

A GREEK REVOLUTION NEXT.

KING GEORGE AND FAMILY IN PERIL.

THE POPULACE INCENSED.

Minister of Marine Resigns and an Extraordinary Session of the National Legislature Is Called - Repetition of the Paris Revolt in 1870-'71 Seems Certain - Turkey's Terms.

LONDON, April 28.—That the incidents which followed the disastrous defeats of the French by the Germans in 1870-71, when Paris was in the throes of revolutionary outbreaks, will be repeated in Athens because of the evacuation of Larissa by the army of Crown Prince Constantine seems now almost certain.

A message to an embassy here Friday declared that an uprising and an attempt to depose or assassinate King George might be made at any moment and the worst was to be feared.

TURKEY WILL BE MODERATE.

CONSTANTINOPLE, April 28.—The successes of Turkish troops in Thessaly have caused the greatest satisfaction in military circles here. It is now believed Edhem Pasha will occupy the port of Volo and the important town of Trikhalia, almost due west of Larissa and about forty miles from that place.

As to the campaign in Epirus, it is not thought here that Jannina is now in danger of being attacked by the mutinous Albanians, as, owing to the efforts of the palace officials here, combined with the efforts of the Albanian chiefs, the mutineers are said to have submitted, although the outbreak at first caused serious apprehension at the Yildiz kiosk.

The Turkish forces are assuming the offensive at Metzoro and Luroa, province of Epirus.

A deputation of citizens sent from Volo to Larissa has been assured by the Turkish commanders that the people of Thessaly have nothing to fear from the invaders.

OSMAN PASHA RECALLED.

LONDON, April 28.—A special dispatch from Constantinople announces that the sultan has recalled Osman Pasha in order to avoid embarrassing Edhem Pasha.

RELIGIOUS ELOPEMENT.

Volunteer Lieutenant James Nelson Runs Away With Coates' Wife.

LEAVENWORTH, Kan., April 28.—James Nelson, a lieutenant in the American Volunteers, eloped from here Saturday with Mrs. Mary Coates, wife of an employe of a brewery.

They had been acting in a manner to cause unfavorable comment for some time, but Coates had faith in his wife and he gave her \$70 in order to visit his parents, but which she used to make the elopement successful.

Nelson came here from Topeka six weeks ago. He was a loud street corner exhorter. He deserts a wife and two children. Mrs. Coates tried "to work" her husband for \$1,800, which he had in bank.

Banker Charged With Forgery.

BOONVILLE, Mo., April 28.—Fred Rogers, who is bookkeeper in the Bank of Bunceon, came to Boonville and swore out a warrant before Justice of the Peace Lucien B. Wright, charging Gorman L. Stephens with forgery.

Stephens is vice president of the Cooper County bank, the only other bank in Bunceon, a prominent citizen, wealthy, and a cousin of Governor Stephens.

The Equitable Aid Union Insolvent.

ENID, Pa., April 24.—Judge Walling has declared the Equitable Aid union, in all its classes, as a corporation, insolvent, and extended the receivership of Chasney P. Rogers to class B of the order. The receivership extends to the order in Ohio and Michigan.

McCray and Tilton Named.

TOPEKA, Kan., April 18.—Governor Leedy to-day issued commissions to the members of the text book board, including D. O. McCray and D. C. Tilton, who had not been confirmed by the senate.

SPICER FAMILY BUTCHERS.

Two Indian Boys Confess the Horrible North Dakota Murders.

BISMARCK, N. D., April 28.—Two Indian boys, Paul Holy Track and Philip Ireland, have confessed to the authorities that they were at the Spicer place on the day of the murder and found the members of the family murdered, and found two Indians, Black Hawk and Cadotte, there. This confession, supplementing one made by Cadotte a few days ago, goes far toward unravelling the mystery of the murder, and implicates definitely Black Hawk and Cadotte, and gives the authorities evidence which will be of great value in their trial.

The boys state that the murder was planned some weeks before it was committed and that Black Hawk was the leader. The four went to the Spicer home on the day of the murder, Black Hawk and Cadotte going to the barn and the two boys to the house. At the barn the two men found Spicer, and Black Hawk shot him and then split his head open with an ax. Cadotte then ran to the house and told Mrs. Spicer that her husband was sick at the barn. As soon as Mrs. Spicer appeared at the barn door, Cadotte stabbed her through the heart with a pitchfork. Cadotte then went to the house and found Holy Track engaged in a terrific struggle with Mrs. Rouse. He said to Holy Track: "Why don't you brain her with the ax?"

Holy Track replied: "I cannot, as the children are bothering me."

Cadotte then picked up the ax and dealt each of the twin babies a death blow. The two fends then had no trouble in killing Mrs. Rouse. About \$62 in money was found and divided by the wretches after the completion of their bloody work.

Public sentiment in Emmons county is at fever heat, and it is more than probable that all four implicated will be lynched.

