Junior High Musical Program on Wednesday

Fine Program is Rendered by Students Under the Direction of David Fowler.

The Plattsmouth Junior High school as well as the faculty enjoyed a musical program Wednesday afternoon at 1:45. A large number of parents and friends as well as the fifth and sixth grades and their teachers of the Central building were present.

David Fowler, instructor and supervisor of the music department of the high school, was in charge and presented the various numbers and groups heard on the program. The following was the program given:

- 1—Chorus Processional, "Freedom," Grand March, Junior band.
- 2—Songs that are sung just for fun:
 - (a) "Ring, Ring the Banjo."
 - (b) "Nelly Bly."
- 3—Songs that tell a story of different peoples:
 - (a) "The Lament of Ali Bey."
 - (b) "Peasants' March."
- 4—Songs that teach a lesson on life:
 - (a) "Whistle a Little Low Tune."
 - (b) "Four Things."

These songs were rendered by the Junior High chorus and were very well given.

The Junior band was heard in a group of band marches, they being:

- (a) "First in Action."
- (b) "Peasants' March."
- (c) "Royal Guest."

A band overture, "Rustling Leaves" was also played by the band.

The chorus was again heard in a group of songs that described the glories of nature—morning and sunrise, comprising the following hymns:

1. "Stars of the Summer Night."
2. "Love's Old Sweet Song."
3. "At Nightfall."
4. "Sunrise."

An operetta chorus from the "Pirate of Penzance" was rendered during the afternoon.

At the conclusion of the program all present joined in a general community singing, the numbers being "America" and "Star Spangled Banner," the chorus and audience with band accompaniment.

Plans are now in progress for an operetta to be given later in the year.

LEAVING FOR TRAINING CAMP

From Friday's Daily—Harley Street, who last year was one of the outstanding pitchers in amateur baseball in southeastern Nebraska, is leaving Saturday for Springfield, Missouri, where he reports to the farm there of the St. Louis Cardinals.

Harley attracted much attention by his work in the past season and was given the opportunity of signing options with a number of the big league clubs, but decided on accepting the offer of the Cardinals.

The Springfield club is controlled by the Cards and is a member of the Three Eye League and where the local hurler will probably have a chance to perform.

Street not only showed well in his pitching the past season but his hitting was excellent and he showed a natural ability as a batter, something that makes the heart of the baseball manager happy.

The friends here of the young man certainly wish him every success in his venture into the larger and untried fields of the big time baseball.

Roy Elledge Shot in Neck by His Brother Today

Shooting Occurs at Home of Harvey Elledge as Brother Sought Entrance to Residence.

From Thursday's Daily—Roy Elledge, 23, was shot this morning by his brother, Harvey Elledge, as he sought entrance to the home of Harvey at 615 South 6th street.

It was claimed by the brother doing the shooting, that there had been bad feeling between the two and this morning Roy had come to his home and that Harvey, who was carrying a .22 calibre rifle, had warned him not to come into the house. Roy Elledge ignored the order of the brother and continued to come forward and at which Harvey fired.

The bullet lodged in the neck of Roy Elledge and he was taken to the office of Dr. W. S. Eaton where the wound was dressed and the victim of the shooting cared for until he could be taken home.

After the shooting Harvey Elledge came to the court house and called at the office of Sheriff Joe Mrasek and surrendered himself to the authorities. Deputy Sheriff E. J. Doody then hurried to the office of the physician to check up on the condition of the injured man which, however was not considered serious unless complications occur.

THWART PLOT AGAINST DIETER

Otoe county authorities are investigating what may have been a plot to kidnap or attack Dr. L. D. Dieter, well known physician of the village of Otoe, who recently has been heard in talks on the present European condition regarding the German and Jewish races, over this section of the state.

The attempt of the men to carry out their designs was foiled by the quickness of George Sporhase, 20, driver for Dr. Dieter.

Sporhase had returned with Dr. Dieter from a drive on a country call and had gone to his room adjoining the garage and started a fire when he thought he heard a noise in the garage. Opening the door into the garage he heard some one say, "Let's get out of here," and movements. Sporhase ran to the Dieter home and secured a revolver and started in pursuit of the men, a number of shots being fired.

The driver said he fired four times and was shot at twice. The men, described as "tall, wearing dark overcoats and hats," escaped in a car parked nearby.

A magazine page bearing the story titled "The Words He Couldn't Forget" was found pinned to the rear seat of the doctor's car.

Dr. Dieter, who returned from Europe a few weeks ago, had recently delivered several lectures on the Nazi-Jewish conflict.
