A SOURCE OF SURPRISE.

To Physician and Patient Alike.

Dr. Redmond, a specialist in the study and treatment of piles and rectal diseases, recently stated that the Pyramid Pile Cure, the new discovery for the cure of piles, was the most remarkable remedy he had ever seen or tried in one respect; and that was, the instant relief experienced in all cases, no matter how severe, from the moment the remedy was applied; this was the more surprising to him, because he had carefully analyzed the preparation and no trace of opium, cocaine or similar poison could be detected.

Physicians look with great favor upon the Pyramid Pile Cure, because it is rapidly taking the place of surgical operations and because it is so simple, so easily applied and contains no mineral or other poisons so commonly used in pile cures.

Dr. Esterbrook reports that the Pyramid Pile Cure not only cures the various forms of piles, but never fails to give immediate relief on the first application, no matter how severe the pain or discomfort may be.

People who have suffered from piles for years are often astonished at the instant relief experienced from the first application. Another important advantage is the fact that anyone can use the remedy without detention from business or interference with daily occupation.

Mr. J. W. Rollins of Sweet Springs, Mo., writes: I consider the Pyramid Pile Cure without an equal; it cured me in less than 30 days. I waited 15 days or more to be sure I was fully cured before writing you; I can now say I am cured and I shall recommend the Pyramid Pile Cure at every possible opportunity, because it deserves it.

Although a comparatively new remedy, its popularity is such, that all druggists now sell it; if your druggist hasn't it in stock, he will get it for you if you ask him, as all wholesale druggists have it on sale.

NEBRASKA CROP REPORT.

AGAIN THERE WERE HEAVY RAINS.

The Brightest Prospects Everywhere for Good Crops

The week ending Monday April 20, 1896

Less than 1/2 inch, 1/2 to 1 inch, 1 to 2 inches, over 2 inches

In the western part of the state the weather of the past week has been cold with some snow and sleet. In the eastern part it has been warm, averaging from six to eight degrees above the normal.

Rains have fallen in all parts of the state during the week being above the normal excepting in the extreme east and west portions and particularly heavy in the central portion.

The heavy rains of the preceding week with the general excess during the past week have thoroughly saturated the ground and generally retarded farm work so that but little progress has been made over a considerable portion of the state.

The seeding of small grain is about complete over the eastern and southern portions of the state. Plowing for corn has commenced in the northern counties and has made some progress in other sections, but very little corn was planted during the week.

All vegetation has made rapid growth in the eastern and southern portions of the state. Grass in many localities is large enough to afford pasturage to stock. Small grain continues in good condition and seems generally not to have suffered from the heavy rains.

Plums, cherries, and apricots have bloomed profusely and apricots have begun to drop their blossoms and set their fruit.

Reports by counties.

SOUTHEASTERN SECTION.

Butler—Nearly done seeding. Blue grass pasture coming on nicely. Oats all up and looking green. Fall wheat looks fine. Soil in good condition.

Cass—Winter wheat and rye somewhat thin but looks well. Spring wheat and oats a splendid stand and growing nicely. Pastures nearly sufficient to support stock. Seeding practically done.

Clay—Wheat, rye, barley, oats and pasture green and in fine condition. Ground wet down to a great depth. Light frost on the morning of the 18th.

Fillmore—A good growing week. Ground in the best condition for years. Grass growing finely and small grain advancing rapidly. Fruit trees budding. Plowing for corn in progress. No pasture yet.

Gage—Plenty of rain. Plowing for corn well advanced and some corn planted. Wheat, oats and rye growing rapidly.

Hamilton—Excessive rains have delayed farm work. Grasses and small grain have made good growth.

Jefferson—Ground in excellent condition. Wheat doing finely but acreage small. Peach and plum trees full of bloom. Oats growing nicely.

Johnson—Wheat gives splendid promise. Blue grass, alfalfa and pasture well up. Apples, peach and cherry trees covered with abundant bloom; apricots have cast their blossoms and are full with young fruit.

Lancaster—All small grain in good condition. Ground in fine shape. Apple and plum trees in full bloom and present a fine sight.

