JOINS JOURNAL FAMILY

Bert Jameson of Omaha stopped in Wednesday evening en route home from a trip to Weeping Water to look after his farming interests, and had us enter his subscription to the Semi-Weekly Journal for the coming year. For a long time, when they were residents of the Weeping Water neighborhood, the Jamesons were regular readers of the Journal. "Ever since we moved to Omaha" (several years ago), said Mr. Jameson, "my wife has been wanting the Journal, but we just never got around to subscribing till now."

The Journal's wide coverage of Cass county news and the same low price for its semi-weekly edition that weekly papers charge, is bringing many new readers, whom we welcome to the Journal's growing family of subscribers.

The members of the George Olson family here have received the report of the good condition of Mrs. George Olson who is in the University hospital. Mrs. Olson was operated on at the hospital some time ago and since that time has been recuperating there, and it is hoped that she may be able to return to her home soon.

Miss Marjorie Emmert, daughter of Mr. and Mrs. W. F. Emmert of this city, returned to Plattsmouth Sunday after spending the past month in River Sioux, Iowa, visiting with her brother-in-law and sister, Mr. and Mrs. Clarence Osman. Mr. and Mrs. Osman are former residents of this city.

Her son is a medical graduate of the Creighton University in the year of 1938. Following his graduation he was sent out to Portland where he has since been stationed. He is the only son of Mr. and Mrs. Kerbel.

DEATH OF MRS. N. E. SCOTT

Fair to the East of Us; Fair to West of Us

Some Loyal Supporter of Korn Klub to be Rewarded with Trip for Two to One or Other.

When the sun rises in the east and when it goes down in the golden west, it shines down upon a World's Fair in each case. With two World's Fairs in full bloom at the same time, even out here in the middle west we are fast becoming World's Fair minded and quite a few Cass county people have already seen or plan to see one of the big shows—some are considering the circle tour to take them both in.

If you would like to go to either of these fairs and take somebody with you and both of you go first class with a free seven day tour of the fair, here is something of great interest to you:
The King Korn Klub, collaborating

with the Junior Chamber of Commerce and the Junior Woman's club, are sponsoring two first class free trips to either World's Fair—the one of your choice.

Certainly you cannot afford to miss this opportunity. For further information see any member of the organizations mentioned above. This is almost too good to be true... but it is true, every word of it.