The Scheme Didn't Work.

SAN FRANCISCO, April 28.—Miss Lillian Ashley, who last year sued Millionaire E. J. Baldwin for a large sum of money, and her sister, Emma Ashley, who, during the trial shot at Baldwin with a revolver, missing him, brought the baby, who was a feature of the famous trial, to the Baldwin hotel on Thursday last. They were disguised with wigs and spectacles and registered as Mrs. Lay and child and Miss Lay of Chicago. They proposed to force Baldwin to pay for the child's support. They were, however, detected and last night ejected from the hotel.

Four Swept Over a Dam.

CUMBERLAND FALLS, Ky., April 28.—News was brought here from Park's Mills, ten miles distant in the mountains of the drowning of four young people who were out skiff riding. Matt McKee and John Davis and Misses Maggie and Minnie Shepard are the names of those who are reported to have lost their lives. They ventured too near the mill and the current swept them over.

Decorate Confederate Graves.

VICKSBURG, Miss., April 28.—Confederate memorial day was generally observed in Mississippi and Alabama yesterday. In this city there was a procession to the cemetery, participated in by the veterans of both armies. Thousands gathered at Soldiers Rest, at Mobile, Ala., where the graves were decorated after a military parade, participated in by the First regiment and Confederate veterans.

Democrats Refuse to Yield.

WASHINGTON, April 28.—The Democratic members of the finance committee will not accept the proposition made by their Republican colleagues to allow the tariff bill to be reported direct to the Senate without passing through the hands of the full committee, and have so notified the Republican members.

Two Women and Two Children Lost.

JACKSON, Mo., April 28.—Yesterday afternoon Joseph Johnson, who was coming to town in a covered wagon with Mrs. Bugg and her two children and Miss Minnie Frasier, attempted to ford the creek just east of here, which was much swollen. The wagon was overturned and all but Johnson were drowned.

Dittman, who last week killed his mistress, Nellie Berg, in Detroit, and escaped before his crime was discovered. Dittman had been working in Windsor as a gardener.

SHIPS AND PIERS BURNED.

NEWPORT NEWS, VA., HAS A CONFLAGRATION.

THE LOSS IS \$2,500,000.

Three Ocean Steamships Entirely Destroyed—Over \$1,000,000 Worth of Grain and Merchandise Consumed—Huge Grain Elevator Saved by the Hardest Kind of Work.

NEWPORT NEWS, VA., April 28.—Fire broke out early this morning on pier five, and before the alarm was sounded the entire building was in flames. A number of persons were injured and it is thought several lives were lost. It is impossible to ascertain the facts, as the firemen are still engaged in fighting the flames.

Some of the injured are: Captain Kreite of the German ship J. Bischoff, Captain Bulman of the British steamer ship Clintonia, Captain Roper of the tug boat Wanderer, all of whom were badly burned in attempting to escape from the ships.

Three ocean steamships were entirely destroyed, together with partial cargoes. They are the British steamer ship Clintonia, the Norwegian steamer Solving and the German full-rigged sailing ship J. D. Bischoff. The first two have been towed out into the stream and are now burning. The Bischoff is lying near the smoldering embers of Pier 6, in a mass of flames.

The loss on the ship alone is estimated to be at least \$500,000, partially covered by insurance. Over \$1,000,000 worth of grain and merchandise was stored in the two piers which were destroyed, and this is partially covered by insurance. The total loss is placed at \$2,500,000.

By hard work the huge grain elevator was saved. The fire is still raging, but there is no danger of its spreading.

INVESTIGATORS DEFIED.

Representative Davis of Kansas Refuses Positively to Name Bootleggers.

TOPEKA, Kan., April 28.—The bribery investigation committee resumed work this forenoon, but came to a standstill and an unexpected standstill by the refusal of Representative T. C. Davis of Wilson county, chairman of the House committee on education, to testify as to the names of legislators who had been offered money or who had received money. He admitted, as Representative Weiler had testified, that he had visited the room of B. P. Waggener, the general attorney of the Missouri Pacific railroad, during the recent session of the Legislature, but said that he had been offered no money. His conversation with Waggener was relative to railroad legislation, Waggener arguing against the Brown bill.

Davis said that he knew of a member who had been offered \$1,000 for his vote on a certain proposition, and also of one who had accepted money. Asked by Attorney General Hoyle to give names he refused, saying that he looked upon the investigation as useless, expensive and scandalous, and that he would not smirch men by telling boodle stories of them. He said his own name had been unnecessarily dragged before the public, and, as a sufferer without cause, he should not embarrass others by similar testimony before this committee.

Chairman Outcalt advised the witness that the law on the statute book gave the committee power to commit witnesses for contempt and said that it would exercise this power if the witness should persist in his refusal to answer the questions of the attorney general.

