Mrs. Spohn has not been in the best of health for some time past and has been invalid for the past several months, and has received the care of the devoted husband and loving daughter, the son Richard having his home in Lincoln. months she received the devoted care of the family, and was ever conscious of the approaching end which she met with an abundant faith of the hereafter.

Weeping Water Garden Club.

The regular meeting of the Weeping Water Garden club was held Friday evening in the American Legion hall, with Mrs. H. C. Wilkinson presiding and Mrs. Ole Olsen secretary pro tem. Ranney, who introduced the speakers of the evening, Mrs. Thomas Murty, who read a paper on the "Famous Gardens of America," and Mrs. H. C. Wilkinson, who had as her subject, "Suitable Flower Containers." Mrs. Murty gave examples of some of nature's famous gardens, and then took her listeners to visit different types of gardens and in different part of the country. Thus gardens are the culmination of the dream of some man who loved flowers and saw possibilities in his own particular spot.

Mrs. Wilkinson had arranged a display of flower containers, which were used at the close of her talk to illustrate the proper or improper use of the containers, and advising the use of plain containers which would not detract from the beauty of the flowers to be placed in them. At the close of her talk a forum was held on the subject and much information was gained.

Two gifted young musicians, pupils of Mrs. H. A. Harmon, were present and delighted the members of the club with their rendition of "Iris" a piano solo by Miss Minerva Sleifert, of Wabash and a vocal solo, "Buy My Violets" by Miss Rose May Ronne.
