

May Day Fete Was A Grand Success

Weeping Water Junior Chamber of Commerce Sponsors Event—A Large Crowd Present

Tuesday was indeed a busy day for the people of Weeping Water and the May Day Fete sponsored by the Junior Chamber of Commerce was a success in every way.

With the outdoor setting in Wolcott's pasture adjoining town on the west, an abundance of spring flowers combined with the soft colors of the dresses worn by the girls and the white suits worn by the boys, and most important of all, the May poles with their dainty colored streamers all combined to make a colorful setting for the afternoon program.

Automobiles were parked in a circle and seats were provided for others. The queen's throne faced the south.

At 1:30, four trumpeters appeared and gave the signal for the orchestra to open the program and signal the coming of the May Queen (Miss Dorothy Everett) and her attendants in their slow dignified march to the throne. Miss Everett was charming and regal in white satin with a long train which was borne by four small attendants. Her ladies in waiting were dressed in the soft spring shades and made a most attractive picture as they grouped themselves around their queen.

Supt. Behrens announced the program by means of a loud speaker. Jean G. Jones led the orchestra and Miss Evelyn Long presided at the piano, while all of the teachers of the school were busy assisting in some way to make the Fete a suc-

cess. William Joyce, president of the Junior Chamber of Commerce and his force of men were busy caring for the crowd and assisting the teachers in every way.

It seems almost unfair to fail to mention every one who took part by name, but lack of space forbids. The teachers of our school deserve great credit for the excellent performance of all who took part. Everything went smoothly from the beginning on the end, and the beautiful picture that was presented will linger long in the minds of all who were present.

At the close of the program by the school children, there was a baseball game between the Plattsmouth and Weeping Water high schools teams, with Plattsmouth winning, 7 to 1.

Musical Program in Evening
At eight o'clock in the evening, the Plattsmouth American Legion Junior Drum and Bugle Corps gave a fine concert and drill on Main street, with a large crowd in attendance. This well trained group of young musicians made a fine appearance in their good looking uniforms and their excellent playing and carefully executed drill maneuvers brought forth repeated applause from the large audience. Plattsmouth is to be congratulated on this splendid organization. They would be a great asset to any city, and Weeping Water appreciates the fact that they came over to appear on Tuesday evening's program.

As a fitting close to the day's festivities, the Weeping Water band, under the direction of Dr. L. N. Kunkel, gave a most excellent concert, the first of the season, which also was greatly enjoyed by everyone present.

The Weeping Water May Day Fete was a success in every way.

ASKS PROPERTY SET OUT OF CITY

From Tuesday's Daily—
In an action filed in the district court today, Leona Maupin, Lee Julian and Jean Julian, his wife, ask to have their real estate in the south part of the city, set out of the corporate limits of the city.

The property involved is lots 17, 18, 19, and 20, located in Porter Place addition and lot ten in the northwest quarter of the northwest quarter of section 30, township 12, north range 14.

The petition sets forth that the property is used for agricultural purposes only and that there is no public improvements such as walks, light or water service to their property and therefore they wish to have the property removed from the city and placed in Plattsmouth precinct.

PLAN ADVANCEMENT PROGRAM

County Superintendent Lora Lloyd Kieck was at Nebraska City Tuesday to attend a meeting of superintendents in the second district of the State Teachers association.

Mrs. Kieck is busy arranging for the annual eighth grade promotional exercises to be held at Weeping Water on Saturday, May 20th. The exercises will be held at the Congregational church and a very fine program has been arranged for the occasion.

Year End Meeting of Club Held Tuesday

Weeping Water Woman's Club Entertains State, District and County Officers Tuesday

The Weeping Water Woman's club held their last regular meeting for this year Tuesday afternoon at the home of Mrs. L. P. Wolcott, when they entertained the state, district and county officers. Mrs. L. Behrens presided.

