## DEATH DUE TO INFECTION

Reports on the autopsy on Lee Capper, local youth, who died at Omaha on Friday, show that the cause of death was not that of appendicitis but rather of the nature of an infection that had spread and made difficult handling of the case.

In a report of the autopsy made to Dr. R. P. Westover, the following was given:

"As to the cause of his infection, some small cut or abrasion could be behind it. Possibly in his case, the fact that he went swimming five or six days before in the cold Platte river may be the source of his infection. Anyway, the mortality rate in such cases is 100 per cent and the rapidity of the decline of his general condition Thursday night demonstrated the severity of his infection."

Mrs. Ray Norris, in charge of the Red Cross swimming demonstration each year has found that water in the swimming pools and beaches is exceptionally pure and this year there will be tests made to see that the high standard is maintained.

## Mrs. James Jelinek Passes Away Sunday

Pioneer Czech Citizen Dies at 5:45 a. m. Following a Week's Illness, at Age of 81 Years.

Sunday morning at 5:45 Mrs. James Jelinek, 81, pioneer and loved figure in this city, passed away at the home of her daughter, Mrs. Anna Zitka in the west part of the city where she has made her home for many years. Despite her advanced age, Mrs. Jelinek had seemed to be in very good health, but Sunday, June 4, she was taken ill, her illness later developing into pneumonia. The last four days her condition was very critical, such that little hope of her recovery was held and members of the family from distant points were called, they all being present when the last summons came.

Mary Semerad, daughter of Vaclav and Barbara Semerad, was born in Czechoslovakia on February 12, 1858, growing to womanhood in her native land and where she was united in marriage to James Jelinek. In 1891 Mr. and Mrs. Jelinek with their two daughters, Mrs. John Jaske and Mrs. Anna Zitka came to America to make their home. They came directly to Nebraska, settling in Plattsmouth. Mr. and Mrs. Jelinek were among the leading Czech families coming to America and who also settled in the west part of this city in the latter part of the nineteenth century where they both resided until their death.

They were also one of the first families of the Holy Rosary church on its organization on October 4, 1891, and both have been very devoted members of this church. Mrs. Jelinek was very active in the societies of the church, she being a member of the Altar society and St. Ludmilla's society at the time of her passing.

On November 12, 1909, the beloved husband, James Jelinek passed away, leaving the wife and four daughters alone through life. For many years Mrs. Jelinek had resided on the family homestead, following her husband's death and in her advanced years she was forced to retire, making her home largely at the Zitka home.

Mrs. Jelinek leaves to mourn her death four daughters, Mrs. John Jaske (Lillian) of Los Angeles, California, Mrs. John Gruidel (Mary) of Omaha, Mrs. James Sedlak (Hermie) and Mrs. Joseph Zitka (Anna) of this city. One sister, Mrs. Anna Skvaril of Omaha, sixteen grandchildren and five great-grandchildren also mourn the passing of the sister and grandmother. Mrs. Frank Konfrat of this city is a niece of the deceased.
