A LIVELY and rather unusual episode disturbed the usual quietude of the Berlin schools recently, when a rattlesnake was discovered under a pupil's desk. The reptile was soon dispatched.

Sugar Beet Growers Complain. A correspondent writing from Fre- SILVER mont complains of the growers' wrongs, thus: The sugar factory representatives throughout the entire state visited every hamlet portraying the beauties and profit of raising sugar beets. They were very successful in this particular line, for hundreds at their earnest solicitation invested every dollar they had, and not being content with this even went so far as to encumber themselves by mortgaging, some even their household effects, in order to make a complete success. Why not? Five dollars per ton and twenty tons per acre and no danger of drouth. It's simply like finding money. Oh, no. It's a deplorable fact, considered in its entirety. We have never witnessed a more gross misrepresentation. The facts and results are simply this: We have hundreds of acres of beets on hand, and are confronted daily with a reply. "We will notify you when to ship, as they do not come up to the requirements of our contract." We might be content with this particular phase of

the situation if some of the favored few did not get to ship forty to fifty cars, while other adjoining fields planted on CHARLES FEAS of Friend fell from a the same day and under like conditions receive no orders at all, only "Silo or tion of such a party growing out of dispose of them if you can." Stop and the silver conference at Chicago, to be reflect a moment. When you consider winter is staring these poor unfortunates in the face and not an available dollar to meet its exigencies. It is no uncommon sight to see tears trickle down the cheeks of the brawny sons of toil. And well may them weep, for it should receive an order to ship at once they could not harvest this immense crop of beets before frost would interfere; hence the eagerness for the longed for word, "Ship."

Eloping Girls Return.

A Waverly dispatch says: Miss Ward. one of the young women who eloped from here last week, has returned and gives full details of the case. She states that there were a number in the plot and some acted as accomplices, one of whom was bribed with a fine present. He was about to give the snap away when he was threatened. SENATOR JONES' VIEWS-

The Nevada Senator Strongly of the Opinion That There Will Be a Separate Silver Party in the Campaign Next Year-Split in Alabama

Between General Oates and the Senators.

SAN FRANCISCO, Nov. 11 .- United States Senator John P. Jones of Nevada is strongly of the opinion that there will be a separate silver party in the campaign of next year, the formaheld some time near the Christmas holidays.

NEBRASKA SILVER MEN. MUCHLY REPUBLICAN.

They Are Not Satisfied With Their Show-

ing at the Election. OMAHA, Neb., Nov. 11 .- Much interest has been created among Nebraska Democrats as a result of election returns, showing the relative vote of the two wings; Mahoney, administration candidate for Supreme court, received 14,500, and Phelps, silver man, 8,000. Both went on the ticket under the Supreme court ruling, as Democrats, and the silver men claim that this was unfair to their interests, and that it was not a proper test. The silver men now suggest that the silver question be submitted to a primary election in Nebraska, the regular Democratic committee and the bolting Democratic committee to agree upon primaries to be held at the same time and at the same places, and each voter to be called upon to express himself on the money question, and the State convention to instruct its delegates accordingly. Republicans Take All There Was in Sight -- Even Maryland and Kentucky Wheel Into Rapublican Line-Democrats and Populists Not In It to Any Extent.

Results of the Elections. Elections were held on the 5th in twelve states and one territory in the United States. The territory is Utah, and the states are Nebraska, Kansas, Iowa, Kentucky, Massachusetts, Maryland, Mississippi, New Jersey, New York, Pennsylvania, Ohio and Virginia. The election in most of the states was upon local issues pure and simple or upon other questions which do not divide the two great national parties. Returns received from various points are as follows:

NEBRASKA.

OMAHA, Nov. 7.-Latest and almost complete returns from the city and county sustain, with few exceptions, the estimate of the result of the election as printed.

Broatch's plurality for mayor over Brown is 985 and all the city offices will be filled by men named at the republican convention.

Complete returns have been received from every voting district in the city on city officers showing all republicans elected. The same is true regarding the school board. Two of the county commissioaers on the citizens' ticket were successful. For sheriff the republican candidate was elected.

