Mrs. W. N. Barritt entertained at her home in Union a number of her lady friends last Monday afternoon, when the playing of cards was featured and with the social conversation and a delightful luncheon, the ladies enjoyed a very pleasant afternoon.

Mrs. Henry A. Chilcott who has been very poorly for some time and was at the Nebraska City hospital, returned some weeks ago and has been doing nicely until last week when she had a serious setback for a number of days, but is reported being some better since.

L. R. Upton who has been seriously ill at his home in Union for the past two weeks, has been showing good improvement. He is up a por-

tion of the time and is continuing to improve. His many friends are hoping that he may soon be in his former good health.

Entertained for Dinner Sunday.

H. Porter, aunt and uncle, all of Union, also Mr. and Mrs. Earl W. Keedy. The occasion was the birthday anniversary of her father, Joe Banning.

Celebrate Golden Wedding.
In the year 1889, 30th day of March, Miss Lizzie E. Chase and William A. Taylor were united in marriage by Judge Calvin Russell in Plattsmouth, Nebr.

They have lived in Union, Nebr., since December 10, 1899.

To this union a son and daughter were born. The son, Rufus H. Taylor, passed away Sept. 16, 1909. The daughter Leona Ivy, married C. W. Hoback. To this union three children were born.

Mr. Taylor was installed as past master of Union January 2, 1902.

He began his ministry in 1900 and was ordained February 23, 1910.

He was pastor of the First Baptist church in Union half time for eight years. Called a second time he served seven years full time. He was pastor of the Baptist church at Washburn, Nebr., half time for nineteen years, also supplied Kenosha, Sciota, Lewistown and Murray at various times.

In 1932 he retired and resigned from active service. However when sorrow visited the home of friends he went with a message of hope. In February, 1939, taking the advice of his doctor not to conduct any more funeral, he is taking a much needed rest.

Mrs. Taylor has been a wonderful helpmate and at the present time she is enjoying the best of health, for which we are thankful.

While not holding open house, a large number of their friends called at the Taylor home Thursday, March 30, 1939 to extend congratulations and best wishes to these excellent citizens, whom they all delight to honor. This couple has occupied a unique place in the lives and hearts of the people of Union and the entire county.

Their host of friends extend congratulations and best wishes for many more years of happy life and service to humanity.

Mr. and Mrs. W. A. Taylor received a fine fiftieth wedding anniversary cake, compliments of the Omar Baking Co., of Omaha.

Napoleon Finds a Home.
This is not the great emperor of France who flourished more than a hundred years ago, but one of those wild geese who make annual pilgrimages to the north in the spring and south in the fall, and whose wing was disabled by the shot of some hunter. He was shot on the river southeast of Union and one wing broken. Henry H. Becker saw the bird and sent two boys to catch him, and when they found the condition of the wing took a pair of snips and cut off the remaining flesh of the wing and in the language of the goose, it said thank you, and became a member of the Becker house, where he eats daily from the hand of his friend to which for the kindness of his master the goose seems very thankful.

Nehawka

Earl Opp was looking after business matters in Union Friday of last week, also visiting his many friends.

Lyle Kruger has been sick with the flu for the past few days, but of late has been showing good improvement and is up and around again.

Last Sunday morning Frank Lemon, Albert Anderson and E. C. Stimbart slipped away and going to the golf course at Nebraska City enjoyed a few rounds of golf, returning in time for the other activities of the day.

The family of John O. Yeiser of Omaha, consisting of Mr. and Mrs. Yeiser and the children, Jack, Andy and Suzanne were all calling at the A. F. Sturm home, parents of Mrs. Yeiser, last Sunday where all enjoyed the day and an excellent dinner.

Verner Lundberg, assessor of Nehawka precinct began his work listing the property of the precinct last Saturday, being the first day of the term set aside for doing the work. Mr. Lundberg, who is a painstaking gentleman, will endeavor to get the listing done as soon as possible.

E. J. Kruger who is employed on the farm of George Lopp had a peculiar misfortune when a bolt on the plow which he was riding came out and allowed him to be thrown to the ground, injuring his back to that extent that he was compelled to desist from his work. He however is feeling some better at this time.

Home From West and South.
Stuart Rough who was spending the winter in the west, a portion in Los Angeles where he was compelled to undergo an operation, and after having recovered, went to Texas where he has been spending some time with a daughter, was able to arrive in Nehawka Thursday of last week, well pleased to be back home again, notwithstanding he enjoyed his stay in milder climate during the winter.

Well How Is This for a Well?
Some two years ago when the water system was instituted for Nehawka they found an abundant supply of water, which held up in quantity until just recently. However the quality of the water was far from good. But with the vanishing supply it was found necessary to look elsewhere and a number of test holes have been sunk, not proving satisfactory. However last Saturday a new test hole was sunk near the home of Thomas Mason and in the street. When the water appeared plentiful, a casing was placed in the hole and a pump applied, with the result that on an eight hour test it proved able to supply 60 gallons a minute, which lowered the water in the hole, but a rest from pumping for an hour showed the water level up to the high point again. However this test hole will have to be tested by the government before they will pass it.

