

Medals Go to Champion Junior Baseball Group

World-Herald Awards Presented at Last Night's Legion Meeting with Boys as Guests.

American Legion Junior Baseball team members were guests at last night's Legion meeting held at the community building, when they were presented with individual medals—the World-Herald award that goes to the players of district championship teams. The presentation was a demonstration of the worthiness of the three-phase youth activities engaged in by the local Legion post—baseball, drum corps and Boy Scouts.

Chairman Fred Herbstler of the Junior Baseball committee spoke briefly and then turned the presentation ceremony over to L. S. Devoe, who as a Legionnaire and director of WPA recreational activities here during the past summer has had intimate contact with the Junior base-

ball team. Devoe paid tribute to the aid rendered by Legionnaires in furnishing transportation and assisting in other ways to make the season a success, also to Robert Hayes and Eugene Ault, former Legion team members, who have now graduated to places with the town team, but "are still willing to come back and render valuable assistance," also to Clyde Jackson, Recreational Service employee, who has been on the coaching line at every one of the score or more games played.

Mr. Devoe introduced Harley ("Gabby") Street, a new "find" in big league circles, who for two years was a member of the Plattsmouth Junior Legion team, prior to moving up to the star pitching position on the town team. Harley said he believed the Junior program was most beneficial to boys who desired to get into professional baseball. He told of his experience in Omaha, pitching before the Cardinal Scouts in two innings of a contest game, striking out five of the seven men who faced him. One (the first) was walked by the umpire to get the young pitcher's "goat," and the last of the seven

grounded out to third base. Harley was promptly signed up for next year's playing season with a Cardinal "farm-out" team, as announced in yesterday's Journal.

Hayes and Ault, both former Junior team members are among the fifty who have survived the elimination try-outs at Omaha. Hayes was present and said many of those trying out at Omaha wore suits that bore Legion emblems, indicating they too had received their first training in baseball in Legion-sponsored teams.

Medals go to Shiffer, Noble, Smith, Jones, Sedlak, Phillips, York, Parricott, Jacobs, White, Albee, Martin, Gradoville, Nord and Persinger—a total of fifteen.

Endorse PWA Projects

George Conis, Legion representative on the City Planning Board advised of action taken by the board favoring four PWA projects—repaving, widening and draining highway 75, completion of the community building, modernization of Central building and reconstruction of the old high school building to provide for Junior high classes. Endorsement

of the projects was voted unanimously.

Arrangements were also made to take the Junior drum corps to the state fair Sunday, and possibly to a celebration at Gretna next Thursday evening, September 8.

THE TEST OF ANY PROJECT

Editor Marvin of the Beatrice Sun asks the question: "Should one's disapproval of federal spending policies deter a community from seeking to equip itself with useful public improvements?" In other words, because you don't believe it's right, should you refuse to accept any of the benefits? After a discussion of the question, in which he points out that for years and years federal funds have been spent on harbors and rivers, Editor Marvin declares the present spending program is merely spread out over the entire nation where more communities may share in its advantages.

And then, he very tersely states the test that should govern, namely, "whether the proposed improvement is useful, fills a want and meets a

need," to which the Nebraska City News-Press adds: "Will the improvement be too costly, from the standpoint of the local contribution, for the community to bear?"

And that comprises the sensible yardstick by which all projects—big or little—should be gauged.

Many a small town would like to have the things of which cities boast, but the public purse will not permit. PWA would bridge the gap by giving outright 45 per cent. Enticing as that may seem, let us always lay down the yardstick of evaluations that Editors Marvin and Sweet have collaborated to give us:

"Is it useful; does it fill a want and meet a need—will the cost be too great?"

Of course there can be plenty of honest controversy on these questions, but by keeping them and them alone in sight, no community can go far wrong in its acceptance of this "free" government money.

Cass county has no bonded indebtedness, as, like the state, we have paid cash for our hard surfaced roads and other improvements as we went.

