JUDGE REEKER TO SPEAK AT AUXILIARY CONVENTION

Judge Ernest L. Reeker, of Madison county, is to speak at the Child Welfare breakfast held in conjunction with the American Legion Auxiliary convention at Plattsmouth. The convention dates, like those of the Legion, are August 27-28-29. The breakfast for unit Child Welfare chairmen and other delegates desiring to attend will be held Monday morning, August 28, at 7:30 at the Cornhusker, which is Auxiliary headquarters during the convention. The Legion is holding forth at the Hotel Lincoln. Judge Reeker is a well known authority on children's problems and at the present time is writing a series of case histories for the Journal under the title "Children at the Crossroads," which is eliciting much favorable comment from among our readers. The Child Welfare breakfasts, usually an occasion for disseminating statistics, this year should prove interesting and informative with such an enlightening speaker as the "Kids' Judge" from Madison county—especially if his discourse is as touching as some of the case histories from his pen appearing in the Daily Journal on Saturdays and the Semi-Weekly Journal on Mondays.

RECEIVES FINE PROMOTION

Mr. and Mrs. Charles Howard have returned home from Newman Grove, Nebraska, where they have been visiting at the home of Mr. and Mrs. Lee Myers, the latter formerly Miss Jeanne Ray, both being former teachers in the Plattsmouth school system. Mr. Myers has been music instructor in the school at Newman Grove for the past year but has been elected to the music department of the Norfolk city schools, one of the largest in the state. Mr. Myers made a fine record while in the Plattsmouth schools and the former friends and students will be pleased to learn that he was received such a fine recognition.
