Mr. and Mrs. Homer H. Lawton were in Lincoln last Wednesday, where they looked after business matters and visited the parents of Mrs. Lawton.

Mrs. Mary Bradford, who is in charge of affairs at the Murdock bank during the vacation trip of her parents, was called to Lincoln last Wednesday on business matters.

Albert Bauer, who has been visiting in both Lincoln and Louisville, at the homes of his daughters and their families, returned to Murdock last week and will visit here for a short time.

Chris Cook of Louisville moved to Murdock last week and is occupying the house that was formerly occupied by W. T. Weddell. Mr. Cook will be engaged in collecting and shipping milk to Roberts Dairy in Lincoln.

Mrs. Platte, wife of Dr. Platte, of North Platte, who was Miss Mary McHugh prior to her marriage, is making a two weeks visit here, being a guest at the home of Mrs. Una McHugh, her mother.

Edward McHugh, who has been visiting friends and relatives elsewhere, returned to Murdock last week to get ready to resume his studies at the University of Nebraska with the opening of the school year there Thursday.

Found Wife Improving

Albert Bornemeier was at Lincoln Tuesday, where he visited his wife at the Bryan Memorial hospital. She had undergone a major operation there recently and was in serious condition for a number of days thereafter. At the time of his visit he found her improving, but the physicians say she will have to remain at the hospital for some time before she can be permitted to return home.

Enjoying Their Tripp

Mrs. Mary Bradford, who is in charge of the Murdock bank, received a letter from the party of vacationists, Henry A. Tool and wife and Mrs. Hannah McDonald, stating they had arrived at Boise, Idaho, and were enjoying a pleasant visit at the home of Mr. and Mrs. Henry A. Guthmann. The letter states they had been seeing some picturesque country and were all enjoying their trip very much.

Visited Fremont

The Murdock Pilgrim (L. Neitzel) was on his way by 7 o'clock last Sunday morning, heading for Cedar Bluffs. Arriving there at 9:20, he found the M. E. pastor at the annual conference in Omaha, and was informed there would be no service. So he went on to Fremont and

worshipped with the Evangelical congregation there. He was invited to teach the adult Bible class, of which Rev. Wiechelt is the regular teacher, and the pastor, Rev. B. Hillier, a member. With these two preachers and a nice group of adults as pupils, Mr. Neitzel reports a most interesting study session, and that the preaching service which followed was a great inspiration to the fine audience.

Visiting Relatives Here

J. A. Weddell, of Washington, Pennsylvania, his sister, Miss Mary Weddell, and another sister and husband, Mr. and Mrs. Robert Manney, arrived in Murdock last week for a visit with their uncle, W. T. Weddell. The visitors, together with W. T. Weddell, Merideth Weddell and wife of Lincoln, and Mr. and Mrs. A. E. Lyon (Mrs. Lyon being the former Miss Ione Weddell) were all at Ashland last Sunday for a visit at the J. C. Weddell home. This was the first time so great a number of the Weddell family had been together for many years and the occasion was a most pleasant one.

Mother Very Ill in Hospital

Mr. and Mrs. Wayne Eager, of Wahoo were visiting in Murdock at the home of Mrs. August Panska, mother of Mrs. Eager. They also went to Lincoln to call on Mr. Eager's mother at the Bryan Memorial hospital, where she recently underwent a serious major operation, and is now convalescing.

Truck Strike Inconvenicing

W. H. Zabel was in Lincoln last Wednesday with his truck, going to secure some groceries and fruit for the store, but was not able to secure the fruit because of the strike and hundreds of pickets surrounding the wholesale district. In fact, he was not able to get the groceries until late in the afternoon. Striking truckers refused to allow the Emil Bornemeier truck to load goods in Omaha, but in some manner Henry Amgwert secured a truck load during the afternoon.

Placing New Roof on Barn

Conrad Baumgartner, who lives north of Murdock, has been having a new shingle roof placed on his barn, the work being done by Frank A. Melvin and the shingles provided by the T. W. Engle lumber yard of Murdock.

Will Make Home in Texas

Charles Ayres, who has made his home near Alvo for nearly half a century, was in Murdock last Wednesday looking after business matters. While here, he advised friends that he expects to leave soon for Texas, where he will make his future home. He farmed near Alvo for many years, but more recently has been operating a school bus and from the Alvo consolidated schools.

