American Red Cross Roll Call. The American Red Cross membership drive starts Nov. 11, 1938. John C. Samp, Red Cross field representative for Nebraska met with county chairmen and roll call chairmen from Cass, Otoe, Richardson and Nemaha counties at a dinner at the Grand Hotel Friday evening.

Plans for conducting the roll call were discussed. Mr. Samp had interesting charts giving both national and Nebraska ratings as to membership. The average for the United States is 4.87 per cent. For Nebraska, only 3.7 per cent of the population. Also Nebraska ranks 12th in the midwestern area of 17 states. Nebraska being the lowest of the surrounding states. South Dakota having 4.5 per cent, North Dakota 5.5 per cent; Iowa 5.2 per cent; Kansas 4.7 per cent; Colorado 4.2 percent and Wyoming second in the United States with 10.6 per cent, led by Nevada with 10.9.

Cass county stands 15th in the state. What can it do to raise its membership in the county and state? While we are on the honor roll there are 19 counties in Nebraska so rated and Cass is 15th. Let us make it higher with this roll call. Nebraska should not be below the Dakotas or Wyoming or Kansas.

Paul Armstrong of Auburn outlined a very complete preliminary work for his own area in Nemaha county, organizing each school district in the county. All ministers gave support for roll call Sunday, Nov. 6.

Harold Selter and Harold Gurske of Falls City, announced the hope of doubling their roll call in Richardson county.

Lillian Kiersey and Amalie Weller, Dunbar, Roscoe Blankenship, Auburn and Mrs. Cecil Powers represented their respective communities.

Otoe county chapter announces its goal 1,000 members. Cass county chapter announces its goal 1,000 members for 1939.
