FRIDAY, NOV. 11, 1898.

The New Orleans papers claim that Louisiana's new jury law is working well. It was designed to the end of simplifying and expediting criminal court business, reducing court expenses, and avoiding so far as might be possible the annoyance of disagreements of juries and mistrials. Article 116 of the new constitution, which brings the new jury law into existence, provides that if, after a trial of seven years, the system shall be found unsatisfactory, the legislature may pass acts reviving the old system of jury trial for every criminal case and twelve men in every jury. Under the new rule, the character of the case determines whether it shall be tried by jury or by the presiding judge, and how many men shall sit on the jury. If the punishment may be imprisonment at hard labor the case must be tried by a jury of five in order to render a verdict; if the punishment must be imprisonment at hard labor, then the jury shall consist of twelve men, nine of whom must concur in order to render a verdict. If the punishment may be death, then there must be a full jury of twelve, and the agreement must be unanimous. In case where the punishment may not be at hard labor, the trial may be by the judge, without a jury.

ONE PAPER THIS WEEK
Owing to the delay in issuing part one of this week's JOURNAL, caused by the desire of the publishers to furnish their readers with approximately complete and correct election returns, part two will not be issued.

RESULT FROM THE NATION.

(Continued from first page.)
been elected. Eddy, at first classed as doubtful, tonight claims 3,000 plurality. Morris, in the Sixth, has defeated Charles A. Towne by a small margin. The legislature will be republican, but not by so great a majority as at one time thought. Seventy-seven republican, are now known to be elected, and only ninety-two are needed on joint ballot. As fully half the balance are in the doubtful, because unreported, column, there seems to be no question of the reelection of Senator Davis by this legislature.

Republicans in Wyoming.
CHEYENNE, Nov. 9.—Incomplete returns received from eleven of the thirteen counties show a net republican majority for the congressional and state ticket of 1,600. No returns have been received from Fremont or Big Horn counties. These will add several hundred to the republican majority. The state legislature will be composed as follows: Senate, four democrats, fifteen republicans; house, three democrats, thirty-five republicans.

North Dakota Republican.
FARGO, N. D., Nov. 8.—Reports from over the state are very meager, but indicate slight republican gains over 1896. An estimate on the state gives the republican ticket 4,000 majority.

Rhode Island.
PROVIDENCE, R. I., Nov. 8.—The voting was light throughout the state, as the election of both republican candidates for congress was a foregone conclusion. The revised constitution has probably been rejected.

Colorado in Line.
DENVER, Colo., Nov. 8.—At 10 o'clock tonight no returns have been received from the state except from a few of the 1,280 precincts. The indications are that Thomas, fusion, is elected over Wolcott, rep., by 25,000 to 40,000.

Ohio's Plurality will be 50,000.
COLUMBUS, Nov. 10, 1 a. m.—Unofficial returns from all but one county tonight make the plurality of Kinney, rep., for secretary of state, 50,000.

The Next Congress.
WASHINGTON, D. C., Nov. 8.—Secretary Kerr of the democratic congressional committee claims the election of 189 anti-administration congressmen, a majority of eleven over the republicans.

Railroad Bridge Burned.
ASHLAND, Neb., Nov. 5.—Sparks from a passing freight engine early this morning ignited the south side of bridge No. 91, just outside of the B. & M. yards. At about 5:30 a. m. the structure over which the main line runs was totally destroyed and fell in. The bridge was covered with grease and soon burned. The bridge over which the Schuyler train runs was scorched, but was soon repaired with new ties. A switch was constructed by which main line traffic is being run over the north bridge. Passenger train No. 5, from Omaha, which arrived at 9:35, was held until 11:20 until the switch was built. A force of men are building a new bridge, which will not be ready for main line traffic before Monday.

The Reno Novelty Company.
At the White opera house next Monday evening, Nov. 14, the famous Reno Novelty company will give one of their high class performances. Prof. Renovisited Plattsmouth several years ago, and delighted a large audience. The admission will only be 10, 20 and 30 cents, and the performance deserves a large attendance. Read the following, from the Fremont Tribune:
"Prof. Reno with his Oriental mysteries, trained dogs, birds, etc., gave immense satisfaction at the opera house last evening. His illusions are new, mysterious, and performed in an original manner. His educated dogs obey the slightest command promptly and move with military precision. The entertainment is baffling, inspiring and instructive, and gave greater satisfaction than any company which has appeared here in years."

Sweet Springs Eye.
This is the brand of whiskey which has received the first prize at every exposition in the United States and with an eye for everything that is good and pure. Ed Donat has secured this brand of whiskey from the Sweet Springs Distillery Co. of Owensboro, Ky., exclusively and he is getting every barrel direct from the U. S. government warehouse, which insures him a strictly pure article, so you can keep it in your house for medicinal, as well as for all other purposes.

Pastor's Wedding Anniversary.
ASHLAND, Neb., Nov. 5.—A large crowd assembled at the parsonage of the Congregational church Thursday evening to celebrate the tenth anniversary of the marriage of the pastor, Rev. T. W. Conway-Cheeseman. The pastor's friends presented him with a purse of \$21 as a token of their esteem. Rumors have been circulating that Rev. Conway-Cheeseman intended to resign his pastorate here, but they are a mistake.

KRUG CABINET LAGER BEER...

Made by the Fred Krug Brewing Company, Omaha Neb., has been
AWARDED
THE
Gold Medal

Trans-Mississippi and International Exposition

This award was given to Krug Cabinet Beer over others
For Purity, Strength and Excellence of Quality.

Special to Young Mothers.

Dr. Martin Couney, the physician in charge of the Infant Incubators at the Exposition, who has had a wide experience, says: "After using several other beers, we take pleasure in stating we have used KRUG CABINET bottled BEER constantly and for MILK PRODUCING QUALITIES we can cheerfully recommend it to ALL NURSING MOTHERS; it has less acid in it and is much more healthful; it is used by every nurse in the Infant Incubators building." This certainly is convincing proof and every young mother should at least try it.

Invalids and Convalescents.
No other beer has so much strength and nourishment; it is invaluable as a tonic, invigorator and appetizer; is one of the best stimulants known by physicians for frail people. A perfectly pure beer with a reputation increasing each day and year, it received fresh laurels from eminent judges at the Trans-Mississippi and International Exposition.