The returns on the state judicial ticket so far as received indicate a very close election, in fact, the result is so much in doubt that both republicans and populists are claiming the victory. Chairman Hainer of the republican state central committee, while admitting that upon the surface of the situation the contest is a close one, refuses to admit for a moment that Judge Norval has not been re-elected by a safe plurality.

Returns practically complete from the Fourth judicial district show that the citizens elect two judges, Keysor and Duffie, while the republicans elect Baker, Dickinson, Powell Scott and Slabaugh. It is possible that the missing precinct in the Eighth ward of Omaha may elect Ferguson instead of Duffie, but Fawcett of the republican ticket is out of the race by 500 votes. OMAHA, Nov. Nov. 8. -Official returns from Nebraska are being made up very slowly, but as far as received they indicate the re-election of Chief Justice Norval by a plurality of somewhere in the neighborhood of 6,000. From returns at hand the World-Herald feels safe in giving the following as the list of district judgs elected: First District-Stull and Latton, reps.

NEW YORK

NEW YORK, Nov. 7 .- The total unofficial vote for secretary of state is: King, democrat, 505,590; Palmer, republican, 572,525. This makes Palmer's plurality 66,535. The vote in 1893 was: Palmer, 545,098; Myer, 520,614; Palmer's plurality, 24,484.

OHIO.

Columbus, Nov. 7.-Chairman Ander son concedes the state to the republicans by 90,000. Chairman Kurts says Bushnel's plurality will not be less than 100,000. The vote for Coxey, pop-ulist, will be about 15,000 less than last year. At present the senate will stand: Republicans, thirty; democrats, six; fusion populist, one. In the house the republicans have eighty-seven and the democrats twenty-five.

MARYLAND.

BALTIMORE. Nov. 7.-Returns from every county in the state, partly estimated, give Lloyd Lowndes, republican, a majority over E. Hurst democrat, for governor of 19,715. Not only have the republicans elected their entire state and city ticket, but they have carried the legislature, which, according to figures at hand now, will stand, in the house, sixty-eight republicans to twenty-four democrats, and in the senate fifteen democrats to eleven republicans.

ILLINOIS.

SPRINGFIELD, Ill., Nov. 7 .- It is the belief of Governor Altgeld that the greater republican landslide of yesterday was brought about chiefly through the treachery of the national administration and the goldbug wing of the democracy in Wall street. Democratic conventions in many states, he says, were packed by postmasters and menials of the administration who forced the administration or Cleveland's policy on the money question. The state has gone largely republican.

NEW JERSEY.

NEWARK, Nov. 7.-The election on Griggs was known to be a certainty at 10 o'clock last night, but at that hour 12,000 and 14,000 were all that the leaders of the republican party claimed. Later they advanced their claims under the influence of the press returns to 22,000. The results in the counties as filed show that Griggs received 26,960 plurality over McGill. The republicans from one end of the state to the other were celebrating today and boasting that this time next year will find New Jersey safely in the republican ranks.

KENTUCKY.

A JURY in the federal court has found judgment for the government in a case brought by the United States district attorney to enforce the forfeiture bonds of Joel W. Hale. He had eight contracts to carry the mail on routes in the vicinity of Edgar. Hale abandoned the contracts, and the jury gave the plaintiff \$6,400.

THE ferry across the river at Plattsmouth, which has heretofore been maintained by the Plattsmouth merchants for the purpose of inducing lowa farmers living near the river to bring their produce to the Plattsmouth market, was discontinued last week, some of the merchants failing to pay their assessments.

THE Valentine house was destroyed by fire at Valentine. The building belonged to Frank Fischer, whose loss is about \$4,000, having no insurance. Part of the fixtures and stock of the saloon were saved. Mrs. Alice Ray conducted the hotel, and had \$3,000 worth of furniture and fixtures, on which she carried \$1,500 insurance, a very small part of which was saved.

AT Red Cloud, while Henderson Zeluff was hauling corn one of the horses became detached from the singletree, and trying to hold the team was pulled off of the load, falling under the wagon. The other horse became frightened and pulled the wagon some distance. Mr. Zeluff wasstruck by the kingbolt and had two rlbs broken, from the effects of which he died several hours later.

