## Don Warner Dies at Home in California

Resident Here Until Few Years Ago Succumbs After But a Short Illness—Funeral Here.

From Tuesday's Daily—Charles Donald Warner, 26, member of one of the pioneer families of Cass county, died this morning at his home in Los Angeles, following an illness that has covered several weeks.

The seriousness of his condition was not learned until Monday and followed by the message of his passing came as a great shock to the members of the family as well as the many old time friends.

Mr. Warner was a son of the late Fred Warner and a grandson of Mrs. Charles H. Warner of this city. He spent his boyhood and youth in this community and was educated in the local schools, making his home for a great deal of the time with his relatives.

Donald was a bright and genial young man and had made many friends by his pleasant disposition and who will learn with the deepest sorrow of his passing.

He has made his home on the west coast for the past two years, being married there a year ago and has since resided at Los Angeles.

Today marked the tenth anniversary of the death of the father of the young man and also the birthday anniversary of Donald, called in the prime of life to the last long rest.

The departed is survived by the young wife, a sister, Mrs. Gretchen Blunt, his mother, who resides in California, his aged grandmother of this city and a large number of aunts, uncles and cousins in this community.

The body will arrive here Saturday night from Los Angeles and it is expected that the funeral services will be held Monday afternoon at 2 o'clock at the Sattler funeral home. The interment will be at the Horning cemetery south of the city.

### ROBERT L. PROBST INJURED

Two men were injured and an automobile badly damaged Friday afternoon, on South County road in Palm Beach, when a Negro driver lost control of the machine he was driving and it collided with a telephone pole.

Robert L. Probst, 115 No. Federal Highway, Lake Worth, Fla., owner of the sedan, sitting on the back seat suffered minor injuries, but was released from Good Samaritan hospital in West Palm Beach after receiving treatment. Willie Glaster, Negro driver, suffered from a cut wrist tendon.

The accident occurred as Glaster was driving south on County Road and approaching El Vadado Road. He told investigating officers the steering wheel suddenly wouldn't turn and he thought it was broken. The sedan crashed into the pole and its side badly smashed.

Miss Clara Lynn Probst, R. N. graduate of St. Joseph hospital in Omaha, daughter of Mr. and Mrs. A. W. Probst of Jacksonville, Fla., was visiting at the Probst home and cared for her grandfather.—Palm Beach Post.

### HERE TO VISIT FATHER

Mr. and Mrs. C. A. Spacht and two children of New Rochelle, New York, Mrs. Mina Hollingsworth of Cincinnati, Mrs. Golda Foxwell and two children of Milwaukee, and Mrs. Adrain Edgar are visiting in the city.

These are daughters of Mr. George A. Kaffenberger, who is ill at the Methodist hospital in Omaha and will visit with him as well as being here for the funeral of their uncle, John Kaffenberger, being held today.

### ATTEND FUNERAL SERVICES

From Wednesday's Daily—Mr. and Mrs. Cyril Kalina departed this morning for Schuyler, Nebraska, where they were called to attend the funeral services of Mrs. Ethel Krutholz, a cousin of Mr. Kalina. She has been ill for some time and passed away at an Omaha hospital where she had been under treatment.

### STATE SECURES BOAT

The Nebraska fish and game commission has made purchase of a new boat that will be used in patrolling the Missouri river to police against possible law violations.

The new boat will be a flatboat powered by an outboard motor, replacing the old boat in use in recent years. The new equipment will carry four or five men and will be used to enforce the commercial fishing laws.

The old boat will be used for salvage purposes and due to the overflows and cutoffs due to the recent flood, a great deal of the salvage work is anticipated.

## Relief Load Lightens as the WPA Opens Up

Tying Up of River Work by Floods Has Kept Large Number from Usual Activities.

The general condition of the relief situation in the county seems to have improved to some extent, officials state, as a number of workers are being absorbed by the WPA on various projects and the prospects over the county are for more men being given work.

One of the chief causes of idleness among many workers is the fact that for several weeks the river work has been tied up as the result of the high water in the Missouri river and which checked all activities in the river improvement program. With the receding waters it is hoped that many may be called back to service.

The rock quarries are handling a great many workers now, proving one of the chief sources of labor employment in the east and south part of the county.

