Reform Bills for Judiciary to

Five-Point Program Including Court Reorganization.

WASHINGTON (UP)-The 75th congress systematically passed more legislation to improve the efficiency Prison Utopia of the federal judiciary than any other recent congress.

Much of the program died with adjournment, but is certain to be revived by its sponsors and pushed to chactment in some form by the 76th congress.

The series of laws began a year ago with the measure which hastened the death of the supreme court re-YEARS.
