

A MAN FROM INDIANOLA . . .

This is a great store, this Nebraska. For upwards of 15 years we have been selling clothing—nothing else but clothing—and we have the same people trading with us today who traded with us when we commenced. We never lose a customer through our own fault. We make it a point to treat people so well and to give them such good values that they will never have an excuse for trading anywhere else. A man from Indianola came into our store last week to see us and to tell us he was a customer of ours. He was one of the first men who ever bought goods from us through the mails. "Well," said he, "you fellows are great people. I have bought about 20 suits of clothes from you in the last eleven years, and I have never yet found a single fault with your goods or never saw clothes from any other house that was anywhere near as cheap. I have 26 men on my ranch and everyone of them sez the same thing. It's got to be up our way that if we can't get what we want at The Nebraska we go without. You could 't get us to buy anywhere else."

N.B.—Our Catalogues are all gone for this season, but we will gladly send samples of any goods in our line that you may want.

WAR NEWS.

MANILA, JUNE 17.—(VIA HONG KONG, JUNE 20).—THE SITUATION HERE IS UNCHANGED. THE INSURGENTS ARE UNABLE TO TAKE MANILA, OWING TO THEIR LACK OF FIELD GUNS. HOWEVER, THEY COULD NOT TAKE IT EVEN THEN, AS ADMIRAL DEWEY WILL NOT PERMIT IT.

THE REPORT THAT THE AMERICAN TRANSPORTS WITH TROOPS ABOARD WERE SIGHTED IS NOT CORRECT. THEY ARE EXPECTED TO ARRIVE HERE NEXT MONDAY, JUNE 29 (TODAY).

ALL THE FOREIGNERS ON THE ISLANDS ARE LEAVING MANILA ON NEUTRAL SHIPS.

THE NATIVE PROCLAMATION OF INDEPENDENCE WILL BE SIGNED AND ISSUED MONDAY (TODAY). AGUINALDO WILL BE PRESIDENT. ASK FOREIGN INTERVENTION.

MADRID, JUNE 20.—A BELIEF IS EXPRESSED IN GOVERNMENT CIRCLES THAT GENERAL AUGUSTI WILL ASK THE FOREIGN WARSHIPS TO LAND DETACHMENTS OF TROOPS TO PROTECT MANILA, ON THE GROUND THAT HE IS NO LONGER ABLE TO RESIST THE INSURGENTS.

CAVITE NOW A REPUBLIC. CHICAGO, JUNE 20.—A SPECIAL CABLEGRAM TO THE CHICAGO RECORD TODAY FROM HONG KONG, FROM THE RECORD'S CORRESPONDENT, WITH ADMIRAL DEWEY, READS AS FOLLOWS:

"GENERAL PHILIPINO OFFICIALLY PROCLAIMED A PROVISIONAL GOVERNMENT IN OLD CAVITE, JUNE 12. THERE WAS A GREAT CEREMONY IN THE DECLARATION OF INDEPENDENCE, WHICH WAS READ, RENOUNCING ALL SPANISH AUTHORITY. AGUINALDO WAS ELECTED PRESIDENT OF THE NEW REPUBLIC, AND DANIEL PIRONDO, VICE PRESIDENT.

"THE INSURGENT GOVERNMENT WILL NOT OPPOSE AN AMERICAN PROTECTORATE OR AMERICAN OCCUPATION."

EXPEDITION SIGHTED JUNE 1. Victoria, B. C., June 20.—Advises by steamer from Honolulu, of June 10, say the first expedition to Manila arrived there June 1, and was received with the greatest patriotism.

REPORT THAT MANILA FELL.

Paris, June 20.—The Madrid correspondents of the Temps says that it is reported there that Manila has capitulated, though the ministers have not received any news to that effect.

INSURGENTS FORMING A FLEET.

London, June 20.—The Hong Kong correspondent of the Daily Mail telegraphing Sunday, says: "A conspicuous object in Manila bay is the nucleus of an insurgent fleet. It consists of a vessel of a hundred tons burden, presented to General Aguinaldo by a rich native. The vessel flies the flag of the Philippine republic—three triangles of red, white and blue on a white ground, or a ground formed of the old rebel flag of the sun rising above the hills.

FLEET NEARING MANILA.

London, June 20.—The Hong Kong correspondent of the Times says: "The steamer Yuen Sing reports passing the United States troop ship City of Pekin on the morning of the 15th, near Manila."

GOVERNMENT SEIZES SHIPS.