Prospects are excellent for paving work at Nehawka and also for a re-education to the school at Union while the Lincoln avenue rock surfacing is yet to be completed here and several other rock surfacing projects may be secured and which will serve to make for further employment.

### MANY ENJOY BARBECUE

The local unit of the Brotherhood of Railway Carmen, Sunday staged a barbecue at the grove on the Warga farm, south of the Taylor school house. The event was attended by a very large crowd of the carmen as well as residents of the community outside of the organization.

There were over 500 pounds of the ribs secured and which were prepared by William O'Donnell, head chef, over the large open fire and served with a specially prepared sauce.

Plenty of refreshments were at hand and the pleasant event continued until after 6 o'clock when the party disbanded after a very happy occasion.

There were a large number of candidates to visit the barbecue during the day to present their cause and among these Hon. Charles J. Warner of Waverly, who is seeking the republican nomination for governor. The candidates were given the opportunity of telling of their candidacies during the afternoon.

A small group from the Recreation Center, made some excellent music during the afternoon.

### RETURN FROM FINE TRIP

Misses Clara and Alice Weyrich have returned home from a very delightful motor trip to the southern part of Kansas. They visited at Oxford and Wichita, Kansas where they have relatives and enjoyed the opportunity of visiting many points of interest in that part of Kansas. They found that that section had bountiful rains and vegetation is fresh and crop prospects are very good.

### HAS AUTO ACCIDENT

Deputy Sheriff Cass Sylvester was called to the vicinity of South Bend Sunday, a crash between two autos on the highway damaging both cars and injuring Mrs. George Dvorak, of Lincoln, an occupant of one of the cars. The injured woman was taken to the Lincoln General hospital for treatment. All of the parties involved in the accident were from Lincoln.

## O'Donnell Blasts Way to 14 to 3 Victory

Veteran Memphis Team Bows to Local Twin Valley Team—Hard Hitting Features Game.

From Monday's Daily—The Merchants yesterday maintained their high league standing by subduing the visiting Memphis organization 14-3. The locals pounded the apple hard and often, and played lawlessly afield, while their ace fire-baller checked the offensive threat of the visitors. The Platters all hit well, with Spangler and Wiles especially sparkling. "Homer" and "Think" collected three apiece, while the longest and most decisive blow came in the opening frame and was collected by O'Donnell, outfielder.

In the opening inning the game assumed aspects of being a slugfest. Colbert was the first visitor collecting a single. Then Ehlers got hold of one of "Gabby's" fast balls and drove it to deep right for a homer, and two opponents' scores. In the second half of the first the Platters cinched the tussle with a five run outburst. An error, a walk, a fielder's choice, a double by "Dusty" Rhoades, and Jack O'Donnell's four-py walloping with the bases loaded. From then on "Gabby" had the situation well in hand as his team mates continued to score. Two more tallies were counted in the third, one each in the fourth, fifth, and sixth, and four more in the eighth.

Memphis scored their third run in the second on two hits and a walk and in the next seven frames only four of their men were able to get on base.

"Gabby" Street twirled another effective game, allowing but six scattered blows. He walked but two, and struck out 14. Brilliant defensive plays were turned in by "Chuck" Ault, "Gabby" and Bob Hayes. Working behind the bat yesterday and handling "Gabby's" offerings very well, was Clem Sundstrom, ex-regular receiver for the University of Nebraska.

The show also has a real snake performer with a large array of the snakes of various types and which are fearlessly handled by the daring girl performer, giving a thrill to the visitors.

The minstrel show of the midway is one of the best of its kind on the road and will be a popular feature among the amusement lovers of the community.

A large array of rides and the barrel house as well as concessions were well patronized last evening and among the concessions is a clever ball device, "Bessie the Cow" which is operated by Billy Moore, veteran carnival man.

The Rotary club had the pleasure at their luncheon Tuesday of having with them Charles A. Cadwallar of Lincoln, who was the representative of the local club at the international convention held at San Francisco.

Mr. Cadwallar gave a very fine report of the meeting and covered the chief matters of the convention and the reflexes of the representatives from the nations where in recent months the Rotary has been barred from activity by governmental decrees.

