TO PRESENT GIFT

A very fine contribution has been made to the Presbyterian church building in the replacing of the vestibule doors with new doors of latest design. These doors are the gift of Mrs. John Tidball in memory of her husband John Tidball who passed from us two years ago this May. It is a very fitting tribute to Mr. Tidball because he was a very frequent opener of these doors by his regular attendance at church services. This gift by Mrs. Tidball is very greatly appreciated by the members of the congregation. They will be a constant reminder of Mr. Tidball's happy presence and service among us for the many years he lived here.

The ladies of our Federation have also performed a gracious work by changing the doors of the vestibule which have been sealed shut for many years since the platform leading to them was removed years ago. They have replaced the doors by substantial leaded windows, which with a new flooring of heavy linoleum all harmonizing with the new doors make a beautiful and pleasing effect as one enters the church. A dedication service for this new addition to our beautiful church will be held tomorrow morning.
