Poor old Nebraska City! A stale balloon ascension will constitute the chief feature of its Fourth of July celebration.

Mr. and Mrs. Will Clement are the proud parents of a bright little daughter, which arrived at their home on Granite street Monday.

D. K. Barr, who has been taking the school census in this district, has completed the enumeration, and reports that the figures will be nearly the same as last year.

Mrs. Palmer of Highland county, Virginia, who has been the guest of A. S. Will and family out in the precinct, departed for her home Monday over the Burlington.

Mrs. T. K. Wooster of Nebraska City, who has been mentally deranged for some time, has become violent, and has been ordered taken to the asylum at Lincoln.

A party of fishermen brought in two dozen large German carp Friday afternoon, which they reported they had captured in the Missouri river near Pappillion creek.

Something which will prove a vast benefit to Plattsmouth's business interests seems certain to turn up in the very near future, and when it comes the town can hardly fail to take a healthy boom.

A party of Plattsmouth people picnicked at Cedar Creek Friday afternoon and returned home in the evening with a number of fine fish—German carp—from the fish ponds of Christian Metzger.

Father Corbett has entered the lecture field, and delivered a lecture at Elmwood on Sunday night. The hall was filled to overflowing, and the lecture is said to have been instructive, interesting and forcibly delivered.

Messrs. John Robbins, Jake Beeson, Fred Warren, Geo. Todd, James Newell, and Hal Johnson have decided to be contestants for the Demorest silver medal, and the contest will probably be held on the evening of June 29th.

Jno. Tighe and daughter, Mary, departed Monday evening for Sinsinawa Mound, Wisconsin, to attend the commencement exercises of St. Clara's academy, of which institution Mr. Tighe's daughter, Lillian, is a student.

The Pullman boycott went into effect Tuesday and already there are a dozen railroads which have ceased pulling the magnate's cars by reason of the refusal of employes to handle or switch trains which carry Pullman's cars.

Grain dealers along the Missouri Pacific and Burlington lines to the number of about one hundred were in session at Nebraska City Tuesday night. Their object was to protest to the railroads against the invasion of their territory by Kansas City and Leavenworth commission houses.

The Omaha jobbers are coming to town Thursday morning at eight o'clock on an M. P. special and will stop off for a half hour to view the town. They will make a tour along the M. P. in Nebraska to cultivate a better acquaintance with the merchants in the towns thereon.

If Judge Chapman would kindly consent to an examination of the ulterior recesses of his sleeve by an experienced political doctor, it would have a tendency to reduce the nervous symptoms discernable in certain circles in Lancaster, Nemaha and Otoe counties.—Lincoln News.

A force of bill posters were in town Saturday decorating the boards with flaming bills, announcing that Sells brothers' circus would be in Omaha on June 30th. Local parties who tried to beat the shell game with this circus last summer will take due notice of day and date and govern themselves accordingly.

The body of a man was found on the M. P. tracks at Omaha last Friday night, and an examination proved that life was extinct and that his name was Jacob Mayfield, colored. The flagman at the Courtland Beach crossing says that Mayfield went up the track and he heard the pall which he carried rattle soon after passing. A few seconds later two men were noticed running up the track. Mayfield's pockets were turned inside out and all

articles removed. The strange thing about it is that the body shows no marks of violence.

FOUND—The finest soda water in the city at Gering & Co's.

The Herald and News are exchanging compliments of late at an alarming rate. Here is what the Blanchard sheet says of the Polk circular:

"The News comes out in an article and strenuously objects to being called an independent sheet, but if anybody wishes to take the trouble to step into our sanctum we will prove that it is the publishers sworn statement. It also says:

"The News is not the organ of any chronic office seeker, who could not live except on a salary, siphoned from the public treasury."

"In part this is possibly true. It is, however, the organ of a chronic office-seeker," but up to date he has not "siphoned" any salaries. His will is good, but somehow he can't get in his "filch."

All legal business given prompt attention, D. O. Dwyer, attorney, Plattsmouth.

The school election at Louisville Monday was one of great interest, the issue being Killen and anti-Killen. H. E. Pank-nin and Peter Jacobsen were the anti-Killen candidates and Chas. Vanscoy and C. W. Spence represented the Killen forces.

The former were elected by majorities of 41 and 39 respectively. Fully half the voters were ladies. The district is in splendid shape financially, having no debts and \$1,000 in the treasury.

See Brown and save money this year in your wall paper, paints and oils.

Deputy Sheriff Harvey Holloway is becoming quite an enthusiast over bicycling and a rider as well. Monday morning he departed on a paper-servant expedition and touched at Manley, Murdock, Greenwood, Alvo, Elmwood, Victoria, Weeping Water and Louisville, returning from the latter town Tuesday noon. In all the distance is ninety-six miles, and, considering the roads, he made it in remarkably good time. He insists that it would have required almost three days to have made the trip by team.

Try Gering & Co's for cigars—they keep all kinds.

On account of the rigid economical course that the state officials propose to pursue in connection with the institute for the blind at Nebraska City, some five of the best teachers have tendered their resignations, and the result is that nearly an entirely new corps will be selected. The salaries were reduced \$5 per month. The rumor is current that politics played some little part in the resignations.

For summer complaint use Gering's Blackberry Cordial.

W. H. Cushing of Plattsmouth is quoted by the News as predicting that the dark horse who will be nominated by the republican state convention will be none other than Allen W. Field, and that is why he declined a congressional nomination. It is needless to add that if any dark horses are demanded, it is not necessary to go any farther, for one who can win, than Judge Field.—Lincoln News.

Can you afford to throw away a dollar? If you can't, get my prices on wall paper and save a dollar.

BROWN'S PHARMACY.

Fire started Friday in the cellar of Leach & Reed, grocers, of Weeping Water, but prompt action by the fire department squelched the flames before material damage was done. The drug store of T. C. Kunkle, which stands next to Leach & Reed's, was also scorched. Leach & Reed were damaged \$150 and Kunkle \$200. Both were insured.

Try us for lightness. We use the very best of leather and employ only first-class workmen. The prices will please. FRED GORDER & SON, Plattsmouth.

The Omaha friends of Russell Condon, who went down to Kansas City to participate in the bicycle tournament there, were more than happy today, a telegram having been received announcing that Condon had broken the mile record made by the speedy Johnson some time ago on the Kansas City quarter-mile track. Condon covered the distance in 2:13.—Omaha World-Herald.

Omaha ain't in it with me now when it comes to prices on wall paper, and it is the same way with drugs, paints and oils.

BROWN'S PHARMACY.

The old building on lower Main street, which has long been a public nuisance, has been torn down. Twenty years ago this was one of our best business locations, and Ben Hempel conducted a restaurant and oyster parlor therein. That the building is an old timer is evidenced by the fact that it was constructed from cottonwood lumber.

Wanted an Injunction.

W. M. Clary was in Plattsmouth yesterday for the purpose of having Judge Chapman issue a temporary injunction restraining the board of public lands and buildings from discharging the scholars that graduated two weeks ago at the institution for the blind. Judge Chapman was not at home so the injunction was not secured. In his petition Clary claims that the institution is an asylum, that the blind are wards of the state, and that the graduates are not yet ready to go out into the world to make their own livelihood. The attorney general has decided that the institute is not an asylum.—Nebraska City News.
