Local Legion Team Winners from Elmwood

Game Goes to Extra Inning to Give
Plattsmouth Team 8 to 3 Win;
Elmwood Defense Weakens.

The Plattsmouth Junior American Legion baseball team paid a visit to Murdock Tuesday afternoon to contest with the Elmwood Legion team, the locals winning 8 to 3 in an eighth inning finish after the two teams had staged a hard fought battle.

The scoring of the game was accounted for largely by walks for both teams as well as three Platts batters being hit in the eighth frame to make possible their scoring.

Elmwood opened the scoring in the third inning when McDonald was walked to the initial sack and scored on an error at short for the first tally of the game.

In the fifth inning the Plattsmouth team came out in front when Turner walked Jimmie Jones and who scored on the blow of Joe York. York was advanced to third base and from where he scored when Albee laid down a bunt. The Elmwood team in their half of the inning were able to tie up the score when McDonald was again given free transportation to first and scored on the hit of Brinton.

With the score tied in the seventh an extra inning was necessary and in which the Plattmers proceeded to score six runs as their opponents loosened their defense. Three men were hit by Turner, two errors added to the confusion and two hits made possible the scoring of the Plattmers. Elmwood in their half of the inning

registered no, Brinton hitting a triple and scored when the throw-in was missed.
Ed Smith did some excellent work on the mound, giving but four hits while Turner for Elmwood was nipped for six blows.
York and Noble accounted for five of the local hits.
The box score of the game was as follows:

INSTALL AIR CONDITIONING

The Jacobs cafe on Main street just west of the Tastee shop, has completed and has in operation a very fine system of air conditioning that makes their modern and well arranged cafe a most pleasant spot ever in the hottest weather. The plant is operated by means of water cooling and is arranged to care for the kitchen as well as the dining room and makes it much more comfortable for the staff as well as the patrons of the place.

FIND DROWNED BOY

EAST RUTHERFORD, N. J., July 1 (UP)—Searchers found the body of six-year old Arthur Unger today in a sewer where he had been washed from the street to drown during a cloudburst yesterday along with 11-year-old girl and two men who tried to rescue the girl.

Bodies of the girl, Sophie Kostophias and the men, William Steigelman 50, and Louis H. Pfeiff, 37, had been recovered earlier.

BARRED FROM HOME—SLAYS

HOLLYWOOD, July 1 (UP)—Albert Singer, 65-year-old salesman, today shot and killed his wife and one son, critically wounded another son, and then fled.

A third son, Joseph Singer, 42, told police his father had been barred from home because of excessive drinking and previously had threatened to "knock off every darned one of you and then kill myself."

GARNER DONATES GAVEL

KENT, O. (UP)—J. P. Matthews, president of a Kent civic club, read in a newspaper that Vice-President John N. Garner owned more than 200 gavels. Matthews thereupon wrote Garner and asked a donation of one gavel for the club. Garner sent a gavel especially made for use in the senate.

MARRIED HERE SATURDAY

Saturday evening at the home of Judge and Mrs. A. H. Duxbury occurred the marriage of Miss Maxine Loren Salsbury and Maurice Key Axtell, both of Omaha. The wedding was witnessed by a number of the friends from Omaha. The marriage lines were read by Judge Duxbury.

Cass County Picnic is Held at Long Beach

Large Number Gather at Bixby Park to Enjoy Visiting and Discussing Old Times.

The annual Cass county picnic was held at Bixby park, Long Beach, California and proved one of the largest and most interesting meetings of the one-time residents of Cass county who are now living on the west coast and were able to attend the picnic, which was held Sunday, June 11.

The day was given over to the family dinner parties and visiting, the members of the group renewing old times and meeting each other after many months of absence.

At the business session of the association the officers for the past year were all re-elected as follows:

President—Mrs. Helen Sherman Edwards.

Dockage facilities make Plattsmouth an ideal factory site. Welcome and a splendid opportunity to expand should be an inducement to those contemplating a change in location from the more thickly populated centers and flood areas of the east.

