A MOB THWARTED.

Porty Men Try in Vain to Break Into Cells of Two Colored Men in Kentucky.

LEBANON, Ky., Aug. 13 .- A mob of about forty men went to the Springfield jail about 1 o'clock yesterday morning and demanded of the jailer the keys leading to the cells of Mat-thew Lewis and Jess Ray, who assaulted Mrs. Shields, white, recently. The jailer, seeing resistance was useless, handed over the keys and the mob proceeded to business. As everybody in the mob was drunk, none of them seemed to be able to unlock the jail doors. After working at the locks and bolts without success, they procured sledge hammers and tried to batter down the hammers and tried to batter down the doors. The doors proved too strong for them, however, and after two hours' hard work they abandoned the job.sThey then emptied their revolvers into the cells of the jail, but no one was hit. Returning the keys to the jailer they told him they would be back again to-night and left town.

SEVERE STORMS.

Nebraska Suffers From Hall, Wind and Washouts.

The storm was especially severe in Colfax and Platte counties, while adjacent counties suffered severely. The most disastrous results followed in the vicinity of Schuyler. All the glass in the sides of the buildings exposed to the storm were broken. The wires for a distance of fifty miles in all directions were torn down and information se-cured here of events in that section were brought in by train.

Ohio Democrats.

CINCINNATI, Ohio, Aug. 13.-Democratic leaders throughout the Miami valley have started a movement to nominate John A. McMshon of Dayton at the Democratic state convention in Springfield next week. Since the county conventions of Saturday it is claimed that Senator Brice's friends will control the convention and probably go further than to reaffirm the platform of 1892. Senator Brice as temporary chairman will sound the keynote and his friends are more interested in the platform than in candi-

Experience teaches that an article is best and meets all claims made, when sent out on its merits by a company. they prepaying express and requesting no money forwarded until same proves satisfactory after trial. This we do with our fountain, if not satisfactory only requesting it returned to express office.

The Lake City Automatic Stock Fountain waters 50 to 150 pigs daily; performs the same service for sheep, calves and poultry. HORSES AND CATTLE

DRINK FROM TANK. Has the right sized drinking cup; can be attached to tank, barrel or pipe in five minutes, and each time delivers water direct from receptacle. Valve seat being two inches in body of water (as with no other fountain) cannot freeze in winter; also acts as locknut, making all solid.

The price of our fountain, if satisfactory, is \$3.00, and will pay for itself each week in a herd of ten pigs. As it costs nothing to try, send for one and be convinced by your own judgment. West Liberty, Ia., July 23rd, 1895.

Stock Fountain Co., Lake City, Ia.: Gentlemen.—We are pleased to say that we have in operation on our two hog farms 12 of your fountains, and some of other make, but all things considered, the Lake City is as far ahead of them as a Self Binder is superior to the old Cradle.

We are pleased to note that the majority of stock breeders and farmers are now using them to the exclusion of all others, as undoubtedly the best. We wish you could convince all to try one, as the great saving of time, labor and food and increase of fat by giving fresh water, is wonderful.

We have followed very carefully your directions and used our own judgment regarding the watering of stock the same as feeding. A great many hog raisers pay too much attention to feeding and not enough to watering. We find old and young pigs work them in a few hours, and we never think of watering our chickens when using the fountians. Rings in hog's noses do not inconvenience them from using the fountain. The fountains are Multum in Parvo, par excellence.
