## The Spice of Buying

Is an occasional bargain. We will enumerate below a few exceptional ones, chosen from a store full of them.

Our prices should bring the blush of shame to the cheeks of every person not entirely devoid of local patriotism, to think that they will pass their own stores, who assist in keeping up the city, help toward the protection of their homes and the education of their children, and buy of Omaha merchants who have no local interests in Plattsmouth except the money they get out of the town.

One lot children's all wool camel's hair color vests, pants and drawers, sizes running from 20 to 34 inches, regular price on this lot from 40c to \$1.00—at 25c a garment.

One lot of men's heavy grey underwear, worth 50c, for 25 cents.

One lot of men's heavy wool over-shirts, worth 75c, for 39 cents.

One lot of children's Stanley caps, all wool flannel, worth 25c for 15 cents.

One bargain in ladies' Swiss embroidered handkerchiefs, worth from 20c up to 35c, your choice for 15 cents.

One lot of ladies' kid gloves in blacks, browns, tans, greys and whites, worth \$1.00 and \$1.25, your choice for 79 cents.

## SPECIAL.

Just received a new lot of modish jackets, 28 inch length, four-button box fronts, mandolin sleeves, uncommonly high in quality, uncommonly low in price.

One lot of ladies' capes, heavy black beaver, nicely trimmed, at \$2.98, worth \$4.50.

One lot of ladies' capes, a little better, fuller sweep and more trimmings, for \$3.98.

One lot of ladies' capes, still better than last garment mentioned, comes in blue and black, fine quality beaver—have seen garments bought in Omaha for \$7.50 that were not better—our price only \$4.98.

The county treasurer reports that the list of tax-payers who have been in to settle their indebtedness to the county, is large for this season of the year.

The weak spot in the democratic ticket has not been discovered yet.

YOUNG SPURLOCK is still wasting his time canvassing the county for votes.

If you are tired of keeping the old gang in the treasurer's office vote for Jacob Tritsch and get a number one man there.

The success which William D. Wheeler is having in winning votes is magnetic. He is developing greater strength every day. Things are coming his way in fine shape.

LESTER E. STONE is a successful young business man at Nebawka. He has all the requisites for making a first-class county clerk. Remember him when you come to make out your ticket.

DEMOCRATS only need to stand by their whole ticket in order to elect it. Don't lose sight of anybody because you are interested in some particular man on the ticket. A pull all together will make a clean winning.

AN effort was made, yesterday, for a particular reason, to find a democrat who was in favor of Eikenbary for treasurer, but it was a failure. Jake Tritsch is such a universal favorite that his competitor, Jake Eikenbary, has had no chance to make a single in-road on his lines.

DR. GEO. H. GILMORE, the democratic nominee for county superintendent, was not a seeker after the nomination, but he is now an active candidate for election, and is doing good work in the county not only for himself but for the democratic cause. He is a splendid scholar, and is in every way a model man for the place. Don't forget him when you come to vote.

NO WORD can be said amiss in praise of Judge Ramsey's official career. It is as near perfect as that of any official who ever occupied a position of responsibility in Nebraska. Put your finger on a flaw in it, or on a decision that will not stand the strongest searchlight of criticism. No single decision of his has ever been reversed by the supreme court. He has ALWAYS decided questions right, and may be relied on to do so when he gets on the district bench.

REPUBLICANS are boasting that their candidates Spurlock and Houseworth are safe because the populist candidates Vass and Briggs will help do up the democratic nominees—Archer and Dearing. The sensible populists will be able to see this point and will not help to pull republican chestnuts out of the fire in this way. Messrs. Briggs and Vass are clever fellows, but there is no principle involved in their candidacy, that anybody knows of.

UNDER the ruling of the republican supreme court and a republican secretary of state the names of two sets of candidates labelled "democrat" will appear on the Australian ballot. That such a ruling was made for the purpose of confusing the voters there can be no question, but such are the conditions. Democratic voters of Cass county, therefore, who wish to vote for the candidates of the regular or Omaha convention, should read the names on the ticket at the head of this paper, headed by C. J. Phelps and those who wish to vote for the bolting or gold standard candidates can vote for Mr. Mahoney and the men who represent their idea. Do not be deceived when you come to vote. Mr. Mahoney's name appears at the top of the official ballot because the names are put on alphabetically, and not for any other reason. Those who favor free coinage of silver will vote for C. J. Phelps, for supreme judge, and Robert Kittle and T. W. Blackburn for regents.

## PERSONAL, POLITICAL AND PERTINENT

The Talmage Tribune says: "For district judge the people want a man untrammelled by ring corruption, a man whose honesty and sincerity cannot be questioned, who will decide all issues upon the law." That man is the democratic nominee, Hon. B. S. Ramsey, a man in every way qualified in filling the position and one who is not owned by any lawyer, and who will write his own decisions and not render them at some lawyer's dictation as has often been the case in this district.—Nebraska City News.

Judge B. S. Ramsey arrived here at noon from Plattsmouth. He reports everything as looking favorable for a sweeping democratic victory.—Nebraska City News.

The case of the Flournoy Live Stock company against Capt. Beck, agent of

the Omaha Indians, in Thurston county, has been dismissed by the U. S. supreme court, and the settlers will be compelled to give up their leases.

William D. Wheeler, the democratic candidate for sheriff, is 30 years old, was born in the west, and has lived in Cass county for twenty years. He is favorably known all over the county, is a farmer, is honest, pays his debts and has earned what he has himself. He is a man of good business qualities, is quick and decisive, does just what he says he will do, and just what he believes to be right, irrespective of the dictates of others. He is a man of good habits, and if elected will do his duty. He will receive the votes of his neighbors regardless of party, and no good citizen need be afraid to cast his ballot for him. He is making a clean canvass, and we believe he be, as he ought to be, elected.

Judge Sullivan of Plattsmouth, was in the city this afternoon and when he undertook to find a man who would vote for Chapman he was horrified and gave up his campaigning. He realizes that Otoe county will bury that gentleman so deep that he will never enter another race in this judicial district.—Nebraska City News.

A vote for honest and efficient Judge Ramsey is a vote to put a pure and honest man on the bench in the district court in this district, a thing that all persons irrespective of party affiliations are crying out loudly for now, and have been for some time past.—Nebraska City News.
