ITEMS OF INTEREST.

A law just enacted by the legislature of New Zealand excludes the Chinese from that country. In the palace of Emperor William, in Berlin, 500 householders and 1,800 liveried footmen find employment. A Boston barber advertises "a separate room upstairs for dying," ignorantly omitting the letter "e" from the last word. When a dentist in China is pulling a tooth for a patron, an assistant pounds on a gong, to drown the cries of the victim. Trees which grow on the northern side of a hill make more durable lumber than those which grow on the southern side. A cane worth \$3,000, a gift from some friends, is carried by Dr. H. H. Hale, of Detroit. It is ornamented with gold and jewels, and in the head is a fine watch. Some of the best families in England have substituted boys for householders, whom they have found incompetent and insolent. The substitutes are chiefly from India. Smelts are so plentiful in Bellingham bay, Washington, that they come to the margin of the water in schools, and are drawn ashore with garden rakes and scoop nets. Indiana Town Fire Swept. RUSHVILLE, Ind., Nov. 3.—The greater part of the business portion of the town of Manilla, twelve miles southeast of this city, was wiped out today by fire. Two blocks of frame business houses were consumed. The town has no fire department, and Rushville was called on for aid. The total loss will be over \$40,000, and no policy for fire insurance was in force.

Secretaries Olney, Carlisle and Morton are likely to be the President's guests for the purpose of hearing the returns as received. Postmistress and Inspector Married. EXCELSIOR SPRINGS, Mo., Nov. 3.—Postmistress Kate E. Kidd of this place and Postoffice Inspector Dennis Sullivan were married at noon yesterday at the home of the bride's brother-in-law, S. F. Folsay. Oregon. PORTLAND, Ore., Nov. 3.—The Republican state committee places the minimum majority for McKinley at 4,500. The latest estimates given out by the Populist state committee put the majority for Bryan electors at 2,300. At the state election held last June the Democrats and Populists both had tickets in the field, and their combined vote on supreme judge exceeded the Republican vote by 4,300. The National Democrats claim they will cast at least 4,000 votes in the state.

Colorado.

DENVER, Col., Nov. 3.—A fusion was early effected between the Democrats, Populists and silver Republicans and silver party on presidential electors pledged to Bryan and Sewall and on Congressmen Shafroth and Bell for reelection. This combination, it is conceded, will carry the State by a very large majority. The vote this year is estimated at 160,000. The supporters of Bryan and Sewall claim for them a majority of 120,000. The McKinley Republicans promise to show twice the strength credited to them by their opponents. Kentucky. CINCINNATI, Ohio, Nov. 3.—Senator Blackburn, who has been replying to Secretary Carlisle throughout Kentucky, says: "My estimate, which I consider conservative, gives Kentucky to Bryan by 18,000 to 30,000. I would not compromise on 10,000. Colonel Whalen and others assure me that Louisville will give Bryan a majority. The Republicans claim that district by 5,000 and upward. They will not carry it by more than 3,000 at their best."

Divorcee, Actress and Bride.

CLEVELAND, Ohio, Oct. 29.—Mrs. Cora Gabrielle Smith and Mr. Fred M. Ranken were married here last evening. The marriage was of more than usual interest to the public on account of the prominence of the contracting parties. Mrs. Ranken was formerly the wife of Beaumont Smith, the actor, from whom she was divorced in Oklahoma. She at one time played as Modjeska's leading lady, and was also a member of Booth & Barrett's company. Mr. Ranken is a woolen merchant of New York and a leading society man of that city. The couple left for the East immediately after the ceremony. Deed of a Crazy Hired Hand. JEWELL CITY, Kan., Oct. 29.—B. F. Wallace's hired man kerosened his bed last night and set fire to it. While the family were extinguishing the flames the man set fire to the barn, which was consumed, together with a large lot of grain and four mules; loss, \$3,000; insurance, \$2,000. The man is supposed to be crazy. The Venezuelan Commission at Work. WASHINGTON, Oct. 29.—The Venezuelan commission resumed its session today, and probably will meet very frequently from now until it shall complete its work. Andrew D. White was the only absentee. The work of the commission is heretofore, strictly in private. Six Seamen Lost in Lake Erie. ST. THOMAS, Ontario, Oct. 29.—The government cruiser Petrel has arrived at Port Stanley with the news that the schooner Sandilla, loaded with lumber for Tonawanda from Warton, went down in Lake Erie last Friday, and the crew, consisting of captain, mate, three seaman and a cook, were lost.
