

WEALTH MAKERS, and candidates and others who wish to make use of a lot of extra copies should order them at once.

THERE are too many Populist candidates for the next legislature for THE WEALTH MAKERS to say something particularly, individually, for them all, glad as we would be to do it.

THE Chicago Times, speaking of Senator Jones' leaving the Republican party, has this to say:

The Populists have gained a strong ally in this Republican rebel. As the Washington correspondent to the Times pointed out, he cannot be charged with making the change in his party allegiance for anything except patriotic reasons.

THE news that twenty-five per cent of the delegates to the Colorado Populist convention were ladies is a most interesting piece of information. And nobody was shocked.

THE best paid men in America are the lawyers who look after the property and incomes of the millionaires, the railroad kings, etc.

It is a drawn battle between the corporations' party and the People's party. The railroads have trampled on the law, as enacted by the Independent legislature, two years ago, helped by Republican state officials and a Republican judge.

THERE is a great power in popular songs to draw crowds and stir up enthusiasm. No one is so prejudiced he will not hear the truth if it is sung.

THE work each and every patriot has to do between now and November, is to make and gather up Populist voters. There is no work of such pressing, vital, far-reaching importance.

TO OUR SUBSCRIBERS!

We are this week sending out hundreds of notices of expiration of subscription to our subscribers. The amount that each one owes us is small, but in the aggregate it foots up hundreds of dollars, and to carry these delinquent subscribers is a great burden on us.

Very many have written us to not stop the paper, saying they can not get along without it, and will send in their renewal as soon as possible. Now friends, think a moment. Is it not easier for you to raise the one dollar that you owe us, than it is for us to raise hundreds of dollars every month to pay the expense of sending THE WEALTH MAKERS to you?

We know you wish to be fair with us, but we want you to think of the inconvenience you are putting us to, thoughtlessly perhaps, by not paying us the small amount due us.

Our expenses are heavy and must be met promptly. We are depending on you, friends, to do your duty. Just now, while you think of it, will you not sit down, write us a letter and enclose the amount due us, for which you already have value received.

We are sure THE WEALTH MAKERS is a welcome visitor to your home and that you do not want it discontinued. It is working for your interest, it is fighting your battles. The kind words you have said of us, through the paper and otherwise, we fully appreciate, and they encourage us to greater effort, but they will not pay for paper, rent and labor.

There is no reason why the state paper should not have 50,000 subscribers, and we intend to get them, but you must help us. It will be a long, hard struggle, but with your help we shall succeed.

It is of especial importance that the circulation of THE WEALTH MAKERS be increased as much as possible in the beginning of the campaign. Now is the time to work. Let us hear from you.

Address all letters regarding subscription to WEALTH MAKERS PUB. CO., J. S. Hyatt, Bus. Mgr.

TEN cents for the campaign. Only ten cents. Send in a list of on-the-fence voters and order THE WEALTH MAKERS sent them till election.

SENATOR JONES of Nevada, as brainy a man as the nation contains and recognized by the Republican party as ranking with the ablest intellects of the world, has publicly left the Republican party and joined the Populists.

MAJORS named all the Lincoln delegates to the Republican state convention, and the B. & M. passed them to Omaha and return, the conductor not even entering the car.

TOM MAJORS, the R. R. candidate for governor, was billed to speak in Omaha a few days ago and drew an audience of 300. "Cyclone" Davis and John H. Powers on but one day's notice, speaking for the Populist cause and ticket, called out 5,000 people to hear them. Straws tell.

THE administration Democrats will not vote for Thomas in the Third district. It is therefore certain that other votes for him will be wasted. The anti-monopoly Democrats cannot help seeing this, and may therefore be counted on to vote for Devine, who can and will be elected.

DON'T forget that our new song book is something fine. Two years work in it. A collection of thrilling words and new music written for the times. Just what is wanted to lead our hosts to victory. Order at once of THE WEALTH MAKERS, Lincoln, Neb.

LET clubs, legions and local committees take advantage of our ten cent offer for the campaign and order THE WEALTH MAKERS sent to prepared lists of voters. Attend to this at once, or as soon as you can.

THE NEW SONG BOOK.

The new song book, ARMAGEDDON, is being enthusiastically received. The book is larger than we expected it would be. It is a book 7 1/2 by 8 inches in size, considerably larger than the ordinary song or hymn book, contains 138 pages of words written for the times, set to splendid stirring music, solos, quartettes for male voices and four part songs, with preludes for the piano and accompaniments. The book contains 67 songs, 54 of which are sheet music simply reduced a little in size of page. These 54 songs would be worth as sheet music not less than \$17.00 but are here given in permanent book form, with 13 other songs not set with notes but most of them (chosen for their merit) to be sung to popular patriotic tunes, such as "John Brown," "Handwriting on the Wall," "Red, White and Blue," "The Suanee River," "It's Gwine Back to Dixie," "The Star Spangled Banner," &c.

A considerable number of the songs in Armageddon are already widely known having been sent out as sheet music. Among these are "Get Off the Earth," "We Have the Tariff Yet," "The Taxpayers Settle the Bills," "Battle Hymn of the Workers," "God Save the People," and "That Honest Dollar." The celebrated song "Hayseed in His Hair," we have also secured for this work.

Among the entirely new songs found in this book are "If I Were a Voice," "A Politician Here You See," "It Stuck in His Crop," "Sunrise on the Hills," "The Road to Freedom," "A Drowning Cry," "Armageddon," "The Rallying Cry," "The Pauper's Last Smoke," "Only a Penny a Loaf," "Our Line of Defense," "Plenty of Room," "Old Error's Mists Are Sweeping By," "American National Hymn," "Jeans Pants a Comin'," "The Money Power Arraigned," "Timothy Hayseed," and many more.