San Francisco, June 20.—The government has taken a firm stand toward securing transports for the troops for Manila, and from this time forth impressment will be the rule until enough vessels have been secured to carry the army to the Philippines.

HOW TO SEND MAIL TO MANILA.

Washington, D. C., June 20.—The postoffice department has issued an order directing that all letters and other mail intended for the soldiers on the Philippines be directed in care of commanders of the United States forces, via San Francisco. Postage will be at domestic rates.

REWARD FOR HEROISM.

Washington, D. C., June 18.—Secretary Long has given official recognition to the bravery of the men who sank the Merrimac in Santiago harbor by sending Admiral Sampson orders directing the promotion of all the members of the crew. Lieutenant Hobson's reward will come later through congress. They still linger in a Spanish prison, but when they return to their ships the promotions will be awaiting them. The orders sent to Admiral Sampson direct the promotion of the men as follows:

Daniel Montague, master at arms, to be a boatswain, from \$50 a month to \$1,300 a year.
George Charette, a gunner's mate, to

be a gunner, from \$50 a month to \$1,300 a year.

Rudolph Clausen, Osborne Deignan and — Murphy, coxswains, to be chief boatswain's mates, an increase of \$20 a month.

George F. Phillips, machinist, to be chief machinist, from \$40 a month to \$100 a month.

Francis Kelly, water tender, to be machinist, from \$37 a month to \$70 a month.

In addition to the promotion steps have already been taken toward the presentation of medals to Constructor Hobson and the members of his gallant crew.

MAHER'S TRIAL ENDED.

Chickamauga Park, June 18.—Private John G. Maher, Second Nebraska a member of Governor Holcomb's staff, was yesterday tried by a court martial board and there is every reason to believe that the case will be a notable one. He has been a clerk at the headquarters of Colonel Bills, commanding the Nebraska regiment. He owned a typewriter and is an expert operator of the machine. Recently Captain Deprey, General Grant's adjutant, ordered Maher to do some typewriting at division headquarters. Maher refused, stating that the machine was his own property and that he did not propose to wear it out working for the government, but would perform the duty if supplied with another typewriter. He was arrested for insubordination and tried Friday. The finding of the court will be published later. The case will be taken to the war department.

Maher is prominent in Nebraska politics and the arrest has caused a sensation at his home. The affair has created a bitter feeling between certain officers at Camp Thomas. Captain Fisher of Chadron is defending Maher.

KANSAS NOMINATIONS.

The reform party of Kansas last week nominated the following ticket:

For governor, John W. Leedy; lieutenant governor, A. M. Harvey; secretary of state, W. E. Bush; attorney-general, L. C. Boyle; treasurer, David Hotelbower; auditor, W. H. Morris; state superintendent, William Strycker; associate justice, S. M. Allen; congressman at large, J. D. Botkin.

The nominations were made by acclamation—first by the populists and then endorsed by the silver republicans, both parties holding separate convention at Topeka.

As soon as the result was known at Atchison where the democrats were in session, they in turn nominated the same ticket, thus making fusion the feature of the fall campaign.

The middle of the road populists of Minnesota named the following state ticket, after declaring against fusion: Governor, C. L. Long, Magnolia; lieutenant governor, Krittell Halverson, Belgrade; secretary of state, M. Wegenberg, Duluth; auditor, Charles Hopkins, Fairfax; treasurer, P. H. Rahilly, Lake City; attorney general, John F. Kelly, St. Paul; clerk of the supreme court, A. L. Stromberg, Forest Lake. Ignatius Donnelly was endorsed for United States senator.

THE CONDITION OF OREGON.

There is need of a big, strong man to fight the battle of the people in Oregon. A man who is able, honest and gifted with the qualities of leadership will fill a long felt want. The silver men of Oregon are without a standard bearer of the caliber to give him a commanding position. They are divided not merely into parties, but into factions. They suffer from lack of cohesion, leadership and discipline. As individuals they may be second to none in earnestness, but they have not the right kind of organization, nor is there among them a voice they will bear and follow.

The gold party is thoroughly organized. It has unlimited money and the important newspapers of the state with scarcely an exception, belong to it body and soul. The banks are with it. In the campaign just closed plenty of cash from outside sources was available to aid in securing a goldite senator. Mark Hanna's campaign fund was not exhausted in 1896. It was available for Oregon.

The exodus to the Klondyke has not been without an effect on the election. Many thousands of Oregonians have gone north and there is no doubt that three-fourths of them were men of bimetallic convictions. Perhaps there were enough of them to change the result.

