WE MAKE THIS SPECIAL UNPRECEDENTED OFFER TO QUICKLY INTRODUCE AND OBTAIN AGENTS IN NEW LOCALITIES. READ EVERY WORD!

To quickly introduce and obtain agents in as many new localities as possible for Dr. Horne's New Improved Electric Belts and Appliances, we have decided to sell for a period of 60 days only our No. 4 Dr. Horne's New Improved Regular \$20.00 Electric Belt for only \$6.66, a price that will make it possible for every person reading this advertisement to get one of our best Belts at a nominal price. Never in the history of our business have we offered to sell this Belt at such a price, but we realize that times are hard and we must cope with them. Aside from this we want an agent in your locality, and we believe that if you buy a belt you will be so well pleased with it that you will either act as our agent or help us to get one.

REMEMBER, the Belt we are offering you for only \$6.66 is our No. 4 Dr. Horne's New Improved Regular \$20.00 Combination Belt for men or women. It is adjustable and can be worn by the whole family. **Suspension Free with every Belt.** It is the best belt we manufacture; in fact, the **BEST ON EARTH**, and we make no exception to this statement. It will last for years with proper care. We have sold hundreds, yes, thousands of them up to \$40.00. No better belt than this has been sold from \$60.00 to \$100.00. There is not a family but what should have one of these belts, as it is the best and cheapest doctor, and you do not have to go out of the house to get it. It will save itself in doctor bills ten times over. These Electric Belts have cured thousands and will cure you if you will only give it a trial as the many testimonials which we publish in our catalogue will prove.

We do not ask you to send any money in advance. If you want one of these Belts we are perfectly willing to send it to your nearest express office, C. O. D., subject to examination, so that you can see and examine it free of any cost, just the same as if you came into our office or go into any store, and if you are perfectly satisfied with it pay the express agent the price of the belt and express charges and take it; otherwise it will be returned to us. Can any fairer offer be made you than this? We are the only manufacturers of Electric Belts who send belts C. O. D. subject to examination, without asking one cent in advance. If you wish to send cash with order we will prepay all express charges and guarantee the belt to be exactly as represented or forfeit \$100.00.

We have now offered you an opportunity of your life and if you do not accept it you may be sorry for it, as we shall never again offer this Belt at such a price. It seems needless to say that we are sustaining a loss on every Belt we sell at the above price, but it is cheaper to introduce them in new localities in this way than to send traveling men to do it for us. If you want one of these Belts fill out the blank order below and send it to us at once. Don't delay. Order day if possible, otherwise you may forget it. Address plainly,

THE FAIR CITY OF ORD.

Irrigation and Populist Government Com-
bine to Make her Happy.

ORD, NEB., April 18, 1896.

Special to the INDEPENDENT: Your traveling missionary after a pleasant and profitable stop at St. Paul, boarded the Ord branch of the U. P. R. R. at 5 p.m. for Ord, the course of the R. R. lies along the right bank of the North Loup river, and traverses one of the richest agricultural valleys in the state. The first stop is Elba about ten miles up the river from St. Paul. This is a thrifty growing little village of about 300 souls, and situated about $\frac{1}{2}$ mile from the river. Its inhabitants are a busy and industrious people. The next point of special importance is Scotia on the left bank of the river in Greely county and the next point is the North Loup in Valley county. This little village is at the foot of the North Loup irrigation ditch, which has its head just below Ord and extending down the valley about sixteen miles and from its waters there is irrigated about 12,000 acres of the valley, and I was told at North Loup that there was 50 car loads of potatoes shipped from that station last fall which were grown on land irrigated from the ditch above referred to. The result of this is that the farmers in the valley are in a comparatively comfortable condition financially speaking. We stopped over night at North Loup and during the night we had a drenching rain which poured down all night long and most of the next day wetting the ground to a great depth. The people of this vicinity say that they have not had so good a prospect for many years, for a full crop of small grain.

We reached Ord on the night of the 17th and put up at the Hotel Ord which, by the way, is one of the neatest and most home-like little hotels in Nebraska. It is presided over by gentlemanly clerks and lady-like waiters and is equipped with all the modern conveniences. The government of this (Valley) county is in the hands of populists with but one exception, and her warrants are cash on demand and all her affairs are in a prosperous condition. Her merchants and business men are doing well, and as one of her sturdy yeomen stated to me, "we are happy but short of cash, that is, we have plenty to eat of our own raising, but prices are low and therefore money is scarce." The people in and around Ord feel the good results of the limited irrigation they already have and they are pushing the enterprise of irrigation as rapidly as possible and in the near future will have all the available land in this vicinity under irrigation. This is one of the banner populist counties in the state, which is an evidence of the progressive spirit of her people and the NEBRASKA INDEPENDENT is the leading paper, which is a further and more perfect evidence of their good judgment.