In Omaha last Sunday night Ida Gaskill was enticed into a vacant building, outraged and choked to death. She was the only daughter of a widowed they may be well preserved in the simother. One Morgan, an ex-peniten. tiary convict, has been arrested as the supposed guilty party. There seems little doubt that he committed the deed and to save him from the hands of a stock, this offer, if the prices to be mob he has been temporarily taken to the penitentiary.

EX-SENATOR MANDERSON of Nebraska, general solicitor for the Burlington lines west of the Missouri river, went to Washington last week to attend the hearing of the case of the Commercial club of Omaha against certain railroads centering in Omaha and Council Bluffs. While in Washington Senator Manderson will present his argument on appeal to the secretary of the treasury from the beet sugar growers of the country against the decision of the comptroller of the treasury in the sugar bounty case.

Encouraging Beet Producers.

The Oxnard beet sugar company as Grand Island has offered to take those beets which do not come up to the standard in purity and saccharine contents, in the following circular: "We have been asked by several committees representing beet growers if we would accept beets below 12 per cent sugar and 80 per cent purity at a reduced price, with the object of saving as much as possible of the crop. We are disposed to do this, after we have the party. worked up beets coming up to the requirement of our contract, for which Morgan's suggestion that each county we pay \$5, in compliance with the law passed by the late legislature. It was at first identified by a St. Louis detective as that of Harry Hugueley, the son of a Boston millionaire. Colonel H. C. WALLER DYING.

His Family.

NEW YORK, Nov. 11.-A special from Washington says the family of ex-Consul John M. Waller believe that his health has been permanently broken by his confinement in French prisons. His letters are all written in a most despondent tone. In letters dated September 30, from Clairvaux prison, just received, Mr Waller writes that he never expects to see his family again, and states that this may be the last letter they will ever re-ceive from him. It is evident that his health is extremely bad, for the French authorities have transferred him from Clairvaux to Nimes and have placed him on hospital diet and allow ance. It is expected that the State department will take some decisive action in the case before Congress meets, as Mr. Waller's attorneys have been instructed to file their brief at

PENNSYLVANIA.

PHILADELPHIA, Nov. 5.-Returns received up to midnight indicate that Benjamin J. This state also elects seven judges of the new superior court. Of these the six republicans nominated are elected. The seventh man on the ticket is in doubt.

KANSAS.

KANSAS CITY, Nov. 7.-Kansas returns today show that the republicans made practically a clean sweep of the state, carrying a majority of the counties entire, and electing many of the officers of the others. DENVER, Nov. 7.-Party lines were not closely drawn in the Colorado county elections, but the republicans claim to have made gains outside of Denver. In this (Arapahoe) county the election was very close, and the result being still in doubt as to some of the offices. Two candidates on the taxpayers' ticket (General Frank Hall for treasurer and Willard L. Ames for assessor) appear on the returns so far received as having been certainly elected. The republicans probably hold all the other officers. The result is regarded as a defeat of the tramway company and the Denver Union Water company, which fought Ames bitterly on account of his efforts as an alderman to secure a reduction of water rates.

INGERSOLL ON POLITICS.

Criticises Cleveland and Predicts Republican Success in 1896.

PITTBURG, Pa., Nov. 8.-Discussing the result of the elections, Colonel Robert G. Ingersoll said:

"Cleveland's administration is a failure, a succession of blunders. The Democrats are dissatisfied with Cleveland. He is obstinate, unsocial, egotistic, asks no advice and takes none. He is utterly indifferent as to the advice of others. He imagines that he is the whole Democratic party, with something left over. No party can carry that load."

"Roosevelt and Strong and Parkhurst gave New York city back to Tammany. The people wanted a little liberty, and were not willing to go back to the days of Cotton Mather. Ohio settled Brice; that is good. Maryland murdered Gorman; that is good. Kentucky went Republican. I know of no expression that will suit that; it is too good. All this shows what is to happen in 1896.

"I think the issues of the next presidential contest will be just the same as they are this year. Both parties will be for good money, and consequently the tariff will take the lead. Of course, the Democratic party will make sever-al blunders before the next election. After all, protection is the issue.
