

# Fall Merchandising

Remember at this special sale we offer but choicest reliable goods and at much less than others ask for inferior and shoddy goods.

Has begun; a merchandising campaign greater than any we have ever known has been inaugurated in this store for the Fall season. Preparations have been made for the greatest output of worthy merchandise in our history, and if such an event does not take place, it will be because great values and small prices have no weight with the purchasing public. To see our stock of Hats, Caps, Gloves, Mittens, Shirts, and Underwear, means not only that you will buy from us, but that you will save a handsome sum on your purchase.

We have the reputation of selling one-half of all the clothing sold in Lincoln. This season we want to sell two-thirds of all that is sold.

## MEN'S HATS