Price Appeal of New Merchandise is Very Alluring

Ladies Toggery Has Real Bargains in Dresses, Hosiery, Hats, Etc. —All New 1938 Goods

With fall days just around the corner interest is rapidly turning to the new fall merchandise being unpacked and put on display at The Ladies Toggery. Sell-outs in summer lines have provided ample room to display the new arrivals.

Among them are scores of Fall Dresses in Silk Crepe, representing the newest and most popular colors—Tide (pronounced "tele") Blue, Black, Green, Rust and Autumn. Size range from 12 to 20—and the price is most alluring. Only \$3.98.

Then, there's the new Fall Hats in all head sizes. Words cannot do justice to them. Individual stylings you'd almost think were made exactly for you. And certainly the price isn't prohibitive, due to the Toggery's policy of selling on a small margin with rapid turn-over. Not a typographical error—for these chic hats are really selling for only \$1.

Another item that will interest hundreds of women—the new Silk Hose, in all desirable fall shades, at 69¢ a pair.

And Sweaters in fall colors. You'll say when you see them, they're \$1.95 values in any man's store. Again, due to small-profit and big-turnover policy, the Toggery is bringing them to you right at the beginning of the season for only \$1.

Starting back to school, the children will need plenty of school dresses. You'll find them in sizes 7 to 12, at the Toggery, with all the frills and styles big Sister demands in hers. Fast color. Only \$1.

New fall apparel demands new Hand Bags and here again you can save at the Toggery. Bags that are really new—a large assortment just received from eastern designers—as fine a value as we've ever offered. The price—only \$1.

Don't delay; come to the Toggery as soon as you read this announcement. You'll find the atmosphere of Fall permeating the entire store. Thanks to your fine response to our previous announcements our summer stock is completely cleaned out, and we're thinking, telling, showing and selling only new Fall merchandise.

We invite you to visit this "Shop of Personal Service" and see the new Coats, Dresses and other merchandise arriving daily. You'll be enthusiastic, as we are! s2dy; 5aw

NIFTY NEEDLE MAIDS

The Achievement day of the Nifty Needle Maids club was held at the home of Mrs. Walter Engelkemeier August 19. We carried on our usual business meeting. After the meeting the girls gave a short program. It was opened with a song by the club. Osa Marie Bodeker then played a piano solo. The next number was a song by Kathleen, Ruth, Norma and Betty Schafer. Ana Marie Kettlehut and Marie Anderson played a piano duet. Kathrine Urish gave a reading. The next number was a piano solo by Helen Puls. Osa Marie Bodeker and Opal Linder gave a demonstration on the markings of a pattern. The program was closed with a song by the club.

Mrs. Engelkemeier presented gifts to the girls who were at every meeting and to those who missed only once.

A style show was presented by the girls who modeled their own dresses they had made.

Refreshments were served by Mrs. Engelkemeier with Helen Puls, Betty Schafer, Lila Linder and Ruth Schafer acting as hostesses.

TO AID GOOD CAUSE

Friday a committee composed of E. A. Wurl and E. H. Schulhof, were canvassing the business section of the city to secure assistance in providing for the ultimate uniforming of the Recreational band, which is now becoming one of the best in this part of the state.

It is desired to secure uniform caps for the band and which individuals over the city are being solicited to aid in securing by their small donations. The caps are one of the large items of the uniform and these must be purchased and be of uniform style.

It is expected that material may be secured later for the trousers for the band boys and which will be made through the assistance of the sewing center. The shirts for the uniforms will be provided by the individual members of the band.

JOLLY WORKERS CLUB

Tuesday afternoon the Jolly Workers club gave a towel shower in honor of Mrs. Lester Meisinger on her birthday. The afternoon was spent in cards. High score went to Mrs. E. H. Tritsch and low to Mrs. Max Vallery. A delightful lunch was served including a lovely white birthday cake which everyone enjoyed. Plans were made for next month's meeting.

DON'T USE Substitute for Butter

There is a surplus now, driving cream prices lower and lower. This is an agricultural community, dependent in no small measure on the success of the farmer. Substitutes are devoid of all the important vitamins that butter contains and are dear at any price so far as their nutritive value is concerned. Ask for 'Casco.'
