Officers Search for Convicts on M. P. Trains

Sheriff Homer Sylvester and Deputy Cass Sylvester at Union for Train Search.

The escape of several convicts from the Kansas state prison at Lansing, Saturday brought out a thorough search of trains and passing cars all through this section of Nebraska late Saturday night and Sunday morning.

C. W. League, a trusty at the prison, was held by the convicts until Saturday afternoon at Falls City. He reported that the escaped convicts were on a northbound Missouri Pacific freight train headed for Omaha.

Sheriff Homer Sylvester was notified of the reported convict invasion and with Deputy Cass Sylvester joined a party of state deputy sheriffs and highway patrolmen at Union, where all of the trains are required to stop and where a thorough search was made by the officers.

No trace of the men was found and it is thought that if they had left Falls City on the trains that they had evidently gotten off at some other point.

This morning the state highway patrolmen picked up a stranger along highway No. 75 and brought him on into the city where he was questioned at the office of Sheriff Sylvester. The man was able to prove however that he was a resident of Minneapolis and hitch-hiking back to the northern home.

ATTENDED JOINT INSTALLATION

From Tuesday's Daily— Commander E. G. Ofe took a car load of Legion and Auxiliary members to Hickman last night for the joint installation of the Legion and Auxiliary officers of that town. At the conclusion of the meeting, tables were spread and all sat down together to enjoy a midnight luncheon, with the Plattsmouth group arriving home about 2 this morning.

Commander Ofe spoke on behalf of the Twelfth district convention to be held here November 30, extending invitation to both Legionnaires and Auxiliary members to come to Plattsmouth at that time.

Thursday night a group of Plattsmouth Legionnaires is expected to drive to Syracuse for the post's annual smoker and entertainment for the business men of the town, when similar invitation to the convention here will be extended.
