#### IN AND AROUND THE TOWN.

Thos. E. Williams, of Louisville, was in town yesterday.

B. G. Watkins of Nebraska precinct was a caller at these headquarters on Saturday.

Mrs. Perry Walker and daughter, Grace, returned home Friday morning from a year's visit at Chicago.

The B. & M. is building four thousand feet of track per day on its Sheridan extension of the road to Billings, Montana.

Michael O'Connor, an employe in the P. E. & M. V. shops at Missouri Valley, was visiting with his Plattsmouth friends on Memorial day.

Dr. Bacon, Alex Powell and William Hinton, of Pacific Junction, have received letters from white caps, which have been referred to the grand jury.

Major and Mrs. D. H. Wheeler and son, Bert, made their regular pilgrimage to Plattsmouth on Memorial day and decorated the family lot at Oak Hill.

J. M. Woodson, of the Cottage House, received word on Tuesday that one of his brothers had died at his home in Virginia, after an illness of only a few days.

Jasper N. Howland, formerly an employe at the B. & M. machine shop in this city, but now working for the Rock Island at Fairbury, is in the city visiting his father, Harry Howland.

Towns along the line of the B. & M. need not fear a coal famine as long as that road is able to bring in the output of the Sheridan mines, which will soon be running to their full capacity.

Will Vivian, who is buying grain for William Murray of Plattsmouth, was in town Tuesday. He reports having bought and shipped from Haynie's switch over forty carloads the past two weeks.—Pacific Junction Recorder.

Thomas Wymond, an old resident of Nebraska City, attempted suicide on Thursday night by taking three grains of morphine. The timely arrival of a physician saved his life. His unhappy domestic relations are supposed to be the cause.

At the term of district court now in session at Glenwood the injunction case of Mills county vs. Sam Archer was dismissed at cost of plaintiff. Mrs. Eliza H. O'Dell was granted a divorce from W. H. O'Dell, who was a resident of Plattsmouth last summer.

The Lincoln News says it is informed upon the best of authority that the question of fusion between the populists and democrats of Nebraska was pretty thoroughly discussed at the recent meeting of the populist central committee in that city. The sentiment of the committee was almost unanimous against the fusion idea.

The Nebraska City Press couldn't be serious if it tried, nor funny either, for that matter. It's latest endeavor to be humorous is as follows: "The best indication that Bryan is preparing to join the populist party is that his faithful secretary, Col. C. W. Sherman, who reflects in miniature whatever his hero does or thinks, is already there."

The Junction Recorder is by all odds one of the newest county weeklies which comes to THE JOURNAL'S exchange table. Bro. Burton is deserving of the heartiest kind of support from the Pacific Junction people. There are few towns in the country, population considered, which have so good a paper as has the Junction in the Recorder.

Floyd Harshman is a Cass county man who asks the supreme court to reverse a judgment for \$150 of the lower court obtained by Wm. Rose. In the lower court Rose sued for damages, alleging that Harshman inflicted personal injuries of the market value of \$1,000 by beating him with a pitchfork, laying him up for two weeks.—Nebraska City News.

The Missouri railway commissioners have gotten after the railways with a sharp stick. The law is that on a shipment of stock to one point the railways must furnish the shipper with a return pass. This has not been

done and now the commissioners have issued a circular declaring the exaction of pay in cases where such a pass should be furnished is unlawful and that the law will be enforced.

Can you afford to throw away a dollar? If you can't, get my prices on wall paper and save a dollar.

BROWN'S PHARMACY.

The cut in railway freight rates remained in force until last Monday, the 25th, when old rates were restored. This had been decided upon in Chicago at the meeting of the general freight agents. The reason for extending the time was that the Missouri Pacific and the Santa Fe had set the 25th for the day of restoration and the other railroad managers were not in favor of restoring the rates on their roads two days before the Missouri Pacific and Santa Fe did. There is general rejoicing among railway men that the rate will be restored, for the war caused the managers to look as though a cyclone had struck them.

Try us for light harness. We use the very best of leather and employ only first-class workmen. The prices will please. FRED GORDER & SON, Plattsmouth.

Some three weeks ago the people of Nebraska City spread the news that they proposed to have about the biggest blow-out on the Fourth of July in the whole Missouri valley. The real fact is, however, that the Nebraska City celebration has "petered out" in the true Nebraska City fashion, as the following from the News will testify: "It is time for the people of Nebraska City to join hands and make a success of the Fourth of July celebration. By a united effort we can have one of the best celebrations in the west, but if each person sulks and refuses to take hold the affair will be a failure. Give us a finance committee that will act and then we can do something." Now that the Plattsmouth celebration is assured, an invitation is extended to Nebraska City people to come hither and witness the genuine article.

Dr. Marshall, DESSERT Fitzgerald block.

Clerk Campbell of the Otoe county district court received a letter Thursday from A. A. Biddleman, Baltimore, Md., claiming several gold nuggets, trinkets and jewelry to the value of several thousand dollars, which he alleges were left for safe keeping with the clerk of the district court about fourteen years ago by George Biddleman. The property was left by George Biddleman, as stated. Biddleman was insane when he left the property and is supposed to have been drowned later. The property will be turned over upon proper proof.

The "Plan Sifter" flour is the popular brand. Ask for it from your grocer.

A display of flags and bunting by the citizens ushered in a very entertaining program by the old soldiers at Weeping Water yesterday. There was a large attendance from the country and the line of march was nearly a mile long. Hon John A. Davies of this city delivered the address, which was a tender tribute to the dead and appealed to old and young. There were twenty-eight graves of old soldiers decorated.

People who like to make up their clothes at home will do well to call at F. Dressler's tailor shop for good wearing cloth. The stock on hand will be closed out at about half cost, in any length desired. Sherwood block, Fifth street, Plattsmouth. 22-4

THE JOURNAL learns that the farm residence of John Chalfant, near Union, was totally destroyed by fire on Tuesday night. We did not learn the cause of the fire or amount of damage.

#### The Contest Case Is Appealed.

Attorney A. J. Graves, on behalf of Geo. C. Hawkins, appeared in county court today and filed an appeal bond in the election contest case of Tutt vs. Hawkins. The bond is for the amount of \$200, and is signed by Jas. W. Sage and Sheriff J. C. Eikenberry. The case goes next to the district court, and pending trial Hawkins will continue to fill the office of councilman and be entitled to vote on the confirmation of the mayor's appointments.

Omaha ain't in it with me now when it comes to prices on wall paper, and it is the same way with drugs, paints and oils.
