CHAPTER XVIII.

THE FINISH OF A SAILOR'S STORY. The morning of the sixth day after arrival of the man-of-war Mr. Wil-

The men dug a grave on the east shore of the island, and with the chap-

Ralph, it was known to father and mother that we loved each other. That we have you to comfort us and depend

Directly after dinner Captain McComber began to land a force of men on the beach, and Captain Clark and I both

"Yes, that is what I wish you could get, but I am not hopeful. From the de-

A sergeant of marines, accompanied by six men, was at once dispatched to the camp of the mutineers. I did not

"Go back to your Captain McComber and tell him that not a man of us will give in. To be captured and taken into

When the sergeant returned and reported, the captain separated his men into three detachments. Each detach-

Stretched out through the woods, but still in touch with each other, the three detachments moved to the north.

Seeing that he had underestimated their strength and desperation, Captain McComber sent aboard for a mountain

Nearly all the provisions taken from the Hindu when we set the men ashore

beach we destroyed what was left and burned the camp, and as there was no longer any wild fruit on the trees

When the bark was brought around to the east side of the island, she was anchored about a mile from the beach.

I was greatly fatigued after the day's excitement, and at 1 o'clock in the morning I committed what was little

The desperate man died by inches. As the hand of death clutched at his throat the little good in him came

Johnson had been shot in the breast. We went off for the surgeon, and when he had made an examination he plainly

When morning came the body of Ben Johnson was taken ashore for burial. There was but scant ceremony in laying
