

THE COUNTY FUNDS.

Commercial Bank of Louisville Gets the County's Cash.

INCREASED RATES OF INTEREST

The New Contract Shuts Off Litigation, in Addition to Increasing the Interest Earnings on the Various Funds—Other Notes

The letting of the county funds to the bank or corporation offering the highest rate of interest was taken up by County Treasurer Eickhoff Monday afternoon, and resulted in the funds being awarded to the Commercial bank of Louisville, at an annual rate of 4.55 per cent for all funds, with the contract to extend throughout a period of two years. The bids offered by the several banks, were as follows:

Bank	Rate
Bank of Commerce, Louisville	4.55
Bank of Cass County, Plattsmouth	4.55
First National, Plattsmouth	4.55
Citizens', Plattsmouth	4.55
Exchange, Elmwood	4.00
State, Elmwood	4.00
First National, Greenwood	4.50
First National, Weeping Water	4.00

During the past two years the First National of Greenwood has had possession of the county funds, at the same rate which the bank asked for a renewal—as noted in the above list of bids. The amount of interest paid to the county on the funds for the same period was \$5,702.05, but of that sum over \$2,000 was paid by the Greenwood bank under protest, and a suit is now pending in the courts between the county and the bank in regard to the matter, the difficulty arising over the claim made by the bank people that it was exempt from paying interests on certain funds. Under the contract with the new depository, the Commercial of Louisville, it is specifically understood that 4.55 per cent. shall be paid on all funds deposited by the county. The new contract is thus more advantageous to the county than the one in force for the past two years, as the interest rate is larger and as there is no existing possibility of the county being forced to collect the interest in the courts.

The Commissioners' Estimate.

The county commissioners this morning completed their estimate of the funds needed to operate the county government during the current year. The estimate in detail is as follows:

Court expenses	\$10,000
County commissioners' salary	2,500
Assessing county and making returns	3,000
Salary county superintendent	1,200
Printing tax list for '92	900
Books, blanks, printing and stationery	3,500
Election expenses	1,800
Fuel for court house, poor house and jail	1,400
Jail expenses and jailor's fees	2,000
Agricultural society	800
County clerk's salary	400
Incidental expenses	5,000
County attorney's salary and expenses	1,200
Bridging	14,000
Road work	20,000
Soldiers' relief fund	1,000
Court house bonds	8,000

Total \$82,700

The above estimate is \$800 less than in '93 and some \$30,000 lower than the estimate of '92.

Justice Must Be Done.

The Elmwood Echo grows foolishly sentimental and publishes the following: "How sad the awful fate of the murderer; to think of it almost wins the sympathy of even the stoutest heart. And yet it is law that the murderer must die and give up his own life, not that the one he has taken might be restored, but that public sentiment might be appeased. On the 13th day of April another life will have been taken, and that, too, by the hand that cannot give. The scripture says no murderer can enter the kingdom of Heaven. Is the hangman that pulls the trap from beneath Harry Hill a murderer? Are the jurors who convicted him murderers? Who dare say? God alone gave this life; who dare take it? Because Harry Hill murdered Matthias Akeson, and thus jeopardized his own soul, was that a justifiable cause for others to blot out a life which they cannot give? Will they be held accountable? These ideas are advanced by serious meditation and simply given as food for thought."

Dr. Wallace has in his possession a silver dollar of very peculiar shape, and we doubt if there is another of the same kind in the world. The peculiarity about the coin is the defective milling and the fact that one with such defect should escape detection at the hands of the inspectors in the mint. About one-half the thickness of the edge of the coin is milled all the way round while the other half bears no marks of the milling machine. Considering the fact that the silver coins pass the inspection of numerous employees in the mint it is singular that this one should be sent out on its debt-paying mission bearing the mark that would brand it as bad coin in case of detection. Mr. Wallace thinks he has the only one of its kind and would not part with it for ten times its face value.—Union Ledger.

IN AND AROUND THE TOWN.

Ex-County Commissioner A. C. Loder of Greenwood was in the city Monday.

