehawka	254.68
Plattsmouth	472.68
Wabash	400.00
Weeping Water	233.31

Total for Branch Units \$3,477.72
County Chapter 547.74

Grand Total on hand \$4,025.46

The Year's Activities

Nine branch units (listed above) carried on the Red Cross program in Cass county during the year, eight of which were represented. The 700 quota was overreached with a total of 829 members enrolled. Home service report showed 35 claim cases for ex-service men had been handled, mostly through the office of County Judge A. H. Duxbury, who has direct contact with the liaison office in Lincoln.

The branch units were most active in accident prevention, contacting an estimated 4,000 persons with the printed literature on "How to Stop Home Accidents" and "How to Stop Farm Accidents." Twenty-five Christmas bags were sent to soldiers at foreign posts.

There was a fine response on the part of volunteer workers at the pools, including the pool owners and others, particularly truck and car owners, who assisted in getting the youngsters to and from the pools for their swimming instruction. Swim schools will be conducted again this year, starting at Louisville on July 12th.

The officers, Miss Robb, president, and Mrs. Tool, secretary-treasurer, were both re-elected. Plattsmouth bid for the 1939 convention and their invitation was accepted.

He served as a member of the city council from the third ward and has been more or less active in democratic political affairs in the last few years as a candidate for the nomination for county treasurer and also commissioner in the first district.

PUMP-PRIMING PLANS AT NEBRASKA CITY

At Nebraska City the three member commission headed by Mayor Ziegenbein, is making extensive plans for pump-priming activities—aided by Federal funds. Some of the things under consideration are a new city hall (plans now being drawn), a sewage disposal plant, a building to house the new municipally owned auto and truck testing equipment, additional paving and sanitary sewers.

Mayor Ziegenbein stated it had not yet been determined which would be the most advantageous method of procedure from the city's standpoint—to make use of the regular WPA set-up, or accept the government's "give part-loan the balance" offer under PWA, the twin-sister spending associate of WPA.

In addition to the above program of spending, the commission is about to institute condemnation proceedings and enter into the realm of municipal ownership of light and power industries.

A complete revision and codification of ordinances is now under way there.

KOOKY KOOKS CLUB

The ninth meeting of the Kooky Kooks club was held at the home of Lela Covert, July 1. After Marie Phillips, president, called the meeting to order we sang some songs. The roll call was given by the secretary. The minutes of the last meeting were read and approved.

We then made plans for our achievement day. Jeannette Shyrook gave a demonstration on how to make spice cupcakes. Lela Covert served a lunch of cool ade and we had one of the cupcakes Jeannette Shyrook made. Mrs. Covert was a visitor.

The next meeting will be held at the home of Mary and Louise Miller.

Local Band Has a Fine Time at Ak-Sar-Ben Races

Recreation Band Attracts Much Attention From the Group of 10,000 Racing Fans.

Tuesday was a big day for the Recreation band of Plattsmouth as they spent the afternoon at the Ak-Sar-Ben races.

This band of thirty-odd pieces, under the direction of Peter Gradoville, played many numbers between the different races and entertained the crowd with music that is liked by everyone. It has the distinction of being one of the finest bands that have played at the Ak-Sar-Ben this season and many fine comments were given them.

A band of this type is a very good advertising agent for a city as their music was broadcast over the airwaves of three different radio stations, WOW, WAAW, and KOHL, as well as being heard directly by some 10,000 racing fans.

This organization is just starting out for a full summer's program, playing at Avoca this coming Saturday and after that, entering into a series of concerts to be played in Plattsmouth. The Avoca concert is for the purpose of helping them with their 4th of July celebration which, according to custom, is being held on July 2nd.

A band of this type, which is so valuable an asset in the advertising program of the city, should and must have the wholehearted support of the city in order that it may survive and not become just another mediocre band that so many are.

At this opportunity, the members of the Recreation band of Plattsmouth wish to thank Clarence Cotner for the use of his bus in transporting the members to and from the races and also wish to thank all the other people who so graciously furnished cars for this purpose.
