### FORMER MURRAY LADY DIES

O. A. Davis of Murray, was called to Denver Sunday by the message of the death of his sister-in-law, Mrs. Ray Davis, 56, whose funeral was held on Monday at that place. Mrs. Davis was formerly Miss Adeline Jones, of Lincoln, where she was married to Mr. Davis in 1902, they later moving to Elmwood where they resided until coming to Murray to make their home and where they farmed a place belonging to the Anderson estate near Murray for several years. Twenty years ago they moved to Denver where they have since resided. Mrs. Davis has been very sick for some time and spinal meningitis developed to cause her death. Mr. and Mrs. Davis were parents of two sons and three daughters who with her mother at Lincoln, one sister and two brothers survive.

### HERE FROM NORTH PLATTE

Mrs. Cliff Jewell of North Platte, Nebraska, is in Plattsmouth visiting her parents, Mr. and Mrs. Robert H. Fitch, her sister, Marjorie, and her brother, Robert Fitch, Jr., and family. Mrs. Jewell spent the Easter holidays here and will spend some time here before returning to her home.

### ATTEND FUNERAL SERVICES

From Wednesday's Daily—Misses Dorothy Glock and Garnett Claire were in Fremont this afternoon where they attended the funeral of Mrs. David Fowler, mother of David Fowler, music instructor at the Plattsmouth high school. The services were held this afternoon at 2 o'clock and were very largely attended.

### CARD OF THANKS

To our many kind friends and patrons, we wish to express our sincere gratitude in adding to us to win the Tenth Weekly Prize of the Rural School Contest.—The Pupils and Teacher, June Kell, of Dist. 42.

### MAKES GUILTY PLEA

### Sound Logic

Do not be deceived by buyers of Cream at Cream Stations who tell you they set the price for Cream. We have no cream stations and therefore have no station expense or transportation cost. When we buy your Cream the amount you are paid (always a top price) is our only cost. We have the same overhead if we churn a large or small amount each week, therefore it is very plain that the more cream we receive the more money we can pay for your cream. Help us to operate at capacity by bringing us more cream, and we can pay you still higher prices for it.