SEND STRANGER ON WAY

Tuesday evening a stranger collapsed on the Main street and was placed in the hands of Sheriff Joe Mrasek to be cared for at the county jail. It was found that the man was evidently a dope user and had collapsed from lack of the drugs that he had been using. Medical aid was called to the county jail and after a "shot" the man revived but was held in custody until this morning when he was sent on his way. The man was taken south to the county line and turned loose with orders to keep on going until far from the boundaries of Cass county.

Quota for CMTC Camp Increased

Announcement from War Department Permits Acceptance of Greater Number at Fort Crook.

OMAHA, June 24—The quota of young men to be trained in the Citizens' Military Training Camps of the Seventh Corps Area this summer has been increased by the War Department, according to an announcement made today by Major General Percy P. Bishop, commanding the Seventh Corps Area.

"This means that we can now give the benefit of this valuable training to more young men," said General Bishop, "and I hope that all who are interested will apply at once, for applications must be considered in the order in which they are received."

Of special interest to young men who will attend these camps is the fact that the new stream-lined Infantry drill recently announced by the War Department will be put into effect in the CMT camps also.

Camps will be held at Fort Leavenworth, Kansas, July 6 to August 4, and at Fort Crook, Nebraska, Fort Des Moines, Iowa, Fort Lincoln, North Dakota, Fort Snelling, Minnesota, and Jefferson Barracks, Missouri, from July 11 to August 9. A camp at Camp Joseph T. Robinson, near Little Rock, Arkansas, will be held from July 20 to August 18.

All necessary expenses in these camps are paid by the government. Transportation to and from camps is furnished, in addition to food, uniforms, and medical and dental attendance. All who are interested should apply to the CMTC officer, Federal Office Building, Omaha, or through J. A. Capwell, local American Legion representative of the Military Training Camps Association.

LEAVE FOR WESTERN HOME

From Wednesday's Daily—Early this morning Mr. and Mrs. George W. Thomas, who have spent several weeks in this part of the west, departed for their home at Los Angeles after a most pleasant stay in this section where they had formerly made their home.

During their stay here they have visited at Des Moines, Lincoln, Omaha and Nebraska City with the relatives and old time friends and had the pleasure of meeting a great many of the associates of the years gone by. Both are members of pioneer families of Cass county and have a great many old friends that enjoyed very much the opportunity of visiting them. Locally they enjoyed visits at the home of Mrs. Pearl Mann, Mrs. W. H. Mann and Mrs. R. A. Bates.

They are making the trip back to the west coast by way of the Lincoln highway and left early today, expecting to reach Cheyenne, Wyoming, by nightfall and will also touch at Salt Lake City on their way to the west.

DRAWS DOWN FINE

From Tuesday's Daily—In the county court this morning Jesse Albert, a resident of Lincoln, was in the court to face a charge of operating a motor vehicle while under the influence of liquor. The man was brought in by the state highway patrol after being picked up north of Union on highway No. 75. The court after hearing his plea of guilty assessed a fine of \$50 and costs and also ordered the suspension of his drivers' license for a period of one year.

MRS. LITTLETON BETHARD RETURNS HOME SUNDAY

Mrs. Littleton Bethard returned to her home here Sunday following a three week's visit at the home of her son and daughter-in-law, Mr. and Mrs. George Bethard in Allerton (Wayne county) Iowa. Mr. Bethard is the proprietor of an up-to-date garage in Allerton.

City Council Holds Regular Meeting Monday

Committee to Consider Matter of New Rural Fire Districts Also Rock Surfacing to Be Pushed.

The city council held a short and very interesting session Monday evening at the city hall with a full attendance of the members present to take part in the discussion of several phases of the city affairs for the coming weeks.

There was some discussion of the matter of the WPA project for the revision of the city ordinances, a matter that has been pending since last summer. The League of Nebraska Municipalities had a letter read on the subject and after its consideration the council decided to let the matter rest as it is at the present time.