In this trying period of the world, Rotary has faced many serious problems in its campaign for better understanding among nations as well as men and the reflections of the convention were very ably given by the speaker.

Albert Roulof, living south of Avoca was threshing Tuesday and his mother, Mrs. Fred Roulof came from her home in Otoe to assist in the cooking and had just arrived when she was stricken with paralysis and sinking down was carried to a bed where all was done for her that was possible and Dr. J. W. Brendel called immediately, but she passed away in about an hour.

Mrs. Roulof was widow of the late Fred Roulof, Sr., and has been one of the pioneers of this county.

The neighbors continued in the threshing and got the work done at the Roulof farm.

Mrs. Joseph Novatny has returned home from the University hospital in Omaha where she received treatment for osteomyelitis of the middle finger of the right hand.

### GRASS FIRE THREATENS

From Wednesday's Daily—The fire department was called out this noon to stop a grass fire raging on the grounds of the John Sattler, Jr., property on the west side of Chicago avenue. The fire caught along the parking in some manner and soon spread into the large pasture where the dry grass made its spread rapid, it sweeping up toward the house and outbuildings and for a time was very threatening. It was put out, however, before it reached the manor house.

## Gibbs Shows Open for Week's Stay in City

Large Number Visit Midway Where Shows Operate Sponsored by American Legion.

From Tuesday's Daily—The W. A. Gibbs shows opened their midway on Chicago avenue last night with a good sized crowd visiting the grounds and looking over the attractions that are offered for the entertainment of the public.

This year the shows have many new entertainment features and others that have been with them in the two previous visits are now with other companies.

The Berton Bird Circus that headlines the attractions this year, is really worthy of the time and attention of all who visit the midway.

The birds that perform are trained in many acts that are almost unbelievable to be given by the little featured performers. "Popeye," the star of the feathered company, is a treat and held the attention of the audience with his clever acts and almost marvelous feats. Mr. Berton, trainer of the birds, has proven that a bird can be trained to the highest perfection. He also gives clever ventriloquist acts that are well worth seeing.

The Royal Monkey show also was much enjoyed by the crowds with the clever trained monks that perform their riding stunts and other acts to entertain the public.

The show also has a real snake performer with a large array of the snakes of various types and which are fearlessly handled by the daring girl performer, giving a thrill to the visitors.

The minstrel show of the midway is one of the best of its kind on the road and will be a popular feature among the amusement lovers of the community.

## Learn to Swim Week Opened at Merritt's Beach

Large Number Present to Receive Training at the Hands of Loren Huizda, of Lincoln.

From Monday's Daily—This morning a large truck load as well as several car loads of children were at the Merritt lakes north of the city for the opening day of "Learn to Swim Week." Mrs. R. E. Norris, of Weeping Water, chairman of this Red Cross activity for the county was here as was Miss Augusta Robb, of Union, the Red Cross chairman.

The training is under the direction of Loren Huizda, of Lincoln, who for the past two years has served as the instructor in the various swimming events and as life guards are George Dickson, Don Siedel, Joe York, Don Wall and Margaret Sylvester.

Mrs. Harley Wiles is in charge of the registration and direction of the swim week activities for the local Red Cross chapter.

The fact that there are 7,000 drowned each year in the United States shows that the necessity for swimming knowledge is important and all who can should take advantage of the training to swim. Last year there were 1,000 children given training in the various points and this year it is expected to have even more.

Last week the training tests were held at Nebraska City, the next week will be at Louisville and in the first week in August will be at South Bend. The water fete and pageant will be held on the afternoon of Saturday, August 6th at 6:30 p. m. at South Bend and to which the public is invited.

The funeral services for John P. Miller were held Tuesday afternoon at the Sattler funeral home where a group of the old friends and neighbors and members of the American Legion were in attendance.

Rev. J. C. Lovson, pastor of the First Methodist church, conducted the services and brought a message of comfort to the members of the bereaved family and the friends of the departed war veteran.

During the services Mrs. E. H. Westcott gave two of the old hymns, "Rock of Ages" and "The Sweet Bye and Bye." Mr. Westcott being at the piano.

The interment was at the Oak Hill cemetery where the American Legion ritualistic service was conducted by Commander E. G. Ofe of Hugh Kearns post, with Chaplain R. J. Larson assisting.

