...THE NEW WEEKLY

ROCKY MOUNTAIN NEWS,

Denver, Colo.

The greatest bona fide prize offer ever made  
in the West or South.

The News is the representative paper of the  
West—it is the people's champion; it is the peo-  
ple's advocate; it leads in thought, as in news.  
The Weekly has just been enlarged and im-  
proved; it contains the latest and fullest min-  
ing and mining stock news; it has special de-  
partments devoted to the Farm, the House-  
hold, Women and Children; all the brightest  
cassions and liveliest comment of the daily edi-  
tion are to be found in it; it presents in con-  
densed form the doings of all the world—it is  
a family paper without a peer.

And the Weekly News is determined to have  
beyond all question the largest circulation of  
any paper between the Mississippi river and the  
Pacific coast. Therefore it offers to the per-  
sons sending in the greatest number of \$1 year-  
ly subscriptions before September 1st next  
these unequalled prizes.

## Bonds, Bonds and More Bonds.

In 1905 the government will have to  
meet an indebtedness of something like  
\$550,000,000, payable in coin. The  
word coin is construed by ex-Secretary  
Foster and Carlisle, of the treasury, to  
mean gold. Now as there is only about  
\$650,000,000 in gold coin in the United  
States, it is not preposterous to suppose  
that the government can board that  
enormous amount in her treasury, when  
the indebtedness nearly equals the  
amount of gold in the country? This  
enormous debt was contracted when  
"coin" meant gold and silver, and in jus-  
tice to the people the debt should be paid  
in gold and silver. The past years finan-  
cial trouble is but a forerunner of what  
will take place when this debt becomes  
due. There will be bonds, bonds, and  
more bonds, unless the people unite this  
all and overthrow the money oligarchy,  
that is dictating our financial system.—  
York Democrat.

**Pyramid Pile Cure Cures Piles  
Quickly, Painlessly, Without  
DANGER**

People go along for years suffering  
with piles. Then try this, and that and  
the other thing; from carrying a bukeye  
to getting treatment from a physician.  
They obtain temporary relief, maybe, but  
they are never quite cured. A little  
strain in lifting, excessive fatigue, a  
little constipation or a little diarrhoea  
and the piles come back.

They don't seem to amount to much,  
but they