Mayor Lushinsky reported that the general health of the city was excellent, the only contagious cases of disease being one case of German measles. Two cases of chicken pox were also reported by one of the councilmen.

Discuss Bicycle Problem

In regard to an ordinance on bicycle riding and regulation, Chairman Rebal of the judiciary committee, felt that the seeking of co-operation of the young people and education of the riders as to dangers as well as that of the pedestrians would do more good than a more severe restrictive ordinance. It was suggested that the committee secure a pamphlet of does and don'ts for the riders and provide each youngster with numbers and registration for the bicycles and which also would afford more protection against stealing of the cycles.

Chairman Webb of the tax and property committee reported that the committee had answered the complaints of the state fire prevention association.

Chairman Webb also called attention to the fact that the sale of tax foreclosure properties would be held on Saturday. On motion the finance, tax and property committees and the mayor be authorized to represent the city in the sale.

Chairman Gabelman of the streets, alleys and bridges committee, reported that the rain had done some damage to the dirt streets in roughing them up. He also urged that the parking signs on Sixth street from Vine to Pearl be repainted as many evidently could not see the parallel parking signs.

Chairman Tickotter of the license committee presented a notice from the Hotel Plattsmouth that Clyde Rosboroug had been named as manager of the tavern, license for which is held by the hotel. This was approved and the state liquor commission will be so advised.

To Seek Fire Districts

Chairman Schutz of the fire and water committee, reported that the city drinking fountains were in order and also the committee had been giving some study to L. B. 336, pertaining to the rural fire fighting districts. It was provided that these districts were organized by the residents of the districts, sixty per cent being required to create the district, that they then elect officers for the district and provide for the necessary levy. They then make contact with fire departments of the nearest community. Mr. Schutz reported that he had taken the matter up with V. T. Arn, Jr., president of the fire department and who was to take the question up with the farmers that might be interested in starting the rural fire fighting district. It was voted to leave the matter in the hands of the committee and the fire department for further action.

Chairman Vroman of the lighting committee asked further time on the consideration of an overhead street light on west Main street. The committee also reported that the stop signs had agreed on the price asked by the city and that the one light would

probably be installed soon. Chairman Painter of the police committee took up the matter of the car gas pens or billies which had been sought to sell the police for the use of the city. It was decided to get in touch with the company and confer with the sheriff as to the best types to secure if a purchase is made.

The streets, alleys and bridges committee recommended that the city call for bids for the purchase of a ton and a half dump truck chassis, single wheels. The clerk was ordered to advertise for bids to be opened at the meeting of the city council on Monday, July 24th.

Rock Surfacing of Streets

Mayor Lushinsky reported that at the present time there was 1,740 feet of sewer installed on Chicago avenue, work was getting along better with more men available and the rock supply improving, this having delayed the work for some time.

The matter of the rock surfacing of the city streets and the preparation of necessary plans and specifications by an engineer was discussed at some length by the council and County Surveyor Robert M. Mann, who will make the necessary profile drawings of the proposed districts and where necessary place the markers for future extension of running levels for the streets. The only marker now available is that at Sixth and Main streets in the intersection and from where all levels are laid.

The WPA committee was given the authority to have profile of the districts prepared, negotiate with H. L. Gayer for the rock and the use of rock crusher, to make application for the men that will be necessary for the work and to have cornerstones placed where needed. This was carried out and the committee will go ahead with the work.

FORMER PLATTSMOUTH LADY SEES MONARCHS

Mrs. George Koehnke, en route to her home in Lincoln from New York, stopped in Plattsmouth early Monday morning to spend the week here with her sisters, Mrs. Josephine Janda and Mrs. Rose Bookmeyer. Mrs. Koehnke was fortunate in having the opportunity to see King George and Queen Elizabeth while on their visit in the United States. Mrs. Koehnke was at that time in New York visiting the New York world's fair as well as enjoying a sight-seeing tour and she had a very good view of their majesties, as she stood next to them. She will leave for her home in Lincoln Saturday.

