SAVE DOCTOR BILLS. THE BOOK FOR EVERYBODY.

An Encyclopedia of Medical Instruction by the Leading Medical Men of the Country.

A helpful companion for all classes and a storehouse of the latest medical knowledge, a complete encyclopedia on home nursing, on infant feeding; tells you what to do in cases of accident, how to nurse and treat the sick. It gives the anatomy and physiology of both the sexes. Hygiene of the home and of the sick room. Children's diseases and how to treat them by simple and safe remedies. Over five hundred prescriptions.

A Few of the Remedies Advised.

ADVICE TO MOTHERS—The book is worth many times the price asked for it to mothers who have the care of small children. The section devoted to children's diseases is the most modern of anything yet published. It is brought up to date—1896.

NURSING—Nothing is more conducive to the comfort of the sick than to have an able nurse. By following the instructions and studying carefully the section devoted to this branch of the healing art, you can become perfectly proficient in this science. Every woman should know what to do and the best way of doing it in case they are suddenly called upon to care for the sick.

INFANT FEEDING—This section alone is worth many times the price asked for the book. Here the mother, whether she be young and inexperienced, or whether she may have had a world of experience, will find words of wisdom. She will find what is the best food for the baby, and the very latest and best way to prepare it.

DISEASES OF CHILDREN—The treatment of children's diseases has been revolutionized during the past few years; all that is new and by experience proven to be the best, has been incorporated in this section. No book of recent date, not even for doctors, is as advanced in its treatment of this important branch as this book. This late treatment for that dreaded disease—Diphtheria—which has proven so fatal to so many, is here given.

DISEASES PECULIAR TO WOMEN—In this section will be found invaluable information for every woman and for every maiden just merging into womanhood. The advice and treatment here given is the latest and best. It is by a physician who has long been a specialist in this class of diseases.

THE STOMACH—There is no one but what recognizes the fact that a sound stomach is the prime requisite for a sound body. The diseases of this important organ have been dwelt upon at great length. The very best means are minutely described for restoring this organ to a healthful state after being once deranged.

THE LIVER—Every individual knows the vast role this organ plays in the human organism. If it be out of fix the whole family and all about him. This book gives a minute description of this all-important organ, and a clear portrayal of its varied diseases. It then tells how these may be corrected and the organ restored to its healthy condition.

HUNDREDS MORE.

There are Prescriptions and Simple Remedies for Asthma, Cholera, Croup, Diarrhoea, Ear Ache, Erysipelas, Hay Fever, Indigestion, Kidney Troubles, Worms, Measles, Nose Bleed, Whooping Cough, Pneumonia, Ringworm, Scalds, Sprains, Sunstroke, Tonsilitis, etc., etc., any one of which might save not only a doctor bill, but a life as well. Can you afford to be without it?

It treats of all the summer diseases, and gives the very latest prescriptions for all slight as well as serious ailments. What you pay for one prescription will more than pay for over 500 of the latest and best prescriptions, and a wealth of valuable information besides. The book is meeting with an enormous sale in the east. Price \$2.50.

By special arrangement with the publishers we are enabled to offer this valuable book, and a year's subscription to the NEBRASKA INDEPENDENT for only \$1.75. Send for a copy. Buy a Smooth White Skin For Your Face! It probably needs renewing, for it is rough, red, freckled, blotched or pimpled, until it has become repulsive instead of attractive. Healthy skin is always beautiful.

Viola Cream cleanses, nourishes and restores the skin, making it soft, white and beautiful. It is not a cosmetic—does not cover up, but removes blemishes. It is harmless and always does just what we claim for it.

very well except the army worm is working in some pieces of rye and winter wheat. Cherries are ripe. Some potatoes large enough to eat. First crop of alfalfa being cut and a good yield.

NORTHEASTERN SECTION. Antelope—Wheat improving, recovering from yellow spots. Oats unusually good standing 15 to 18 inches high. Alfalfa fine and is being cut for hay. Millet sown.

