

IN AND AROUND THE TOWN.

Judge Chapman was a passenger for Lincoln this morning, whither he went to get his first glimpse of the present legislature.

Miss Etta Kinkaid, who has been very low with pneumonia for a week past, is reported as better today, and her anxious parents and friends have a well-founded hope for her recovery.

Fred Morgan, a machinist in the local B. & M. shops, accidentally jabbed a knife into his left foot just below the ankle joint the other evening and he is now limping about on crutches, the cut being quite a serious one.

Secretary Morton, in reply to a letter asking for seeds, writes that he has given out all the seeds to which Nebraska is entitled to the State Relief Commission at Lincoln. Parties wishing seeds should address that source of supply.

Col. Polk's effort to cast a slur on the Womans Club movement over the shoulders of the well-known Frances Willard, is a sickly one. Mrs. Willard is not an organizer of the movement mentioned. The colonel ought to be better informed.

Mrs. Hiram Turner, who has been a sufferer with consumption for the past several years, departed from this life late last night at her home near Orepolis—just one month subsequent to the demise of her husband. The time of the funeral has not yet been announced.

C. L. Graves, ex publisher of the Union Ledger, was a Plattsmouth visitor last Saturday. Mr. Graves is now practicing law in Union and THE JOURNAL voices the sentiment of the newspaper fraternity in Cass county in wishing for him an abundance of success.

The funeral of the late Philip Horn, whose death occurred Tuesday night at his home five miles west of this city, will be held tomorrow afternoon at 1 o'clock from the family residence, the interment to be at Oak Hill cemetery. Friends of the deceased and family are invited to attend.

The Missouri Pacific's passenger train from the south was about five hours late Friday morning and did not arrive until after nine o'clock. The breaking down of a pair of trucks under a freight car below Falls City blocked the track completely for several hours and laid out all trains.

After nursing his son, Hallie, through a long siege of typhoid fever, Mr. O. F. Johnson has been stricken with paralysis and is now very low. This family is certainly called on to bear more than a just share of the misfortunes of life, and its members have the sympathy of the entire community in their trials.

The fire department was called out shortly before 12 o'clock Sunday night to extinguish a blaze in the basement of the Weber building. The fire had its origin in a cob pile, but the cause of the blaze is unknown. No damage was sustained as the fire boys were on the scene before the flames had gained any headway.

Tom Patterson, agent for the well-known Columbia bicycles, received his first '95 wheel on Monday and the machine had been out of the crate only a few hours when he sold it to H. N. Dovesy, assistant cashier at the First National bank. The '95 light roadster Columbia is a veritable beauty and should be seen to be appreciated.

Michael Casey, a farmer from Richardson county, was run over and instantly killed by a Missouri Pacific train at Nebraska City last night shortly before midnight. He went to sleep on the track. No blame is attached to Conductor Perry and Engineer Hoover, who had charge of the train. Casey was a married man.

Geo. Ballance, the well-known B. & M. engineer and an old-time resident of Plattsmouth, will remove his family and household effects on April 1st to Germantown, at which place he expects to make his permanent residence. Mr. Ballance's departure is a matter of much regret upon the part of his countless friends in this community.

Superintendents Farley of Cass county and Clark of Saunders county visited the high school Wednesday morning. Mr. Clark gave a very short but pointed talk and left the main responsibility to his "man" Supt. Farley, who complimented the school, the opening exercises and also talked on the propriety of having a summer school—Ashland Gazette.

Rothery and O'Neill, who plead guilty to seconding a prize fight at Plattsmouth, were sentenced by Judge Chapman to one day in the county jail and to pay a fine of \$40. They are the principal witnesses against Griswold. The News would suggest that the Plattsmouth parties who arranged and managed that fight be also indicted, as they seem to be equally as guilty as the Omaha people—Nebraska City News.

The decision of Judge Hall at Lincoln ordering Grand Master Tate to

call the regular annual grand lodge session of the A. O. U. W., suits the several hundred members of that order in Plattsmouth immensely. They see in it a chance, at least, to secure someone besides Czar Tate as grandmaster. The czar has a faculty of bestowing his favors in such a manner as to make solid his election from year to year, but at last there is some relief in sight.

A Wannfried, travelling representative for the Western Newspaper Union of Omaha for the past ten years and known to the newspaper fraternity as the "Flying Dutchman," has resigned and after April 1st will quit the road. Although eccentric, he is an agreeable chap in many particulars, and the newspaper business in Nebraska will seem duller than ever, without an occasional call on Mr. Wannfried's part. He will take on new duties in other fields and the newspaper men of this state will wish him the best of success in his new labors.

Sarpy County Editor in Trouble.

The World-Herald says: "Editor W. S. Baker of the Gretna Industrial has been put under \$1,000 bonds by Justice of the Peace Bartlett conditioned upon his showing up in the judge's court upon April 1, at which time he will be called upon to plead in response to a charge of libeling James Babbitts in the capacity of foreman of the late grand jury. The World-Herald has heretofore announced the details of the trouble, which appears to have so agitated the mind of Mr. Babbitts that he brought a criminal action. During the progress of the grand jury investigations it had occasion to look more or less into Ninth street affairs. Mr. Baker's journal commented on this fact and charged that Babbitts took in the resorts, forgetting for the time being the precepts of the gospel and his early instruction. Mr. Babbitts lives near Gretna, a town just over the line in Sarpy county."

Wearers of the Green.

The celebration of St. Patrick's day, given Saturday evening at White's hall under the auspices of the A.O.H., was a most delightful success. The musical numbers given were highly appreciated, while the lecture by Father Nugent was all that his friends could wish. It was largely historical, and under ordinary handling would have been dry, but the skillful oratory of the lecturer gave it a life, piquancy and vividness which made the recital very entertaining, and when he came to the descriptive portions the lecturer was both elegant and pathetic in his word-painting. THE JOURNAL hopes that the orator-priest may often be heard in this city.

A Prominent Wholesale Grocer of Omaha, Neb., writes:

To the afflicted: Several years ago I discovered a slight falling and bleeding of the lower bowel which increased and became very distressing. I made inquiry as to the nature of the disease and learned that I had a somewhat aggravated case of Hemorrhoids or Piles. Was told of several remedies and used them as directed, obtaining thereby some temporary relief. Not being satisfied with such slight relief I cast about for a permanent cure; when a friend directed the use of the famous MAGNET PILE KILLER. I used it. Immediate relief from pain followed, and soon a complete cure was effected.

Very respectfully, OSCAR ALLEN.