MRS. A. D. BATCHLER IS STILL QUITE ILL IN IOWA

Mrs. Clyde Jackson, who left for Thurman, Iowa Tuesday, June 20 to be at the bedside of her mother, Mrs. A. D. Batchler, returned to her home here Sunday. The Plattsmouth lady's mother has been in very poor health and, although still in a grave condition, Mrs. Jackson returned home.

Gives Rules for Wheat Loans

Taxes Must be Paid and Liens Waived Before Loan will be Certified, Says Co. Chairman

John B. Kaffenberger, acting Cass county chairman of the 1939 Wheat Loan program has just sent out the following letter to wheat producers in this county, outlining the procedure and rules governing the granting of wheat loans. His letter, dated June 23, says:

"As the 1939 wheat loans will be starting within a very short time, we are sending out letters of information as to the qualifications necessary for those producers desiring to get a wheat loan under the 1939 program.

"Eligible producers are any persons, partnerships, associations, or corporations producing wheat, on whose farm the allotment set up as the 1939 wheat acreage, under the 1939 Agricultural Conservation Program has not been exceeded. If a farm has been designated as a non-wheat allotment farm, the wheat produced on this farm will not be eligible for a wheat loan.

"Wheat of an acceptable quality for a loan shall be of any class grading No. 3 or better; or wheat grading No. 4 or No. 5 solely on test weight, but otherwise grading No. 3 or better. Wheat grading tough shall not be considered eligible for a loan.

"The bin or granary used for farm storage of wheat shall be a substantial and permanent structure which will: (1) Hold the grain without loss of quantity; (2) protect the grain from rain, snow, and ground water; (3) provide protection from damage by birds, mice, rats and other animals; (4) be suitable for effective fumigation for the destruction of insects; (5) provide reasonable protection against loss by fire or wind; (6) require forcible breaking in order to be entered when sealed.

"The granary should be in or near the farmstead group for protection against loss by theft, but is should be far enough from other buildings and from stacks of straw, hay, etc., to reduce fire danger. No bin will be acceptable for a loan if it is in a livestock barn. No loan will be made for farm storage until the wheat has been stored for 30 days.

"All liens listed on the county records must be waived before a loan may be certified. All delinquent personal taxes must be paid before a loan will be certified.

"The loan rate on No. 2 Hard Winter Wheat will be 68 cents a bushel. The loan rates for all grades of wheat will be based on No. 2 Hard Winter. This rate will vary according to the degree of dockage for smut or garlick. The total number of bushels are computed on the basis of a test weight of sixty pounds per bushel. Producers having protein value in their wheat should request a protein analysis and receive the protein premium in the loan rate.

"Further information regarding 1939 Wheat Loans will be available at the County Agricultural Conservation Office.—Very truly yours—John B. Kaffenberger, Acting Chairman Cass County."

CAREER STORY

BOBBY BREEN, juvenile singing sensation of films and radio, was born in Montreal, Canada, on November 4, 1927. His family moved to Toronto when he was two years old, and there at age of four he made his debut as singer in the Silver Slipper club, carrying on one night each week for the next two years, also singing on radio broadcasts with the club's orchestra. Followed then a year's engagement at the exclusive Savarin restaurant, and many bookings at vaudeville and motion picture theatres. He was taken to Chicago by his sister Sally, and sang at many theatres. New York followed, with an engagement at the Paramount Theatre. Bobby later went into the cast of "Say When" with Harry Richman. He went with his sister to Hollywood, where Producer Sol Lesser heard him sing at the studio of his teacher and immediately placed him under a long-term contract, and starred him first in "Let's Sing Again." Subsequent pictures were "Rainbow on the River" and "Fisherman's Wharf." His current starring role is in "Way Down South." For several seasons Bobby has been featured on Eddie Cantor's radio programs and has also been guest star on broadcasts of Jack Benny, Ben Bernie and others. He sings in French, Italian, Spanish and English, his repertoire including operatic arias and classical songs, as well as popular numbers. Bobby is a rabid baseball fan, and an expert swimmer.