Boyd—All small grain very rank and green. Corn and potatoes growing rapidly. Burt—Cherries are ripe. Alfalfa ready to cut. Tame grass 20 to 25 inches high and very thick. Corn doing well but ground washed badly in parts of county by heavy rains. Some hail doing little damage.

Cedar—Some rust in wheat. Oats are almost knee high. Grass of all kinds well ahead. Corn in fine shape and growing rapidly. Cultivation of corn in progress and field work well along.

Colfax—Spring wheat rusting badly. Rye very heavy in the straw and filling nicely. Oats very heavy and lodging on bottoms. Tame and wild grass unusually good. Corn rather short for the season of the year, much being cultivated.

Cuming—Wheat is looking better than it did a week ago although rust has struck it in some places. Oats doing very well. Corn a little small and washed in some places but no serious injury.

Dakota—Wheat is not doing as well as expected, most of it is too thick and rusting some. Grass is such a heavy crop that new hay is already on the market. New potatoes have appeared.

Dixon—Heaviest rain for years on morning of the 6th. Much damage done by washing out corn and many bridges and fences washed away.

Douglas—Wheat rather too cool for corn but other vegetation has made rapid growth. Low grounds are still excessively wet.

Holt—Small grain looks well. Rye three to four feet high and very promising. Early planted corn up four to six inches and in good condition. Grass enormous.

Knox—Corn has a good start and is a good color. Rye heading and filling well. Oats and wheat growing well and are very thick and rank.

Madison—Corn somewhat washed by heavy rains but in other respects doing well. Wheat and oats look rusty in spots.

Pierce—Plenty of rain and all crops looking fine. Platte—Corn coming up with a good stand. Wheat badly struck with rust in places. Rye in fine shape. Oats too rank and in many places lodged badly. First crop of alfalfa being cut. Some slight damage from hail.

Stanton—Small grain in good condition except in a few localities where some rust is reported. Corn making a good growth and stand is good.

Thurston—Small grain generally doing well, a little rust caused by wet weather. Too cool for corn. Alfalfa is being cut and a good crop. Flax in bloom and looks well.

Washington—Some damage done to wheat and oats by rust and rain. Rye is looking all right, also corn is doing well.

Wayne—Crops of every description are doing nicely with one exception, wheat is showing some rust. Very heavy rain the last of the week doing little damage.

Sioux City, Iowa—Temperature and rainfall slightly below average but a very favorable week.

CENTRAL SECTION. Blaine—Heavy rains during the week has put the ground in fine condition and corn and wheat looks well. Some damage by cut worms.

corn, although corn is doing well and is much ahead of last year. Webster—Wheat and oats very promising; early oats heading out. Week mostly sunshine; good for killing weeds. Corn being cultivated second time. New potatoes and peas in use.

WESTERN SECTION. Deuel—The recent rains have left everything in excellent shape. Grasshoppers are eating wheat and oats some. They are very small, but millions of them.

Cheyenne—Fine rain this week and all crops coming on nicely. Grasshoppers are doing some damage.

Keith—Week cool and cloudy, with showers and some hail. Crops look well. Lincoln—Crop prospects have improved decidedly the past week. Crops now in good condition.

Logan—Wheat and oats growing finely. Corn planting finished. Grass doing exceedingly well; rather cool for corn.

Scotts Bluffs—Good rains have been very beneficial. All crops doing well. A large acreage of beans will be put in the coming week.

NORTHWESTERN SECTION. Brown—There have been fine rains and the week has been favorable for the growth of all crops. Cut worms are very bad in some sections, and much corn has to be replanted.

Cherry—The week has been a good one for crops and grass. The rain has been very beneficial.

Keya Paha—Fine rain on the night of the 5th. Small grain looking well. Grass is better than for years.

Rock—The much needed rain came on the 5th and 6th. Small grain and grass much improved in condition. Corn looks well except some fields injured by cut worms.

Sheridan—Good rains during the week have been very beneficial for all crops. Ground in excellent condition.
