For instance, if you want The Daily and Sunday Journal one month, the regular price of which is 65 cents, add 50 cents, making \$1.15. If you want The Daily Journal without Sunday, the regular price of which is 50 cents, add 50 cents, making \$1.00 for both the paper and picture.

### ▷ BUT ONE PORTRAIT FREE FOR EACH SUBSCRIBER ◁

If you are not already a subscriber to The Journal you can secure the paper and portrait on the above terms.

### Never Before Has Any Nebraska Paper Made Such An Offer to Its Subscribers.

The portrait is the work of first-class artists. It is as natural and finely finished as high-priced portraits. It is not inferior work because The Journal offers it cheap. **WE GUARANTEE SATISFACTION.** Portraits will be copied from photographs, cabinets, ambrotypes or tintypes, but not from dim or faded pictures. Portraits are copied **BUST**--head and shoulders--only, as they are the most desirable for portraits.

### YOU BUY YOUR FRAME WHEREVER YOU PLEASE.

No framing conditions. We do not make these pictures requiring you to buy a frame; you buy your frame wherever you please.

**HOW TO ORDER**--Inclose the picture you wish copied in an envelope, and place your name and address on back of picture, with full instructions as to changes desired. Have as few changes as possible, as a portrait can be copied much better without changes. Send or bring the picture to the **PORTRAIT DEPARTMENT, State Journal.**

**THOSE LIVING OUTSIDE THE CITY WILL BE REQUIRED TO SEND 35 CENTS ADDITIONAL TO PAY FOR PACKING AND INCIDENTAL EXPENSES. SUCH PARTIES RECEIVING PICTURE MUST PAY EXPRESS CHARGES.**

Everybody.

How Many Votes Will be Cast for Nebraska's Supreme Judge?  
A Piano If You Can Tell  
Everybody Who Pays \$1.00 on Subscription Entitled to a Guess.  
Competition Closes October 31, 1895.

### HERE'S HOW IT WILL BE DONE.

Every person sending \$1.00 on subscription to either THE DAILY or SEMI-WEEKLY STATE JOURNAL during the months of August, September and October will be entitled to one guess, to be sent with remittance on printed blank. One guess allowed for each dollar sent. The person guessing the correct total number of votes cast for Supreme Judge this fall will receive the piano. If no one guesses the correct number, then the one guessing the nearest to the correct number will receive the piano. In case of a tie, the first one of the two received will be considered the winner. Therefore all guesses will be stamped with the date of receipt at THE JOURNAL office; so that there will be no liability of error.

The official count as certified by the Secretary of State will be the figures to decide the contest.

The vote cast for Judge in 1894 was 181,606. The vote for Governor in 1894 was 207,852. What will the vote be this fall?

Remember, you guess on the total number of votes which will be cast for all candidates. Remember; you are entitled to a vote for each dollar sent. Use this blank