A New Sort of Good Standing.

HASTINGS, NEB., April 27, 1896.
I clip the following from the Hastings Republican: "There never has been a time when the republicans of Adams county had so good a standing over the state as at the present time and this is largely because the last delegation to the state convention was there in the interest of the party and not for trading purposes."

Your correspondent can't quite understand the above item from the Hastings Daily Republican except upon the hypothesis that the loss of the sheriff, district clerk, county clerk, coroner, and the defeat of the republican candidate for district judge in this county by a majority of 245 last fall, with the additional defeat of the republican candidate for mayor at the spring election by a majority of 273 produced it. The above items are a recommendation for Adams county republicans. They certainly have reason to be proud.

It would seem to me that the party ought to honor them with two or three places on the state ticket on account of their generalship and bravery on the political battlefield. We suppose it was the cutting defeat last fall in the county and their Waterloo this spring in the city which prompted Chairman McCrary to announce in his speech at the republican convention at Omaha that Adams county was the birth place of the populist party. He ought to have added that the baby had grown to the proportions of full manhood and that he was numerous and untiring in his efforts for reform, etc.

ASSISTANT REPUBLICANS.

The Federal Brigade Select Delegates to the Chicago Convention.

The second rump convention of the "straight democrats" met at the Funk opera house in Lincoln on Wednesday and elected the following delegates to the national convention:

Delegates-at-large—
Tobias Castor, Lancaster.
W. A. Paxton, Douglas.
Chas. G. Ryan, Hall.
Dan W. Cook, Gage.
First District—N. S. Harwood, Lancaster.
D. P. Rolfe, Otoe.

Second District—Euclid Martin and T. J. Mahoney, Douglas.

Fourth District—O. H. Scott, Thayer.
R. A. Dunphy, Seward.

Fifth District—Geo. H. Kingsley, Kearney.
H. G. Keeler, Webster.

Sixth District—J. I. Leese, Dawes; J. J. McIntosh, Cheyenne.

A cutting affray occurred in this city about 8 p.m. on Sabbath evening in which Henry Mapes of near town was pretty badly cut about the face, breast and back but it is thought that his wounds are not fatal. Dr. Chapman and Arts are the attending physicians the party who did the cutting is from Grand Island and his name is not known and he has not been arrested, at date of writing.

All kinds of vegetation in a very advanced stage of growth in this locality. The fruit trees of all kinds growing in this country are laden with bloom and promise an abundant harvest, if we escape a biting frost, we had a frost on the nights of the 11th and 12th of last May that damaged the fruit throughout Nebraska, Iowa, Kansas and Missouri.

A few of the old ringers of the city government of Hastings are being de- capitated, at each council meeting by Mayor Evans, and the political atmosphere in and around this city, is becoming purer by reason thereof.

Never Again.

The taxpayers have become tired of being Mosherized by the g. o. p. state house jokers, and will see to it that no McKinley goldbug or U. P. railway hiring will again be bunched into the executive department of this state.—Calaway Tribune.

FOOD FOR THOUGHT.

The man who happens into "THE NEBRASKA" this Spring will find plenty of food for thought in the prices he finds attached to anything he may pick up. He will find a good, substantial, durable, suit of clothes marked \$4.25 which ten years ago would have cost him at least a ten dollar bill. He will find a fine black worsted suit selling for seven dollars—the same quality as he used to pay \$15.00 to \$18.00 for not many years ago—He will find Men's shirts marked 50 cents which a few years back would have been considered cheap at \$1.50 and he will find Hats, Shoes, Underwear, Sox and anything that a Man or Boy can wear for VERY MUCH LESS than he ever expected to see them marked. What is the cause of these lower-than-ever prices at "THE NEBRASKA" this Spring? The main cause is the general condition of the country and together with that, is the desire on the part of "THE NEBRASKA" to make prices in keeping with the hard times.

Prices this Spring are lower than ever before, our profits are lower than ever before, our values are greater than ever before. It is a good time for you to buy.

Our Spring Catalogue will give you some valuable lessons on the cheapness of things.