Entertained for the Evening.
Mr. and Mrs. Albert Anderson were host and hostess for a number of their friends last Sunday evening when they served a 6 o'clock dinner and enjoyed the evening playing pinocle. The guests were Herbie Kuntz and family and Mr. and Mrs. Nelson Berger.

Masons Go to Union.
The Masonic lodge, composed of members residing near Nehawka and as well as Union, have arranged to go to Union Easter Sunday to attend services at the Baptist church. They will attend in a body with regalia of the order. It has been the practice of the lodge to attend Easter services one year at Nehawka and one year at Union, this being the year for services at Union.

Celebrated Passing Birthdays.
In a certain corner of the bustling village of Nehawka there reside people who are indeed neighborly, and

many of whom have their birthdays come at near the same time. At the home of Mr. and Mrs. Leo Switzer last Sunday evening was gathered a group to celebrate the passing of the birthday anniversaries of an even half dozen of the neighbors, they being D. C. West, Mrs. Melvin Sturm, James J. Pollard, Mrs. Leo Switzer, Frank Lemon and John H. Steffans. Now you may be certain that a good time was had with a very fine 6 o'clock supper, after which they all visited until a late hour.

To Engage in Business for Self.
Gilbert Edmunds who has for a number of years been in the employment of Clarence Hansen at Nehawka, has decided to engage in business for himself and a short time ago made the purchase of the garage business of Charles Land at Union where he will engage in business. He will move his family there as soon as he is able to find suitable living quarters. His many friends will miss him and his family here but are wishing him success in his venture.

4-H Club News.
The Nehawka Swift Stitches held a double meeting with the Cass County Canners at the Krecklow home after school on Friday. After the meeting of the canning club, Mary Krecklow, president of the clothing club, called the meeting to order. Six members answered to roll call.

Every club must have a name, so from several suggestions, a unanimous vote was cast for the name "Nehawka Swift Stitches."

After the girls gave a yell, the meeting was then turned over to Miss Evelyn Wolph, our leader, who showed us many interesting patterns, samples and illustrations. This material was kindly loaned us by Miss Baldwin, our county home agent. Each girl received her 4-H pin and some 4-H pamphlets.

We plan to meet next time with Violet Hadley. Violet will give a report on "Undergarments for Summer Wear," and Marie and Doris Anderson will report on "Good Grooming." Bertha Krecklow will plan roll call.

Delicious refreshments were served by the hostesses, with Mrs. Stella Weimer assisting. Guests were Margie Ruth Pollard, Virginia Pollard, Irene Tyson, Mrs. Krecklow, Stella Weimer and daughter.

The sixth meeting of the Nehawka Swift Stitches was held at the home of Violet Hadley, March 24. Due to the absence of both president and vice-president, Marie Anderson had charge of the business meeting. The secretary read the minutes of the last meeting.

Three reports were given. Marie Anderson reported on "Care of the Hands"; Doris Anderson told us about the "Care of the Hair" and Violet Hadley reported on "Undergarments for Summer Wear." She also showed three types of slips suitable for summer.

The girls have planned to set out a tree in all the schools represented by this club.

Our leader, Miss Wolph, showed us literature on "Posture" and "Care of the Feet."

The next meeting will be held at the Nehawka library, April 14th, after school. Plans will be made for Achievement day.

Visitors were Mrs. Nixon, Alice Gertrude and Elaine Wolph. Refreshments were served by the hostesses, assisted by Mrs. Nixon.

TRAFFIC REGULATION
Nebraska's traffic laws refer chiefly to automobile and so are rather new. Wilber citizens, however, found traffic regulation necessary long before motor cars became common. Liverymen there, say research workers of the Federal Writers' Project, WPA, in 1875 disputed with ox drivers about right of way on the village streets. The slow movers lost out when it was decided that oxen were to wait quietly while horse-drawn livery outfits passed by.

Make a Gay Belt and Handbag to Brighten Your Spring Frocks

BORED with that dress you liked so much just a little while ago? Then give it some bright new trimmings.
The sketch shows a belt and handbag that are gay and colorful. They are crocheted of a material that looks like raffia straw. But, surprise! It's really crepe paper. You cut crepe paper in long strips, then pull it through a twister, and you're ready to start your crocheting.

When you see how stylish this belt and handbag are, you will want to make two or three sets in different combinations.
To get the pattern for making the belt and the handbag, together with instructions and suggested color schemes, write to Craft Studio, (Plattsmouth Journal)—128 West 31st Street, New York, N. Y. Enclose this clipping and a stamped, self-addressed envelope at least the size of a postcard.

MEN LOVE GIRLS WITH PEP

If you are peppy and full of fun, men will invite you to dance and parties.
BUT if you are cross, listless and tired, men won't be interested. Men don't like "quiet" girls. When they go to parties they want girls along who are full of pep.
So in case you need a good general system tonic, remember for 3 generations one woman has told another how to go "smiling thru" with Lydia E. Pinkham's Vegetable Compound. It helps build up more physical resistance and thus aids in giving you more pep and lessens distress from various functional disorders.
You'll find Pinkham's Compound WELL WORTH TRYING!