All these timely and splendid songs and more for 35 cents. By the dozen at \$3.00. In lots of 100 to 1,000 sent by express at special rates. There is no investment that will equal putting some money into this song book and getting singers started to using it. It will draw crowds and kindle irresistible enthusiasm. Address all orders to WEALTH MAKERS PUB. CO., Lincoln, Neb.

THE POPULIST HAND BOOK.

The Populist Hand Book for the campaign of '94, prepared by a special committee selected by the state executive committee and compiled by the secretary of the state executive committee, gathers into small compass and cheap convenient form the damning record of the frauds in the state institutions in the hands of Republican officers, their extravagance, and what was brought to light by the impeachment trial. It also gives the vote on the Freight Rate bill facts on the silver question, etc. The entire matter of the book has been gleaned with much labor from the records and is matter of fact.

The Asylum Steals, History of the Hoodlums' Trials, Penitentiary Cell State Steals, The Impeachment Trial, State Land Steals, Failure of the Capital National Bank, Investment of the Permanent School Fund, Legislative Appropriations, Deposits of State and County Funds, The Attempted Printing Steal, The Half Not Told, The Maximum Freight Rate Law, What Populists have Done for Nebraska, Populist Vote in Nebraska, Facts on the Silver Question, Two of a Kind, Omaha Platform.

Order of Secretary J. A. Edgerton, Lincoln, Neb. Price \$1.00 per dozen copies.

THE September Review of Reviews gives the progress of the world and says of the Democratic party that: "Its principal achievement has been the creation of the income tax system about which there has never been so much as a favorable hint in any Democratic platform. Coming into power with awful anathemas against the trusts and monopolistic corporations which the Republican party was accused of fostering by its tariff policy, this Democratic congress has confessedly played into the hands of these very combinations at nearly all the points of crucial test." There is an interesting paper on political Japan and its leaders; a paper by the editor on The New Hawaiian Constitution; an article by Hon. F. W. Holden, treasurer of South Australia, on New Ideas on Taxation, and an appendix to the report of the bi-metallic members of the German Silver Commission.

Lincoln College of Music.

The Lincoln College of music has changed its location from the Brace block to the Y. M. C. A. building Prof. J. L. Frank, who is at the head of it, is one of the best teachers as well as composers in the country.

CAMPAIGN SUBSCRIBERS.

A great many of our subscribers have paid for a copy of THE WEALTH MAKERS to be sent to a friend during the campaign. All those who are receiving the paper and who have not subscribed for it personally will know that it is being sent to them in this way. Read it. No bill will follow, but you will be notified when time for which paper is paid for has expired and if you do not renew your name will be taken from the list.

Irrigated Farm Lands IN THE FERTILE SAN LUIS VALLEY, COLORADO.

THE SAN LUIS VALLEY, COLORADO, is a stretch of level plain about as large as the State of Connecticut, lying between surrounding ranges of lofty mountains and watered by the Rio Grande River and a score or more of small tributary streams. It was the bottom of a great sea, whose deposits have made a fertile soil on an average more than ten feet deep. The mountains are covered with great deposits of snow, which melt and furnish the irrigating canals with water for the farmers' crops.

The Climate is Unrivaled. Almost perpetual sunshine, and the elevation of about 7,000 feet dispels all malaria, nor are such pests as chinch bugs, weevil, etc., found there. Flowing artesian wells are secured at a depth, on an average, of about 100 feet, and at a cost of about \$25.00 each. Such is the flow that they are being utilized for irrigating the yards, garden and vegetable crops. The pressure is sufficient to carry the water, which is pure, all through the farmers' dwellings.

Irrigation. Already several thousand miles of large and small irrigating canals have been built and several hundred thousand acres of lands made available for farming operations. Irrigation is an insurance against failure of crops, because success is a question only of the proper application of water to them. The loss of a single corn or wheat crop in Nebraska, for instance, would more than equal the cost of irrigating canals to cover the entire state, so important is the certainty of a full crop return to any agricultural state. The San Luis Valley will grow

Spring wheat oats, barley, peas, hops, beans, potatoes, vegetables and all kinds of small fruits and many of the harder varieties of apples, pears and all kinds of cherries.

In the yield of all these products it has never been surpassed by any other section on this continent.

Forty Acres Enough Land. Forty acres is enough land for the farmer of ordinary means and help. Besides the certainty of return, the yield, under the conditions of proper irrigation, will average far more than the 160-acre farms in the Mississippi and Missouri Valleys, and the outlay for machinery, farming stock, purchase money, taxes, etc., are proportionately less. There are a hundred thousand acres of such lands located in the very heart of the San Luis Valley, all within six miles of the Denver & Rio Grande Railroad, convenient markets and shipping stations, for sale at \$15.00 per acre. Most of these lands are fenced and have been under cultivation and in many instances have wells and some buildings, everything ready to proceed at once to begin farming. A small cash payment only is required where the purchaser immediately occupies the premises, and a long time at seven per cent. interest is granted for the deferred payments.

A Specially Low Homeseekers Rate will be made you, your family and friends. A large party will leave for the Valley on Sept. 1st, 11th, 25th, and Oct. 9th. Should you settle on these lands the amount you paid for railroad fare will be credited to you on your payments; and remember the land is perfectly and thoroughly irrigated, and the land and perpetual water rights are sold you for less than other sections ask for simply the water rights without the land. No better lands exists anywhere on earth. For further particulars, prices of land, railroad fare, and all other information call on or address, F. L. MARY, Manager Colorado Land & Immigration Co., BROWNELL BLOCK. LINCOLN, NEB.