Nemaha—Peach, plum and apricots in full bloom. Wheat, oats and gardens up and in fine condition. Grass high enough for grazing.

Nuckolls—Grain and grass growing very fast. Corn planting has been delayed by rain. Ground wet down fourteen to eighteen inches.

Pawnee—Grass growing finely. Small grain looks well. Plum, peach and some apple blossoms out. Some corn planted. A white frost on the 19th. Ground abundantly wet. An unusual number of fruit trees being set out.

Polk—Crops of all kinds in good condition, considerably above the average for this date. Wheat and rye up three to five inches. Slight frost on the morning of the 18th. Present prospects never better for fruit. Plowing for corn well under way.

Redwood—Early apples, peaches, cherries and plums full of bloom. Plowing for corn well under way.

Saline—All kinds of seeds have come well. Grass and winter grain have come forward fast. Much plowing for corn is done but no planting. Early potatoes mostly planted. Plum, peach and apricot trees in bloom. Ground in splendid condition.

Saunders—Seeding about all done. Wheat and oats coming nicely. Ground wet down about eighteen inches. Pastures where not dead, are showing green. Spring sowing of alfalfa coming up nicely. Old alfalfa and grass growing well. Fall wheat never looked better. A few apple trees in blossom.

Seward—Showers during the week have kept the ground in fine condition. Fruit trees coming into bloom. Light frosts on the 17th and 18th but no apparent damage. Soil wet down eighteen to twenty-four inches. Wheat fine and oats doing well.

Thayer—Plenty of moisture. Fall wheat looking well. Oats coming up evenly. Pastures getting green. Fruit buds look well.

York—Seeding very nearly done. Winter wheat continues to look fine. Light frosts but no damage. Ground wet down very deep. Plum and other fruit trees full of buds.

NORTHWESTERN SECTION.

Antelope—Ice on the morning of the 18th. Rye, wheat and prairie grass all looking well. Cattle did fairly good picking on the prairies.

Boyd—The wettest week for several years. Small grain about all sown and mostly up. Plowing for corn has generally commenced. Stock turned out to grass.

Burt—Early sown wheat and rye is up and oats mostly sown. A much increased acreage of small grain this year, especially wheat. Plowing for corn has just begun. More fruit trees set out this spring than for ten years. Blue grass large enough to pasture.

Cedar—A fine week. Wheat looks very green also pastures and meadows. Alfalfa doing well.

Colfax—Rains the heaviest for years making grain look fine; also the grass in pastures and meadows. Farmers plowing for corn.

Cuming—Wheat looks fine. Oats coming up. Plowing for corn under way. Ground in fine condition.

Dakota—All small grain in excellent condition. Warm and sultry with continuous rains and very little sunshine.

Dixon—Heavy rains have saturated the ground. Wheat coming up nicely. Oats nearly all sown. Rye coming out much better than was expected. Farm work a week later than last year.

Douglas—A good week for farm work. Oats about all planted and some potatoes. Wheat about all up.

Holt—Wheat good. Oats about all in and some up. Rye fine. Grass growing rapidly. Some potatoes planted. Some plowing for corn.

Knox—Small grain up and looking fine. Peas, radishes, lettuce and potatoes are being planted.

Madison—Wheat and oats about all up and a good stand. On prairie lowlands stock is self supporting. Ground in best condition for several years. Corn ground being prepared.

Pierce—Heavy rains this week and ground very wet. Small grain nearly all sown and some up. Froze quite hard on the night of the 17th.

Platte—Winter wheat and rye could not look better. A larger acreage of small grain sown than usual. Farmers plowing for the week for several years. Alfalfa making a fine showing.

Sarpy—Early sown crops look well. Ground in fair condition for all purposes.

Thurston—Weather cold and backward. Wheat and oats nearly all in and some up. Acreage larger than usual. Ground in fine condition. Plowing for corn begun.

Stanton—Very favorable week for crops. Wheat is up and in fine condition. Light frost on the 18th but no damage.

Washington—Grain fields looking green and a good stand. Seeding all done and plowing for corn commenced.

Wayne—Small grain all in and mostly up. Excellent rains this week but none too much. Most favorable conditions for years. Increased acreage of small grain this year.

