

# Platters Win Opening Game Friday, 25 to 0

### Show Power in the Opening Classic at Fair Against the Weeping Water Team.

Friday afternoon in the intense heat that prevailed the Plattsmouth high school football team became even hotter than the weather to smother the heavier and more experienced Weeping Water team by the score of 25 to 0.

In the battle Coach B. A. Hoffman shifted all of his players into the fight to receive their tests and some excellent work was shown by the younger members of the group that aided in the scoring smashes of the team.

The opening quarter was without result as to scoring, but was telling on the hard fighting line which bore the shock of the attacks.

In the second quarter Coach Hoffman commenced his shift of the players and which clicked for the first touchdown. Gradoville, Lester on the line, Phillips at center were placed in the game at this stage of the battle and aided in the advance of the ball. The team advanced the ball into enemy territory in passing attacks and a pass from Noble to Yelick gave the score as Yelick raced over for the tally but the try for point hobbled and left the locals leading 6 to 0.

The Platters scored again in the second on the fast work of Pettit who recovered a punt and fell across the line for the second touchdown of the game. Bill Steinkamp, captain of the team scored the extra point on a line smash to make the score 13 to 0.

In the third period the Platters were shifted and clicked well in the new combination that added to the scoring. Bill Knorr secured the ball and was off on a very brilliant end run that netted some thirty yards and brought the ball to the shadows of the Weeping Water goal posts from where Lars Larson smashed through the line for the touchdown to bring up the tally to 19 to 0, the try for point being ineffective.

In the last of the third the Weeping Water defense was more effective and while the locals carried the ball into the Weeping Water territory they were unable to get over the goal line.

The final score of the Platters came in the last quarter when the pass of Weeping Water was intercepted by White and carried to the twenty yard line of the visitors and where it was recovered by Weeping Water on a fumble. Lester caught the ball and carried it to the fifteen yard line for the Platters and then Steinkamp advanced the ball to the Weeping Water goal line where White in an off tackle play carried the ball over for the final touchdown.

The fine work and excellent fighting spirit shown by the team in the initial combat was such that the fans present appreciated the fact that the locals had one of the hardest working teams in several years. In the line of work of York, Jones, Davis, Stava, Powell, Devoe, Allbee, Phillips, Gradoville, Lester, Dall, McBride, Knorr, Gayer, Nave, Clويد, showed well all through the game. Noble and Smith at the quarterback job both showed well as did the halfbacks, Yelick, White, Richter, Larson, Martin and Steinkamp, who filled the fullback position in a most efficient manner.

The home folks will have the opportunity of seeing the Platters in action next Wednesday afternoon at Athletic park when Glenwood comes here for the annual struggle and which will be a feature of the King Korn Carnival.

## Local Baseball Player Closes Season's Work

Harley Street Back Home After Season Spent in the Professional Ball Circuits.

Harley Street, local young man, who has been playing in professional baseball this season, has returned home with the folding up of the schedule of several of the smaller leagues where he has been used as a pitcher.

Harley had a fine record here in his work with the Plattsmouth team in the Twin Valley league and which attracted the attention of the scouts for the St. Louis Cardinals and also the Browns of the American league, the result being that the Cards secured his signature and last spring at the opening of the training season he was sent to Springfield, Missouri, one of the training camps of the Cardinals.

One of the most pleasant of the playing assignments was that with the Portsmouth team of the Mid-Atlantic league. Portsmouth has a very fine park and is a most pleasant little city, with many other good towns such as Dayton and Akron, Ohio, in the league, making one of the best and fastest of the smaller professional ball groups. Harley closed the season at Springfield after playing a short time at Williams, West Virginia, in the Mountain State league.