Mrs. Stout was ill last week, but is feeling much better again.

Margaret Jean Stroemer left this week for Lincoln, where she will attend the University of Nebraska.

Dale Ganz has returned to Lincoln to take up his third year of college work at the University of Nebraska.

Ruth Ann Ganz left Monday evening for Columbia, Missouri, where she entered Stephens college. She expects to study there a year before entering the University of Nebraska.

Rev. Wallace and family were Wednesday evening dinner guests at the A. B. Stroemer home. They also spent Thursday night at the Stroemer home, leaving for Big Springs Friday morning.

To Attend Medical School

Margaret Jo Prouty, daughter of Mrs. Clara Prouty, of Lincoln, who had spent the past two weeks with Mr. and Mrs. S. C. Boyles, left the first of the week for Omaha, where she will attend the Medical College this term.

Rev. Hammel Assigned Here

Rev. J. D. Hammel was assigned to the Alvo Methodist charge Monday at the annual conference.

Rev. and Mrs. Hammel will move from Millard the latter part of the week. Rev. Hammel plans to be here for the regular morning services next Sunday morning.

Home from Vacation

Mr. and Mrs. Elmer Rosenow returned home Monday noon after a three weeks' vacation trip to California. They spent several days visiting at the Verle Rosenow home at Huntington Beach, California. The men are brothers.

Mr. and Mrs. Rosenow report they had a very fine trip and a good time. They viewed many places of unusual scenic beauty during the course of their trip.

Sowing Wheat

Most of the farmers have started sowing their winter wheat crop during the past week. The soil is in better condition for sowing than it has been at any time in the past five years.

In some fields the grasshoppers have eaten much of the volunteer grain, while in other fields they are not present. Farmers are of the opinion that the hoppers are decreasing in number.

Grandpa Klyver Dies

Peter Klyver, 92, passed away at his home west of town early Wednesday morning, September 14, after a brief illness of pneumonia. Mr. Klyver's health had been failing of late.

He is survived by two sons, Elmer of Alvo and Arthur of Lincoln; two daughters, Mrs. Ada Hamilton, of Central City, and Mrs. Clara Larson of Mason City.

Funeral services were held Saturday at the Klyver home, where he passed away. Burial was in the Camp Creek cemetery. Rev. J. D. Hammel officiated.

Mr. Klyver had a host of friends who extend sympathy to the bereaved members of the family.

Rcv. Wallace to New Charge

Rev. Ben Wallace, who has been pastor of the Alvo Methodist church for two years, was given a new charge at the annual district conference in Omaha.

Rev. Wallace's new appointment takes him to Big Springs, Nebraska, in the western part of the state. He and his family left Friday for that place, where they will have a modern parsonage and a very nice church. He will receive a considerably larger salary than the Alvo charge provides.

Rev. Wallace has been a very active worker for the church and Mrs. Wallace, with her pleasing personality and kindly ways, was able

to lend him aid, as together they won many friends.

It is a matter of much regret both among his church members and others here that he has been transferred to a new charge, but all wish them happiness and success in their new work.

To be Honored at Reception

Supt. and Mrs. Orville Buehler and the entire faculty and Rev. and Mrs. J. D. Hammel will be honored at a reception to be held at the church on Wednesday evening, Sept. 21st.

There will be a short program and a social hour to which the public is cordially invited.

This reception is an annual affair for the purpose of giving the teachers, school patrons and the minister and family an opportunity of becoming better acquainted.

The reception is sponsored jointly by the P. T. A. and the Ladies Aid Society.

SEEK HOME FOR QUINS

TORONTO, Ont., Sept. 17 (UP)—Attorney General Gordon D. Conant said today "no definite decision" has yet been reached concerning a new home for the Dionne quintuplets. Rumors that a new home, which would also house the rest of the Dionne family would be erected at Trout Lake, several miles from Calendar brought a delegation from the village to see Conant here. The committee told the attorney general that the Trout Lake move would "spell 'ruination' to Calendar, now one of the greatest tourist meccas in the continent."

ZEPPELIN HAS TEST

FRIEDRICHSHAFEN, Sept. 17 (UP)—The Graf Zeppelin started its second trial flight today using hydrogen instead of helium which it has failed to obtain from the United States. Hugo Eckener and 85 others including the crew were aboard the ship which will make a 24-hour flight over northern Germany and the North Sea.
