Chicken stealing is about the lowest form of thieving a man can do. Some tired housewife works for weeks caring for her chickens and then some lazy good-for-nothing comes along and carries them away. A few weeks ago there was a group of six women who lived in the same neighborhood and organized a club which met every two weeks. This group was broken up when one of their number, Mrs. Ernest Hanning, moved to Waverly. This week they were reminded that Mrs. Hanning's birthday occurred on Tuesday, so they prepared a fine chicken dinner and were taken to Waverly by S. Ray Smith, who enjoyed the day as much as the ladies did. As his car would not hold so many people and so many baskets of food, they decided to take the truck. All went fine until they encountered a hard rain near Eagle, whereupon they covered themselves with heavy comforters as in days of yore when riding in wagons, and went merrily on. Every one reports a fine time. Those who went were Mrs. Robert Eaker, Mrs. W. H. Partridge, Mrs. Frank Wildrick, Mrs. Fred Wildrick and Mr. and Mrs. S. Ray Smith, Orville Hanning and wife, who had recently moved to Waverly, were also present. Again Using Tennis Court. Two years ago, Ole Olsen donated ground for a tennis court to the young people of the community. It was used until this spring, when it was allowed to grow up in weeds. Last Saturday a group of young men appeared and the weeds rapidly disappeared. By Monday evening the court was again in good order for playing. It is a fine court next to the Olsen apartments, and it will give pleasure to a great many young people this summer and fall. It is too bad that more men are not public spirited enough to allow the young people the use of their vacant lots. On the other hand, the young people should be appreciative enough to take care of the grounds after they are donated. Two New H. S. Teachers. Jones, who accompanied the singers. Lieutenant Wm. B. Morgan was the announcer. Some very fine work was done by the soloists, Lawrence Hauseman, Lawrence Pfister, Roger Theobald, Harry Portland and Warren French. Camp Fire Girls Entertain. Hard times is usually a sad subject but when a bunch of Camp Fire Girls give a Hard Times party that is quite a different matter for there was nothing said about their party Friday evening when they entertained the Camp Fire girls from Louisville at the American Legion hall. Mrs. Brunson, guardian and Mrs. Crawford, assistant guardian accompanied the girls and entered into the fun of old time games, riddles and an old fashioned lunch when the orangeade was served from a bucket and they drank from a dipper. Presenting Pictures Before Weeping Water Gardeners. It is not often that a busy business man takes time to travel several miles and give an evening's entertainment which brought him no recompense whatever except the great pleasure which it brought to his audience. Mr. Emil J. Weyrich, of Plattsmouth is a busy druggist who loves flowers, and who loves to travel, and at the same time he delights in taking pictures of all of the beautiful flowers and of the interesting spots when traveling. He calls himself an "amateur photographer" but after seeing the pictures which he showed Friday evening at the meeting of the Weeping Water Garden club at the Methodist church, one fails to catch the distinction between an amateur and a photographer who doesn't hesitate to call himself an artist, for it would be hard to find pictures which are more natural and more perfect in coloring than those shown by Mr. Weyrich. He came fully equipped with his own portable screen and his own moving picture projector, and first showed pictures taken in Jasper's green house at Plattsmouth and then in his own garden, even to getting one acquainted with the birds who use his bird bath, the bees who are in the heart of his flowers and his dog, who seems perfectly at home in his garden. He then took his audience east to the Tulip Festival at Pella, Iowa, showing the quaint costumes of the people and the tulips which are cultivated for the occasion. He then turned west and the audience traveled with him through Wyoming to Thermopolis, to Yellowstone park, visited the cliff dwellers ruins in New Mexico, and saw the beauties of Estes Park. As it is vacation time and some of the members are away they missed a rare treat. Guests were invited to take their place for the evening, and four guests from the Avoca Garden club were present. They were Mrs. Albert Sill, Mrs. J. F. F. Rugh, Miss Bertha Neumaster and Mrs. Edd Morley. were also enjoyed. Peggy Amick was in charge of the program. Miss Mayme Michelson, guardian, and Miss Ruth Wade, assistant guardian supervised all arrangements. Visit in Weeping Water. Mr. and Mrs. C. H. Harmon (Ruby Smith) and daughter, Katharine, of Dupont, Illinois, and Mrs. Harmon's brother, Dick Smith, were Weeping Water visitors Friday afternoon. MEN LOVE GIRLS WITH PEP. If you are peppy and full of fun, men will invite you to dances and parties. BUT if you are cross, listless and tired, men won't be interested. Men don't like "cross" girls. When they go to parties they want girls who are full of pep. So in case you need a good general system tonic, remember for 3 generations one woman has told another how to go "smiling thru" with Lydia E. Pinkham's Vegetable Compound. It helps build up more physical resistance and thus aids in giving you more pep and lessens distress from female functional disorders. You'll find Pinkham's Compound WELL WORTH TRYING!
