A PLAGUE OF THE NIGHT.

ITCHING PILES AND OTHER RECTAL TROUBLES EASILY CURED BY A NEW AND SAFE METHOD.

A Remarkable Number of Cures Made by the Pyramid Pile Cure.

About one person in every four suffers from some form of rectal disease. The most common and annoying is itching piles, indicated by warmth, slight moisture and intense, uncomfortable itching in the parts affected.

Many physicians for a long time supposed that the remarkable relief afforded by the Pyramid Pile Cure was because it was supposed to contain cocaine, opium, or similar drugs, but such is not the case.

Nearly all druggists now sell it at 50 cents and \$1 per package. Address the Pyramid Co., Albion, Mich., for book on cause and cure of piles and also hundreds of testimonials from all parts of the United States.

DISPOSAL OF WASTE.

Millions of Gallons of Grease and Refuse to Be Saved.

In not a few of our great cities the development of industries and manufactures has been accompanied by the serious pollution of neighboring streams. The city of Providence, R. I., has for this reason had under consideration for the past five years the question of the disposal of manufacturers' waste.

HAD TO PAY TRIPLE.

Flight of an Ocean Traveler Who Lost His Ticket.

There was one young man on the steamship New York, says the New York Times, who paid well for his passage. When it came time to present his ticket to the steward it was not to be found.

The unfortunate passenger asked every man, woman and child on the ship: "Have you seen ticket No. 1,601?" Notices were posted on the bulletin board. The next day the passenger lost his identity.

After the big dinner Thanksgiving day, Mr. "1,601" gave up the struggle and paid \$125 for his passage. This is the way he figured it up: "I have examined the first and second cabin passengers and know everything they possess. When I state that the New York customs authorities won't get within a few thousands of what is due them I give expert testimony."

"The steerage had 202 passengers in it. It would take me at least three days to examine them, and that would bring me into Sunday, and as we are due Saturday, I guess I'll give it up."