The last salute was given by the firing squad from Fort Crook who had responded for this service to a fallen veteran who had served his country so well in the time of war.

The pall bearers were C. E. Ledgway, Clifford Forbes, Milo Fulton, Fred Lugsch, Edward Bashus and R. T. Cuthrell.

Members of the Albert family met Sunday and held a family reunion in the Fremont park. A delicious picnic dinner was served at the noon hour. Of the 59 present at the reunion several were from other states and cities. Eight of the nine children of Mrs. John Albert were able to attend.

### MOVING TO NEW LOCATION

Major and Mrs. Floyd Harding and family are here to enjoy a visit at the home of Mr. and Mrs. R. F. Patterson and with the J. W. Falter family at Falls City and the G. H. Falter family at Atchison, Kansas. Mrs. Harding was formerly Miss Edith Dovey of this city.

The Harding family are moving to Columbus, Ohio, Major Harding, who is in the regular army, being transferred to Fort Hays. They have been located in South Carolina where Major Harding has been attached to the ROTC.

## Many Pay Honor to Memory of Old Resident

Hundreds Here to Pay Tribute to John Kaffenberger, Long Time Prominent Figure Here.

Wednesday afternoon the St. Paul's church was filled to its capacity and large groups stood in the church yard to participate in the last rites for John Kaffenberger, a long time resident, who had gone to rest last Sunday.

The body had laid in state at the family home at Ninth and Granite streets until the funeral hour when it was borne to the church where the departed had long been an active member and a devout attendant.

Rev. G. A. Pahl, pastor of the church, gave the sermon filled with words of consolation and also paid tribute to the memory of Mr. Kaffenberger and his splendid life and services to the community in which he had lived.

During the services a ladies quartet composed of Mrs. Louisa Klingler, Miss Helen Horn, Mrs. Otto Pitz and Miss Marie Speck gave two of the old hymns, "Lasc Mich Gened," a German number and "Asleep in Jesus," Miss Leona Meisinger at the organ.

The burial was at the Oak Hill cemetery and the pall bearers were L. W. Egenberger, Carl Ofe, Henry Starkjohn, Phillip Kehne, John B. Kaffenberger and Phillip Hirz.

## Cass County Lady Has Most Interesting Tour

Miss Esther Tritsch Has Visit in Spots of Interest in Northern Iowa and Ozarks.

Miss Esther Tritsch has just returned from a very interesting trip that she has enjoyed with Dr. and Mrs. C. F. Howe and family of Williamsburg, Iowa, the latter formerly Miss Mattie Hudgens of this city.

The two children of the Howe family, Betty Joe and Shirley Jean, have been enjoying an outing at the J. W. Tritsch farm near Louisville, and on their return home were accompanied by Miss Tritsch.

The party then started on an auto tour that has taken them into many places of interest in the central west, finding many spots which the average tourist misses and which they enjoyed very much. In northeastern Iowa they visited the Billy Brothers clock building, a very unique structure and one of the feature spots of that part of Iowa. Ice cave at Decorah and the Norwegian museum also proved a feature that they will long remember. Along the Mississippi river they viewed "Little Switzerland," as the bluffs and beautiful wooded sections have been termed. Along the Mississippi is also located a very attractive Iowa state park and sand cave and from where a splendid view can be had of the Wisconsin side of the great river.

They later motored to the Ozark country of southern Missouri and Arkansas for a tour through this most interesting country where many of the old customs of years ago still prevail among the residents. One of the interesting spots they visited was Lake Bagnell, a man made lake in creating a power project and which required the abandonment of thousands of acres of land to make it possible. They then drove on into the "Shepherd of the Hills" country, where amid the rural scenes, Harold Bell Wright, noted American writer had prepared his work and taken his characters from the residents of that section of the country, many of whom are still living there and following the old customs of their parents and grandparents through several generations.

They then motored home through Oklahoma, touching in the oil fields, cotton farms and the Indian settlements. They stopped at Claremore, Oklahoma, where a great memorial to Will Rogers, Oklahoma humorist is being prepared.

The Howe family left Miss Tritsch here at home and then returned to their Iowa home.
