

Chas. Howards Home from Trip to Dakota

Plattsmouth Young Couple Spend Vacation in South Dakota and Short Time in Minnesota.

Mr. and Mrs. Charles Howard returned to their farm home near this city last week following a short vacation trip in South Dakota, where the largest portion of their time was spent. Mr. and Mrs. W. A. Luke and family, en route to North Hollywood, California, parents of Mrs. Howard, also accompanied their son-in-law and daughter in their own car.

The two automobiles and their occupants left Plattsmouth Saturday, July 15 and motored directly to Watertown, South Dakota. Here they spent several days visiting with Mrs. Luke's brother and sister-in-law, Mr. and Mrs. J. H. Porpor. The Plattsmouth couple were lured to the Kampeke Lakes, a short distance from Watertown, where they spent the recreational part of their time enjoying the cool and refreshing waters of the lake. While in the northeastern part of the United States the Plattsmouth residents also took in a touring and sightseeing trip to Minnesota. The water again seemed most fascinating—the Minnesota great lakes luring Mr. and Mrs. Howard this time.

Following a very enjoyable and most-educating trip, Mr. and Mrs. Howard returned to their home, Wednesday evening, July 19 was the date they reached their destination. Mrs. Howard's parents and brothers and sister motored on to California where they will make their home in the future.

Rotary Club Hears Talk on First Aid Work

Edward Ofe, Local Service Station Manager Tells of Experiences in Handling Accident Cases.

Edward G. Ofe, manager of the Ofe Oil Co., was the guest speaker at the weekly luncheon of the Rotary club Tuesday, giving a very interesting account of the work of the Red Cross in this section, and the development of the first aid work in which his station had played a great part.

Mr. Ofe told of the first introduction of the series of lessons in first aid that had been planned by the Red Cross, the fine results to the people that had enrolled, taken this course and were now full fledged first aid workers.

He also told of the types of accident that the Red Cross first aid worker had usually to meet, which in this community were largely auto accident injuries or drowning cases at the rivers and beaches. From his long experience personally, Mr. Ofe gave many incidents of the first aid work and the need for quick and prompt action in case of accidents, this promptness often being responsible for life saving.

R. W. Knorr, president of the club, gave a report of the district conference held this week at Grand Island for the presidents and secretaries and which he and John E. Frady, secretary, had attended.

N. C. Abbott of Nebraska City, was a guest at the luncheon and told of his visit in Illinois where he was a guest of the Mark Morton family and also touched on the great arborium that has been arranged by the family of J. Sterling Morton, father of Arbor day and tree planting in the west.

It was voted that the club attend in a body the picnic of the Mynard Community club next Tuesday, August 1st.
