A Prominent Wholesale Grocer of Omaha Neb., writes:

To the afflicted: Several years ago I discovered a slight falling and bleeding of the lower bowel which increased and became very distressing. I made inquiry as to the nature of the disease and learned that I had a somewhat aggravated case of Hemorrhoids or Piles. Was told of several remedies and used them as directed, obtaining thereby some temporary relief. Not being satisfied with such slight relief I cast about for a permanent cure; when a friend directed the use of the famous MAGNET PILE KILLER. I used it. Immediate relief from pain followed, and soon a complete cure was effected.

Very respectfully, OSCAR ALLEN.
