STEALS WATCH—GOES TO JAIL

From Thursday's Daily—

There was considerable excitement at the village of Union Wednesday when Sheriff Joe Mrasek and Deputy Sheriff E. J. Doody, were called there to investigate a robbery which had occurred at the LaRue home. A colored man, giving the name of David Hawkins, had drifted into the city from the south and started to visit the various places to try and secure food or what have you. He had visited the LaRue home and found the screen unlocked, opened this and discovered on a table in the house a ladies wrist watch and a box of candy, the property of Millie LaRue. The temptation was too great, he fell into evil ways and escaped with the articles but was later captured.

This morning in the county court he made a plea of guilty to the charge and was given a fine of \$100 and costs and in failure to pay the same was turned over to the custody of the sheriff until the demands of justice are satisfied.
