

VISIT IN OLD HOME

Mr. and Mrs. James Bridgewater and Mr. and Mrs. D. L. Ramel, of this city, were visitors at Brownville, Nebraska, Sunday, enjoying the homecoming which was staged by the enterprising residents of that community. The Bridgewater and Ramel

families are former residents of Brownville and met many of the old friends while in that city.

RECOVER STOLEN CAR

Tuesday afternoon Sheriff Joe Mrasek and Deputy Sheriff Emery Doody secured a car stolen earlier in

the day at Nebraska City, as well as a colored man who was driving the car at the time. The car and driver were apprehended south of this city some two miles on highway No. 75. The party and car were later turned over to Sheriff Carl Ryder of Otoe county and returned to Nebraska City.

Poultry Wanted

EVERY DAY—ALSO WED. and SAT. NIGHTS

Market still good on heavy hens. Med. sized hens not quite so good. Light hens under 4 lbs. heavily discounted. Spring Chickens—Market terrible unless someone can use a few to retail. Don't sell your good native springs now, hold them back and make 5 or 6 lb. chickens out of them. It will pay you, I am sure. We can use all Leghorn springs you want to bring in at 10c per lb. No use holding them.

EGGS

About 70% of eggs coming in are badly affected with the heat, causing a heavy reduction in price when we try to sell them. Gather them twice daily and keep in basement where dry if possible. Our prices will be in line if you've got the quality.

CREAM

Cream is also being affected by hot weather, causing a large amount of under grade butter. And when the market becomes overrun with low grade butter it also has some effect on the current price of first grade butter.

Special care should be taken on all produce during August and Sept. COUNTRY SERVICE ON POULTRY

Street Dance Draws Great Crowd Wed.

South Fourth Street Scene of Dancing Party Which With Spectators Numbers Some 2,000.

The free street dance arranged by the business men and residents of the eastern portion of Main street, last evening drew a great crowd to South Fourth street where the dancing party was to be staged.

The crowd at the peak of the festivities was estimated at 2,000 and the space provided for the dancing was wholly inadequate for those who desired to take part. It was a crowd that could easily have filled the half block with ease in dancing outside of the hundreds of spectators that were seated and thronged the sidewalks to watch the festive scene.

The Peter Gradoville orchestra was on the job to furnish the music and gave a fine program of the enticing dance melodies. The orchestra had a stage arranged just east of the Richey lumber yard office that had been prepared by Mr. Richey for the festivity.

The committee in charge of the event, F. M. Bestor, Fred Lugsch and V. F. Kelley, Sr., worked hard on the proposition and Mr. Kelley was on the job Wednesday looking after the final details of the arrangements and getting the dance under way.

GUESTS AT GALLAND HOME

Mr. and Mrs. Byron Galland of this city have as house guests at this time Mr. and Mrs. Harold Galland and two children, Chester and Dennis of Los Angeles, California. Mr. and Mrs. Galland, the former a brother of Byron, were in Iowa for several days visiting with the couple's parents. They will be in Plattsmouth a few days before returning to their home.

HEAR GUARDIANSHIP MATTER

From Tuesday's Daily—This morning in the county court a compromise was reached in the guardianship of Sophia Nielsen, incompetent, of Murdock. A mortgage held by Mrs. Rose Von Lackum, of Omaha, was turned over to the guardian in consideration of \$2,000 to settle the issues in the case.
