

# ARMSTRONG CLOTHING CO.

Remember it's your business to see where you can get the most for your money. Don't forget it's our business to see to it that we give you more for your money than other stores do. In doing your part come and let us show you how thoroughly we can do ours.

## ALWAYS FOUND AT THE FRONT...

A good soldier never lags behind, but is always forging to the front. Men who are eager to go to the front are the kind that win battles. Same way with keeping store—keep in front, be first. When there is an opportunity to improve the retail trade of Lincoln you will always find our store in the front rank of the procession. When there is anything new at right prices our store is the first to tell you. When there is a reduction in price of goods our store

If you buy for Cash, you naturally look for the store with the best values, not the lowest priced goods. It has always been our rule to sell good reliable goods at reasonable prices, and to never knowingly Handle Trashy or undesirable goods. On this basis, coupled with one price to all, we solicit your business.

is the first to say so. Always keeping the people posted and selling goods at prices 25 per cent lower than the other fellow is what keeps us in the front rank of the clothing business of Lincoln.

### ARE YOU IN THIS PICTURE?

If you are, you are a hard-to-fit man. We have taken a great deal of pains this season in buying sizes to fit tall slender men, short thick men, and tall fat men. In fact, we have bought for every shape and size, in order to fit without difficulty all who come to us.

Our "Slims," "Stouts," "Fats," and "Extra Sizes" are made from the very latest fabrics and come in all the new colorings. We have learned

from experience that hard-to-fit men want nobby stuff as well as their regular shaped brothers. Therefore, you will be shown nothing in our house but new, snappy styles in Overcoats as well as Suits, and when you find your size it will fit.