The attorney general repeated the questions, but the witness still refused to answer. The members of the committee consulted a moment and made an order committing Davis to the custody of Sergeant-at-Arms Forrest until he should consent to answer questions put to him.

Davis gave notice that he would at once go before the supreme court and apply for a writ of habeas corpus. Accordingly, the committee took a recess until 1:30 o'clock this afternoon to give the attorney general time to prepare the necessary commitment papers. This proceeding will test the power of the committee to compel witnesses to testify.

Elevators to Be Sold.

ST. LOUIS, Mo., April 28.—The United States circuit court has rendered a decree for foreclosure in the case of the Chicago, Burlington & Quincy Railway company against the St. Louis Union Elevator company and W. GREEKS IN A PANIC.

Ex-Minister Ralli Threatens the Government With Revolution.

LONDON, April 28.—The most serious feature in the Græco-Turkish emergency is the revolutionary feeling displayed at Athens. Ex-Minister Ralli, leader of the principal opposition group in the legislative assembly, threatened that, unless the military staff was changed, he would issue a proclamation to the people. His statements acted like oil upon fire, and the popular excitement has flared up. Crowds assembled in the streets to discuss them and wanted to march to the palace to read them to King George. Fortunately, heavy showers drove the people indoors.

M. Delyannis, keenly alive to the necessity of immediate action, had an audience with the king, and, after the interview, announced that the staff of the crown prince would be recalled, and that ex-Minister Ralli, with three of his nominees, General Smolenski, General Mavromiachel and Colonel Dimopoulo, would be appointed to replace them. M. Ralli, in a published interview, says:

"The moment Constantine arrived at the seat of the war, the sole thought of the responsible commanders was not to attack or withstand the Turks, but to effect a safe retreat, if necessary. All orders emanated from the palace. Those issued by anyone else were ignored. When dispatches were sent to General Mavromiachel, he was not where he was supposed to be, having been moved on by superior orders."

M. Ralli attended the council at the palace.

The Daily Telegram's Athens correspondent says:

"All of M. Ralli's conditions have been accepted. The king gives carte blanche to his ministers. As the public begins to learn the truth, anger against the palace party increases, and a feeling of hostility against M. Delyannis is steadily growing. Late to-night (Monday) crowds are parading menacingly in the vicinity of the palace."

"It is reported on good authority that arrangements are being made to enable the royal family to leave the country hastily in case of necessity. People had generally credited the rumors that the crown prince would be recalled and that the government was willing to consider peace overtures. It is impossible to say what will happen when it is known that the war is to be continued and the crown prince retained in command."

IOWA TOWNS FLOODED.

Three Hundred Families Driven From Their Homes at Ottumwa.

OTTUMWA, Iowa, April 28.—The Des Moines river, which last night was stationary at the high water mark established by the great flood of 1892, suddenly began to climb and by 8 o'clock to-day had added fifteen inches to the record. The levees broke in many places, railroad embankments were undermined and hundreds of families were compelled to quit their residences in great haste. In Ottumwa over 300 families were compelled to move, a large number making their escape in boats.

All of the railroad companies have made strenuous efforts to save their property. Traffic is almost at a standstill.

Policeman Burglarizes on His Beat.

WASHINGTON, April 28.—A queer complication in burglaries developed here to-day, when Policeman James E. Pierce of the Metropolitan force was arrested for robbing two houses on his beat. The families were away at the time, and Pierce improved the opportunity to carry away a large amount of glass, clothing, porcelain and other portable valuables. Detectives have searched his house and to-day recovered about \$1,500 worth of plunder.

Maher the Better Man.

PHILADELPHIA, April 28.—Peter Maher again demonstrated his ability to whip Steve O'Donnell by practically knocking him out in the sixth round of their bout at the arena of the Quaker City Athletic club last night. In the opening round Maher had O'Donnell so weak he could scarcely stand, and in the fourth round Steve sent Peter down with a straight right on the face. It was a good stiff fight and Maher had the better of the argument.

The Maher-Sharkey Battle.

NEW YORK, April 28.—The managers of Peter Maher and Tom Sharkey met representatives of a sporting club, as yet unnamed, and accepted a proposition for a fight between the principals for a \$10,000 purse, to take place in this vicinity between May 25 and June 10 next.

PROFESSOR ALVIN P. BARNABY.

A reporter recently called at this famous seat of learning and was shown into the room of the president, Prof. Alvin P. Barnaby. When last seen by the reporter Professor Barnaby was in delicate health. Today he was apparently in the best of health. In response to an inquiry the professor said:

"Oh, yes, I am much better than for some time. I am now in perfect health, but my recovery was brought about in rather a peculiar way."

"Tell me about it," said the reporter.

"Well, to begin at the beginning," said the professor, "I studied too hard when at school, endeavoring to educate myself for the professions. After completing the common course I came here and graduated from the theological course. I entered the ministry and accepted the charge of a United Brethren Church at a small place in Kent County, Mich. Be-
