4-H CLUB NEWS

February 13, 1939 at the home of Everett Spangler a calf club was organized. It was a mixed dairy and beef. There are eight members. The local leader is Richard Spangler. The following officers were elected: LeRoy Topliff, president; Charles Spangler, vice-president; Mary Kathryn Sporer, secretary; Charlene Spangler, news reporter.

We would like more baby beef members.

Second Meeting
Saturday, February 18, the new club had their first lesson. They chose "Milk and Beef for Health" for their name.

An excellent lesson was given by Richard and we are sure every member will try to follow his instructions.

Apples and cookies were served. After the meeting the members looked over Charles and Charlene's calves.

The next meeting will be at the home of Richard Spangler, 2 p. m. March 4.

CHARLENE SPANGLER,
News Reporter.

SHOWS IMPROVEMENT

Theodore Ptak, who has been confined to his home by an attack of bronchitis since last Saturday, is reported as much improved. He is able to be up a part of the time now and it is hoped in a few days will be over the effects of the illness.

CARD OF THANKS

We wish to thank our neighbors and friends and the Alvo Fire Dept. who helped save our home at the time of our recent fire.—Mr. and Mrs. C. W. Jordan. 11w

PREPARE UNUSUAL PROGRAM

The Mynard Community club is to have an unusual and what promises to be one of the most interesting programs at their meeting on Friday evening at 8 o'clock. The committee from the east side has arranged to present a sketch similar to the well known radio "Battle of the Sexes," in which the men and women are given the opportunity of answering questions and determining which of the groups is the more adept.

The ladies are challenging the men and their team has already been selected to take part and should cover the field in excellent manner. The ladies who are to take part are Mrs. Katherine Howard, Mrs. Jennie Wiles, Mrs. Alice Perry, Mrs. Vivian Hild and Miss Grace Louise Wiles.

The men that will team in the contest are being kept a secret, the program chairman states, and changes may be made at the last minute if any dark horses at answering questions is revealed.

LEAVE FOR THE SOUTH

Sunday Mr. and Mrs. C. D. Palmer departed on a motor trip to the south which will take them as far as Miami, Florida, where they are planning on a short visit. They will travel via Chicago and thence south through Kentucky, Tennessee and Georgia and down the east coast of Florida to Miami and then on the return trip expect to travel up the west Florida coast and along the Gulf of Mexico to New Orleans and thence home.

PRESENT PROGRAM

The St. John's school was the scene of a large gathering Tuesday afternoon when a delightful George Washington program was given by the pupils of the school. The program was under the supervision of the Ursuline Sisters who deserve a great deal of credit for the splendid teaching that they did in making the program such a success. A regular stage with George Washington scenery and colors was prepared for the program which was as follows:
