#### TO STUDY WAR HISTORY

TARKIO, Mo., Jan. 31.—Prof. R. F. Patterson, on leave of absence this year from his duties as professor of history and government at Tarkio College, will leave Feb. 11 for Washington, D. C., to spend two weeks in the library of congress. Prof. Patterson has spent the past four months in the State Historical Society library at Lincoln and in Omaha doing research in connection with his biography of the late Senator Gilbert M. Hitchcock.

In Washington, Prof. Patterson will make a special study of Senator Hitchcock's leadership in the party fight in the senate which resulted in the refusal of the senate to ratify the Treaty of Versailles. Senator Hitchcock was the leader of the minority forces.

Mr. Patterson will go to Boulder, Colo., the last of March to spend the spring quarter at the University of Colorado where he is a candidate for the doctor's degree in American history and a Research Fellow in the history department.

He expects to have his biography ready for publication late this fall. In connection with his study of Senator Hitchcock's political activity in Nebraska, Prof. Patterson has read a hundred years of Nebraska newspapers including every issue of the World-Herald that has been published since it was founded in 1885.

#### HONORED FOR SERVICE

The Nebraska Children's Home society has paid a well deserved honor to one of the leading residents of this city, Mrs. Ona Baird, a citation for her wonderful work in promoting the advancement of the society and the aid of the children who are the wards of the society.

For fifteen years Mrs. Baird has been a member of the state board of trustees and has just retired from the post.

This has been a service that has aided in the advancement of the Home and with the other distinguished members of the board she has won the warm admiration of the officers of the society.

A. C. Hanson, of Omaha, is the president and R. C. Blatt, of Bellevue, the executive director of the association.

#### WILL PRESENT REAL TREAT

The Gleaners circle of the Methodist church are preparing to afford a real treat to the Plattsmouth people as a feature of their St. Valentine's day program, to be held at the church parlors on Tuesday, February 14th.

Mrs. Maude Smith Delavan, of Omaha, author of the very popular story, "The Rumelhearts of Rampler Avenue," will be here to review her book and which will be in the nature of an animated review by puppets. Mrs. A. M. Herring and Mrs. Helen Polian, also of Omaha, will assist in the review.

This story of the adventures of the Rumelhearts and their battered trailer house which finally finds a location in one of the exclusive streets of a city, will be very cleverly presented and will be something that all will enjoy in its splendid presentation.

#### RETURNS FROM WYOMING

Mrs. Everett Gooding returned home Monday afternoon from Casper, Wyoming, where she has been for the past several weeks visiting with her brother, John Speck and family and with another brother, Carl Speck, at the hospital at Casper. Mrs. Gooding reports Carl as being much better and while suffering from two fractured legs, is showing an excellent rate of improvement. The injuries to one leg especially made his case very severe but it is thought now that this will clear up in fine shape.
