Conference on Leisure to Be Held at Lincoln

Estimated That 500 Will Attend the Meeting to Be Held Under Auspices of WPA.

From 100 communities in the state, it is estimated that 500 persons will visit Lincoln on April 14 to participate in a state conference on leisure which is sponsored by the Works Progress Administration. While the meeting will be planned primarily for members of local recreation councils, it has been enlarged to permit all persons interested in this field to attend. The conference will end with a dinner meeting at which Edward C. Lindeman, national director of Works Progress Administration recreation projects, will speak.

The recreation program for Nebraska under WPA is a project sponsored by the state board of control with local units sponsored by cities, school boards, and county commissioners. The units are now being operated in 150 communities ranging in size from towns of 125 population to the big program directed by the welfare board of the city of Omaha. These projects are distributed over the state and are now employing 550 persons.

Communities wanting units are planning to send delegates to the conference. The conference will be broken up into five (5) sectional meetings devoted to planning as it affects the various phases of the recreation programs. This planning conference was called to assist communities that have been operating small projects and have found that the needs of their community demand expansion. Planning for summer activities will also be given consideration.

Reservations for these meetings can be made by contacting the director of recreation, Works Progress Administration, 900 North 16th street, Lincoln, Nebraska.

Cancer Foes Begin Fund Drive Today

Mrs. L. W. Egenberger, Vice-Commander, Will Head Drive in Cass, Otoe Counties.

From Saturday's Daily—Mrs. George Crocker of Omaha, state commander of the Women's Field Army, Nebraska division of the American Society for the Control of Cancer, announces that dates of its annual fund-raising drive will be April 1 to May 1. Mrs. Crocker, who will direct the drive, said the slogan will be "Cancer can be conquered if we do our part now."

With 150 thousand persons dying of cancer every year, the annual toll exceeds the number of American lives lost in the World war, Mrs. Crocker said.

Mrs. L. W. Egenberger of this city, who is vice-commander of the Cass and Otoe county division, will head the 1939 cancer drive in the two counties.

The following is some of the danger signals that may mean cancer and should always mean a visit to a physician, a very small part of the literature and pamphlets that will be distributed out in the two counties:

1. Any persistent lump or thickening, especially of the breast.
2. Any irregular bleeding or discharge from any part of the body openings.
3. Any sore that does not heal, particularly about the tongue, mouth or lips.
4. Persistent indigestion, especially when accompanied by distaste for meat.
5. Sudden changes in the form or rate of growth of a mole or wart. Pain is a late symptom—do not wait for it. Fight cancer with knowledge.

A new book entitled "The Thibaults," by Martin Rodger DuGard has been added to the pay shelf of the library. It was first published in the French language in 1924 and first issued in five volumes but has now been condensed in one volume under an American publication.

A. C. Davis, Well Known Railroad Man Passes

Former Plattsmouth Resident and Chief Clerk for Superintendent of M. P. at Falls City.

A. C. Davis, 51, well known railroad man of Falls City and formerly of Plattsmouth, died Wednesday night at 11 o'clock at the Missouri Pacific hospital at St. Louis. Mr. Davis was taken ill Saturday night and taken to St. Louis for care, but has steadily grown weaker and despite four blood transfusions he gradually failed until his death.

Death was due to stomach ulcers. The news of the death received here this morning was a very severe shock to the old time friends who had known this splendid and genial gentleman and his family during their residence in Plattsmouth.

While here Mr. Davis was engaged as chief clerk at the offices of the Burlington shops and later entered the services of the Missouri Pacific where he has since remained. He has been for the past several years the chief clerk in the office of Division Superintendent J. L. Kendall, at Falls City.

Mr. Davis is survived by the widow, Blanch Davis; three daughters, Mrs. Kenneth Payton, of California and Mary and Barbara, both at home. He is also survived by the mother and sister who reside at Denver.

Mrs. Davis, who was with her husband at St. Louis, is expected home tonight with the body and so far no funeral arrangements have been made. It is thought that services will probably be held Saturday, however.