There is an cause for wonder if the republicans have won a victory as they claim they have.—Beaver News.

General Shafter's army has arrived at Santiago and begun landing. A great battle is daily expected to occur.

SPAIN'S POWER GONE.

Manila, June 18.—The Spanish power is crumbling in the Philippines. General Penna and 1,000 soldiers have surrendered to the insurgents at Santa Cruz and similar surrenders are of daily occurrence throughout the islands.

The insurgents have made a proposition to Admiral Dewey to form a republic under an Anglo-American tutelage.

Washington, D. C., June 18.—The navy department has received the following cablegram from Admiral Dewey:

"Little change in the situation since my cablegram of June 3. The insurgents are continuing the hostilities against the Spanish and have practically surrounded Manila. They have taken over 3,500 Spanish prisoners, whom they treat most kindly. They do not intend to take the city at the present time.

"Twelve merchantment vessels are anchored in the harbor and each of them is crowded to the decks with refugees from the islands. They are all under guard of neutral men-of-war with my permission.

"The health of the squadron remains excellent.

"The German commander in chief of the German warships arrived here today. At present there are three German, two British, one French, and one Japanese men of war here in the harbor. Another German battleship is expected daily."

London, June 18.—The Hong Kong correspondent of the Times says:

"According to Manila advices, dated June 13, and brought here by H. M. S. Linnet, the rebels have captured the family of Captain General Augusti."

THIRD REGIMENT NEWS.

Company L, Third regiment, John J. Lamborn, captain, from Indianola, passed through Lincoln Monday en route to Fort Omaha.

Mr. Bryan, General Victor Vifquain, Captain Schwarz, Lieutenant Ralston and J. B. Meserve were at the depot to meet the company, and the boys were taken to breakfast before they started on their way to Omaha. They all seemed to be in the best of humor and grateful to be so far on their way to the point of mustering in, as conditions at the town of Indianola, were somewhat crowded for 100 men.

J. B. Meserve, who recruited the company at Indianola, was very proud of the boys and declared them as fine a looking company as ever moved across the prairies.

FIRST COMPANY TO MOVE. Company L is the first company of the Third regiment to move to the place for mustering in.

Adjutant General Barry went to Omaha Sunday afternoon at 4:15. He will doubtless remain there for a day or two while arrangements are being completed to receive the companies for muster.

A number of those who joined Company A in this city have decided to go with the recruits for the First and Second regiments, and this will create an opportunity for those on the provisional lists of recruits for the Third regiment. When this fact became known several who had come to believe that the company was full began preparations to be ready for muster into the Third regiment. The young men who joined the recruits after signifying their wish to become members of the Third regiment were impelled to do so because they were here at their own expense, waiting for the mustering officer at Omaha to muster in companies of the Third.

APPLICANTS REJECTED.

The examinations by the surgeon for the recruits has resulted in the rejection of a number of applicants. The preliminary examination of the members of the Third regiment is understood not to be final, and if they present themselves at the mustering office at Fort Omaha they will be entitled to a physical examination, and if they pass it they will get in.

The recruiting officer at Omaha is understood to be still waiting for the arrival of ovens and cooking utensils shipped from Indianola last Wednesday, and blankets are also understood still to be lacking.

ANNEXING HAWAII.

Washington, June 16.—By a vote of 209 to 91 the house of representatives late Wednesday afternoon adopted the Newlands resolution providing for the annexation of Hawaii. The debate, which has continued without interruption since Saturday, has been one of the most notable of this congress. More than half a hundred members participated in the debate. The republicans presented practically a unanimous support to the resolutions, but three republican members voted in opposition. In the democrat ranks ten division was more marked eighteen democratic members voting for annexation.

Give the Children a Drink

called Grain-O. It is a delicious, appetizing, nourishing food drink to take the place of coffee. Sold by all grocers and liked by all who have used it, because, when properly prepared it tastes like the finest coffee but is free from all its injurious properties. Grain-O aids digestion and strengthens the nerves. It is not a stimulant, but a health builder, and children, as well as adults, can drink it with great benefit. MOVE ORDERS ISSUED.

Washington, D. C., June 16.—The war department last night issued orders for 15,000 troops to move at once from Chickamauga. No special commands are indicated in the order, nor is the place where the soldiers are to go named. With its usual inconsistency the war department adds to the order this qualifying clause: "The troops are to have their arms at once and are to be equipped as soon as possible."