Mrs. Frank Moore of the precinct departed Saturday over the B. & M. to visit with relatives in Kansas.

James Unruh, the eight-months-old son of Mr. and Mrs. J. I. Unruh, died at 1:30 o'clock Saturday, of spinal fever. The funeral services were held from the family residence at two o'clock Monday afternoon.

The U. P. fast mail flyer met with a smash-up at Clarks, Merriack county, Sunday, in which the rear-end sleeper was burned. Five passengers were injured, but none seriously. A broken rail was the cause of the wreck.

Attorney Haldeman of Weeping Water, while assisting to extinguish the recent fire at that town, cut his arm on a piece of window glass, severing the radial artery. Prompt medical attention save him from bleeding to death.

Lydia Martin, a Nebraska City girl, while attending revival services at the Evangelical church Thursday evening, became prostrated by religious enthusiasm and is now a raving maniac. She is very violent and it requires the combined strength of several persons to hold her.

Charley Breaks of Weeping Water met with a painful accident Monday evening while cutting wood. His axe caught on a clothesline stretched overhead, and the tool turned in such a way that Mr. Breaks received an ugly gash an inch and a half in length, which laid the bone bare just over the left eye.

Attorney Frank Wiles has returned from Rising City, Butler county, where he has been busy for the past three months in attending to the legal business of a Rising City lawyer, who was absent on a prolonged visit. Frank is searching about for a location, but will temporarily reside with his parents in this city.

The Jackson club of Omaha celebrated Jackson day at the Paxton hotel Monday night in a banquet and the affair is said to have been a grand success. U. S. Marshal Frank White, Hon. J. M. Patterson and Lawyer Matthew Gering of this city were present as guests of the Jacksonians of Omaha.

Thomas Akeson, who was made part defendant in the case brought to recover the \$300 reward paid for the capture of his father's murderer, asks that the case be dismissed as far as he is concerned on the ground that he has already paid the amount and cannot be made to pay it over again, no matter who finally gets it.—Lincoln Journal.

Only one newspaper man is in heaven. How he got there is not positively known, but it is conjectured that he passed himself off as a mormon and stepped in unsuspected. When the dodge was discovered they searched the realms of felicity in all their length and breadth for a lawyer to draw the papers for his ejection, but they could not find one, so he held the fort.

The postoffice case remains in statu quo, or words to that effect. Uninformed people call at White's store and the district clerk's office daily to inquire for their mail, but the republican appointee continues to do business at the old stand. While the two avowed candidates for appointment and their friends are doing some tall hustling several dark horses are being quietly groomed to enter the race.

In the trial of the celebrated Irvine divorce suit at Salt Lake City, Utah, the presiding judge has entered an order awarding Mrs. Irvine \$30,000 alimony, to be paid in three installments at three, six and nine months from date. She is also awarded \$5,000 as attorney fees, to be paid in twenty days, and Irvine is to pay all costs, including her witnesses, which alone amounts to over \$1,000 for mileage and attendance. Irvine will file a motion for a new trial, which will undoubtedly be overruled, and an appeal taken.

Effie Mason and Irene Williams, a pair of Plattsmouth misses whose character is commonly reported as not being above absolute reproach, have deserted their respective firesides in this city and left for unknown parts. They took their departure last week, and the last seen of them was on Thursday when they boarded a train at Pacific Junction bound for Council Bluffs. The step-father of the Williams girls, J. A. White, was in Council Bluffs and Omaha Monday in search of the missing girls, but could find no trace of their whereabouts.

The reader of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly on the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. I beg to advise my patrons and neighbors that there are several peddlers traversing the country claiming to be Mr. Hirschberg, connected with him in business, and trying to impose upon the public at large, by offering an inferior class of Spectacles and Eye-Glasses for Hirschberg's Diamond and Non-Changeable Spectacles and Eye-Glasses. Do not be deluded by such impostors. Their representations are false. My goods are not handled by "Peddlers," as we have local agents. A reward of \$100. will be given to any one securing the name and whereabouts of such parties. Respectfully,