Mrs. Keichel was unable to attend. Those who were present were Mrs. C. R. Caley, state vice president; Miss Evelyn Wolph, state president of Home Demonstration Council; Mrs. Ray Norris, state chairman of Rural Clubs and Rural Life; Mrs. W. S. McGrew, first district president; Mrs. R. D. Mershon, first district vice president; Mrs. R. E. Uhley, first district secretary; Mrs. G. R. Eveland, Cass county president; Mrs. J. M. Kokjer, Cass county vice president; Mrs. John Hay, Cass county.

The visiting guests were introduced after which Mrs. H. A. Harmon had charge of the musical program which followed.

Mrs. Neil Robson sang a group of three numbers, "Friend of Mine," "Thank God for a Garden," and "Does God Love America." She was accompanied by Miss Marguerite Hartman.

Mrs. Carl E. Day rendered two piano solos, "Pene D Amoure" and "Punchinello."

Duane Harmon sang a group of three songs, "The Minstrel," "Immortalis" and "The Arrow." As an encore number he sang "Jeannie with the Light Brown Hair."

Jack Harmon and George Olive sang two duets, "Sweet and Low" and "Santa Lucia." They were accompanied by Mrs. C. O. Herman.

As the closing numbers, Duane Harmon and Miss Yvonne Gaylord played two trumpet duets, "Swiss Boy" and "The World is Waiting for the Sunrise," accompanied by Mrs. H. A. Harmon.

The guests were then invited to the dining room where tea, cakes and ice cream and mints were served from a beautifully appointed table, having a centerpiece of pink and white snapdragons and tulips.

Mrs. F. H. Gorder poured tea and Mrs. Ole Olsen served the ice cream. Others assisting in the dining room were Mrs. J. S. Shrauger, Mrs. A. C. Peterson, Mrs. Claire Wolfe and Mrs. T. L. Jones.

FOUR-MILE COMMUNITY CLUB

A very enjoyable meeting of the Four-Mile Community club was held May 9 at the home of Mrs. Earl Becker. Roll call was answered by each one telling a childhood memory.

Election of officers for the next club year resulted in re-election of the same officers, they being Mrs. Elmer Tritsch, president; Mrs. Ralph Wehrbein, vice-president; Mrs. Leonard Stoehr, secretary-treasurer; Mrs. C. L. Mayabb, reporter.

A committee was appointed to make arrangements for the annual picnic which will be held June 4th. It was decided to continue as a study club next year.

At the close of the business meeting Mrs. Ralph Wehrbein gave the lesson for the day which was "Children Among Children."

A round table discussion was held

which was very interesting. It was decided there could be no set rules but to meet each problem in the best way possible as no rule works in all cases.

At the close of the meeting luncheon was played. Mrs. Henry Born and Mrs. Leonard Born were the prize winners.

Delicious refreshments were served by the hostesses, Mrs. Joseph Bierl and Mrs. Earl Becker.

L. O. Minor Has a Serious Injury from an Accident

In Fall at Home at Kankakee, Illinois, Has Fracture of Pelvic Bone and Also Wrist.

Word was received here late Saturday by Mr. and Mrs. T. H. Pollock, of the serious injury suffered by their son-in-law, Lynn O. Minor, manager of the Kankakee Water Co., of Kankakee, Illinois, to which place the family moved a month ago.

The Minors had just got settled nicely in their new home in one of the select residential sections of Kankakee where the accident occurred. The residence is located on a higher level than the garage and here was where the accident occurred.

Mr. Minor had gone out Friday evening to lock the garage door and coming around the house had apparently stepped off suddenly from the

walk and was plunged to the concrete driveway, a distance of several feet. In the fall Mr. Minor sustained the fracture of the left wrist and also a fracture of the pelvic bone, a most serious injury. Mrs. Minor had missed her husband a few minutes after he failed to return to the house and had gone out to see why he had failed to return and discovered him in the driveway of the garage. A physician resides near the Minor home and who was called and at once had the injured man removed to a hospital for treatment and care.

The many friends here regret to learn of the accident and trust that Mr. Minor may have a successful and speedy recovery from the effects of the accident.