Sioux City, Iowa—Very favorable week. Seeding for small grain nearly completed. Plowing for corn in progress.

CENTRAL SECTION.

Boone—Small grain about all sown. Acreage of oats larger than last year. Gardens being planted. Alfalfa growing fast.

Buffalo—Ground thoroughly saturated. Grass, oats and wheat growing finely. Plowing for corn is being pushed.

Custer—Wheat generally in and some potatoes planted. Winter wheat and alfalfa looking fine. Wild pasture green. Heavy freeze Friday night.

Dawson—Farm work much delayed by wet weather. Spring wheat and oats coming but some oats to be put in yet. Last year's seeding of alfalfa is mostly all right. Stock living on grass.

Hall—Wheat looks fine. Oats coming well. Fruit trees in bud. The finest rain during the week for four years. Ground very wet. Grass has made rapid growth. Hard freeze on the 18th.

Rock—An encouraging week. Grass and small grain doing finely. Quite a breeze on the 18th.

Sheridan—Farm work retarded the latter part of the week by snow.

Epilepsy 20 Years.

Cured by Dr. Miles' Neryine.

A few years ago, Mr. L. W. Gallaher, was an extensive, successful expert manufacturer of lumber products. Attacked with epilepsy, he was obliged to give up his business. The attacks came upon him most opportunely. One time falling from a carriage, at another down stairs, and often in the street. Once he fell down a shaft in the mill, his injuries nearly proving fatal. Mr. Gallaher writes from Milwaukee, Feb. 16, '96.

"There are none more miserable than epileptics. For 20 years I suffered with epileptic fits, having as high as five in one night. I tried a number of physicians, paying to one alone, a fee of \$50.00 and have done little or nothing but search for something to help me, and have taken all the leading remedies, but received no benefit. A year ago my son, Chas. S. Gallaher, druggist at 191 Reed St., Milwaukee, gave me Dr. Miles' Restorative Neryine, and I tried it with gratifying results. Have had but two fits since I began taking it. I am better now in every way than I have been in 20 years."

Dr. Miles' Remedies are sold by druggists on a positive guarantee that the first bottle will benefit or price refunded. Book on the Heart and Nerves, free. Address, Dr. Miles Medical Co., Elkhart, Ind.

ARMAGEDDON.

The new industrial and political song book.

It contains 150 pages 7x9 inches size. Splendid new words and new music. Pronounced by all incomparably superior to any book that has yet appeared.

H. E. Taubeneck says of it: "It is the best song book yet published."

Rocky Mountain News: "Best of anything in the line that we have seen."

Missouri World: "It fills a long felt want."

Gen. Van Dervoort: "I congratulate you on your great work. The whole country will sing this music."

New York Voice: "A collection of songs for the times, with bright, catchy words and good stirring music."

The Sledge Hammer: "Every one [of the songs] is a gem. No chief in the whole book."

Excelsior (Iowa) Populist: "Should be in the hands of everyone who wishes to make a hit during the campaign."

Prof. George D. Herron: "I believe your book of songs will be immeasurable and divine service in quickening and perpetuating the great movement for the social change which is manifesting itself everywhere among the common people. It will inspire the people with courage and cheer and fellowship in the great struggle that is before them."

Prof. W. M. Ross of Indiana, the great solo singer of "The Van Bennett National Team," says: "I have taken pains to run through the work and pronounce it a grand collection of words and a high order of music."

The Farm Field and Fireside says: "It has been long a new tone into the songs of the party, and to write a series of patriotic songs which are hardly surpassed by any in our literature for loftiness of motive and real merit from a literary point of view, while at the same time they are not at all lacking in the musical quality which must necessarily be present before any song touches the popular popularity. They are remarkable for their fervid patriotism and broad humanity. In fact, if the People's party rises to the patriotic level of these songs, we have little doubt of its ultimate success as a party. The songs strike the whole octave of human sympathy. Sparkling humor, keen wit and biting sarcasm, as well as the every patriotic theme, are touched in turn by the talented author."

Copies of Armageddon for sale at this office, will be mailed to any address at 30 cents each, or \$3.00 per dozen.
